

COLLEGE JOTTINGS.

Items of Interest In and Around the O. A. C.

The number of students registered at the college is on the increase. The total number at present is 504, which is 100 more than was registered at this time last year.

To arouse college enthusiasm and to awaken college pride, a prize has been offered for the best college song and also one for the best football song.

Prof. Pernot returned from Elk City Tuesday.

The Junior class held a meeting Tuesday for the purpose of electing officers for the year. The result is as follows: President, Sam Damon; vice president, Alice Edwards; secretary, Archie Burns; treasurer, Earl Hawley; sergeant of arms, A. L. Bradley.

The following officers were elected by the senior class at a meeting held last Monday: President, Karl Steiwer; vice president, Mary Danneiman; secretary, P. L. Adams; treasurer, F. A. Williams; sergeant of arms, Fdna Osburn.

The officers of this year's Sophomore class; elected Tuesday are: Belle Bonney, president; B. H. Greenhaw, vice president; Edward Thayer, secretary; Annie Blieg, treasurer; Arthur Barnett, sergeant of arms.

Football practice continues. One hundred and sixty spectators were on the field Wednesday.

A. B. Bower, who played tackle on the first team last year, returned to school Thursday.

There is great rejoicing among the boys of the first team for Bundy is back, he arrived yesterday.

Wanted—Two bright ideas. A reward of \$10 will be paid to any person who may offer the brightest idea to the president of the senior class. A secondary reward of \$5 will be tendered to the person offering the next brightest idea.

A reception will be tendered the new students at the Armory tonight by the members of the senior class. An interesting program is being prepared and other arrangements are being made to make the affair a success. All new students are especially invited, while all the old students are expected to be present and give all a pleasing evening.

The four girls societies have entered an agreement which is to be highly commended. They are to initiate no new members until after the lapse of five weeks of school. During this time the new college girls are invited to visit the different societies. In this way, more complete satisfaction is given both to new members and to the societies receiving them, as time is thus given to both parties for thorough decision. Heretofore, new students have hardly had time to know the names of the different societies before they were hurried into one.

Mrs. Mary Smith-Lewis, a sister of Geo. W. Smith of this city, and who is superintendent of the Odd Fellows' Home, located at Greensburg, Indiana, arrived Wednesday from San Francisco, where she has been attending the National Convention. John Smith, a brother from Fresno, Calif., has also arrived, and for the first time in 29 years the whole Smith family is together again. There are Smiths and Smiths but these are the Indiana Smiths and the last time they met was back in the good old Hoosier state.

L. A. Bundy returned to OAC yesterday and he will probably occupy his old position on the first team.

FIRST FOOTBALL GAME.

Royal Battle Tomorrow Between Alumni and O. A. C.

The first regular football game of the season will be played next Saturday, in the afternoon. The game will be between the OAC regulars and the old champion football team of 1897. All but two or three players of the famous old team will be on the field and a royal battle is expected. The old champions will very likely use the same plays that won for OAC the Northwest championship a few years ago and the old love of battle is doubtless as strong in each heart as ever. This team bears the distinction of being one of the two teams that have carried off the championship in latter years, the other team being that of the University of Washington. The lineup will be about as follows:

OAC	Alumni
Walker	C Hamilton, Phillips
Dunlap	RG Elbia
Little	LG Bodine
Abraham	RT Walters
Bower	LT Gyp Tourison
Substitute	RE McBride
Cooper, Rhinehart	LE Stinson, Buxton
Root	RH Holgate
Williams	LH Scroggins
Rose	QB Edwards
Pilkington	FB Gatt, Nash

OAC substitutes, von der Hellen, Carter and Tweek.

A grand reception will be given the alumni team Saturday evening in the Armory. A short program will be followed by dancing. Members of the old team who live out of town will probably arrive today. It will be necessary to practice some before the game and too much must not be expected of the boys for seven years produces a marked change in the best of men. A royal battle is expected, however, and all Corvallis will probably be there to witness it. There are enough men now for three full football teams, and the practice each evening is beginning to assume a decided warlike appearance. "Burrows" is now center for the second team and he makes a fine center. He may lack speed but he makes the line as solid as a stone wall.

The second team under "dad" Trine's supervision is developing into something pretty good and if the boys stay at it and stick together, the regulars will have a hard time to get away from them. Three football games have been arranged on the outside for the second team by Manager Pilkington. Besides the annual game with the state university, two dates have been arranged with the first team of Monmouth college. The first occurs at Corvallis October 29, and the other at Monmouth, November 11th.

Owing to a shortage of suits, the "scrub" or third team men have to take all the little odds and ends and the outfit is comical to behold. Nevertheless this is probably the most dangerous antagonist in the field, for what it lacks in strength and discipline, it makes up for in noise and foul play. Coach Steckle is meeting every expectation of the boys and is a fine strategist. He is sparing no pains to make the boys understand their positions and is giving personal instruction in both offensive and defensive playing.

