Worth a Trip to Portland.

When Geo. L. Baker assumed the management of Portland's best theatre, the Columbia, great things were naturally expected, and theatre goers have not been disappointed. Every succeeding play but adds to his reputation as a successful and popular caterer. This week's program is certainly an innovation. Shakespeare's most popular tragedy—the love story that thrilled the hearts of thousands—Romeo and Juliet, will be given, and the management promises the most gorgeous presentation ever given in the Northwest. Edgar Baume and Cathrine Countiss will interpret the title roles, while Rose Eytting will appear as nurse. The cast is an excellent one, and the costuming will be not only historically correct, but magnificent. Every lover of Shakespeare in Beaton county will thank us for calling attention to this magnificent production at the Columbia, and we look to see many visitors to Portland this week to take advantage of this great dramatic revival.

Salmon in Lincoln County.

The fishing industry of Lincoln county, is a source of considerable revenue to our people, says the Toledo Reporter. We have three up-to-date canneries in the county, one located on Siletz bay, one on Alsea, and one on Yaquina, with fish abundant and of fine quality in each bay. The canneries on Siletz and Alsea are getting all and more than they can handle, while at Yaquina, Mr. Walte informs us he received this morning 900 salmon, this is the over plus, besides the vast amount that is shipped out fresh on every morning's train. Besides the revenue this industry brings into the county, paying good wages to our fishermen, it is furnishing fine sport to all our people, trolling for the game silverside; owing to our railroad, Yaquina is an ideal place for this rare sport which is now at its height. Besides our rivers are chuck full of the salmon trout which are anxious to be caught. The state realizing the importance of our fish industry has built a number one fish hatchery on Big Elk, which is doing a good business and have over one half million of chinook eggs already set for hatching, besides plenty of salmon hens in sight to do the work of replenishing the supply, so as to hand this great industry down to our posterity unimpaired.

A crowd of young people went up on Marys' Peak one day last week and their guide, Mr. Vanblaricon, who has been up there a number of times says it was the finest day for sight seeing he has ever known. The breakers on the ocean beach could be clearly seen. On the eastern horizon were the Three Sisters, Mt. Jefferson and Mt. Hood. Albany, Corvallis and Eugene were visible. Perhaps there is no point in Oregon accessible to the general public that equals Marys' Peak for sight seeing.

BEST GAME OF THE SEASON

Portland High School Goes Down Before Our Second Team.

Although the score stood 22 to 0 in favor of OAC at the close of the game Saturday, it was the most evenly matched game of the season and there were more sensational features to stir up the sidelines. Sweek for OAC made a phenomenal run of 80 yards for touchdown which sent spectators into spasms of delight. Several times players of both teams broke through the opposing lines for substantial gains.

The Portland High School boys were a clean-cut, gentlemanly set and played good ball but were sorely disappointed in not being able to score. They were evidently expecting to win the game when they came but the OAC second team was too much for them. The OAC boys surprised everybody with the exception of a few fumbles played a professional game. Burrows for center stood like a stone wall, and with the guards and tackles made a defense that Portland hammered time and again only to lose on downs. There was much end running by Portland while OAC confined her attention mostly to line bucking. There were several swift men on both sides and from start to finish the game was lively and the interest never lagged. Portland had the ball dangerously near the OAC goal only once. This was where Portland through a tumble lost the ball and Sweek securing it made his sensational run followed by one of Portland's best runners who laid his and on Sweek's shoulder just as he stepped across the line.

The line up was as follows:

OAC	Portland
Burrows	C Jones
Walker	RG Pugh
McKenon	LG Johnson
Little	RT Pinkham
Finn	LT Holcomb
Smiley	RE Bradley
Hardin	LE Armstrong
Graham	RH Davis
Smithson	LH Obertefter
Brewster	Q Reed, Vesper
Powell	F Goodell

Subs for OAC were Wann and Anderson for center; Hendricks, right guard; Schroeder left guard and Parker and Sweek half backs. Bryson refereed and Prof. Hayward kept track of the time; 30 minute halves were played.

The game started in possession of OAC and facing the south goal. OAC kicks off to Portland who secured the ball and carried it back 15 yards. By a series of right and left half-back plays Portland gains requisite yardage twice but loses on fumble. OAC takes ball for substantial gains but loses. In the next kickoff Goodell for Portland made a phenomenal punt of 70 yards, landing the ball behind the goal which gave the ball to OAC on her 25-yard line. The battle from this on until the next touchdown by OAC was a series of hard line bucks which gradually pushed the opposing team back, Graham making the touchdown and no goal.

Until the end of the first half the ball was kept near the center of the field neither side having the advantage.

With the opening of the second half Portland kicks off to OAC. This proved to be the best part of the game for Portland was steadily advancing toward the OAC goal and if all had gone well would have scored. Sweek, who was not in the first half, took Graham's place and did some star playing; Smithson also made several fine plays. When within 20 yards of the goal Portland made a bad fumble and Sweek quick as a flash seized the pigskin and then shot out for home, 80 yards and a touchdown. It was the finest play of the season. The goal was kicked which left the score 16 to 0 in favor of the home team. From this on the interest of the Portland boys took a tumble, their spirit had gone but like the true gentlemen they are they played ahead, cheerful even in defeat. The next heat was but a repetition of the previous ones, another touchdown was made and with one minute to spare the game came to an end, with the final score of 22 to 0 in favor of OAC.