At the Christian convention held here Monday and Tuesday, Rev. A. A. Borry, of Monmouth was elected district evangelist for the three counties, Linn, Benton and Lincoln.

The mother of Mrs. J. D. Mann, of this city is lying very ill at her home near Salem. Mr. and Mrs. Mann left Monday to be at her bedside.

Miss Mallow is lying seriously ill at her home in this city threatened with appendicitis. She was taken sick Sunday and has since been unable to fill her position in the public schools. Miss Lingrin has been teaching in her place since her illness, but she has been elected to a position in the Coburg school, which opens Monday.

DR. DARRIN AT WORK.

The Celebrated Specialist at the Hotel Corvallis.

Dr. Darrin, the celebrated specialist, and wife, arrived in this place Tuesday, and have offices at the Hotel Corvallis where the doctor will administer treatment to the afflicted. Dr. Darrin needs no recommendation, for the wonderful cures effected by him throughout the state during his many years of practice in Portland speak for themselves and are living testimonials of his superior skill and success in the treatment and cure of the most stubborn and aggravated cases and chronic diseases. We have known the doctor personally for years and have come face to face with many of his patients after being successfully treated by him. In our business relations we have always found him to be strictly reliable and a gentleman of prompt and practical business methods. His treatment by medicine and electricity has become so popular with the afflicted that his patients do not seek in vain for relief from the ills that flesh is heir to, which is positive proof of the superiority of his electrical treatment over all other methods of cure.

The doctor makes a specialty of all diseases of the eye, ear, nose and throat catarrh, deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases, or those who suffer from apathy and indifference; also genito-urinary and skin diseases in either sex, such as blood taints, seminal weakness and lost vigor, varicocele and stricture. Eyes tested and glasses fitted.

All curable chronic diseases treated at \$5 a week, or in that proportion of time as the case may require. No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms.

Office hours from 10 a. m. to 5 p. m.; evening 7 to 8. Sunday 10 to 3. The worthy poor will be treated free except medicine, according to his time-honored custom from 10 to 11 a. m. daily.

Among those successfully treated may be mentioned ex-Senator Geo. Chandler's son, of Baker City, who had heart trouble and general debility; cured and gained 30 pounds.

J. A. Lindsay, of the Southern Pacific, residence Mt. Tabor, Or., is happy over the cure of consumption, bronchitis and catarrh, performed by Dr. Darrin eight years ago. He gained 24 pounds and kept it ever since. Mr. Lindsay has great cause for rejoicing.

Mrs. P. Hayes' daughter on Twentieth street, Portland, is happy over the cure of a large goitre (large neck) of several years' standing. She was restored by Dr. Darrin's electrical treatment many years ago.

Mrs. T. B. Hatfield's son, 214 Eleventh street, Portland, was cured six years ago by Dr. Darrin. His trouble was discharging ears and deafness.

H. A. Curtz, 317 Church street, Salem, considers himself perfectly cured of deafness by Dr. Darrin.

Fred Neckerman, of 110 State street, Salem, is very enthusiastic over his relief from an eye trouble, catarrh and pain in the head and eyeballs, by Dr. Darrin.

O. R. Durfee, of Shaw, Oregon, reports his cure of deafness by Dr. Darrin is complete. His daughter, Miss Durfee, has had no recurrence of her deafness and granulated eye trouble.

Mrs. Al Hudson, formerly of La Grande, Oregon, now residing at 569 Salmon street, Portland, paralysis of one side and diseases peculiar to her sex cured nine years ago by Darrin.

Mrs. Abbie Wareham, Montavilla, Oregon, epilepsy 26 years, cured by electricity and medicine ten years ago and never had a return of the symptoms.

A smoker will be given by the Firemen Monday night in their hall. Only members, active, executive and honorary will be admitted. A fine program, consisting of songs, dances and refreshments has been prepared and an all-round jolly good time is expected. Two vaudeville artists from Portland have been secured for the occasion. A series of these smokers will be given during the winter, the object being to create interest in the department, also to reimburse the boys for sacrifices made in the interests of the public welfare.

The bankruptcy proceeding of H. M. Brunk in process of liquidation at the present time calls to mind the insolvency of Max Friendly, which occurred beginning with the hard times of 1893. After these proceedings in the attempt to wind up Mr. Friendly's estate had proceeded for a couple of years, and it seemed to be no nearer settlement than when it began, the creditors after several attempts made an agreement to each select certain parts of the property and take the same for his debt instead of letting the property go to sale. Upon such agreement the estate was closed by dividing up the property instead of selling it and thus each creditor sold the property which he thus acquired saving the expense of sales under the details of judicial process. In that way the creditors worked out of the property nearly all their claims. If they had not so agreed and divided the property as stated they would probably not have saved one-half of their claims.
