**Union Meetings.**

The cold of Sunday did not stem the enthusiasm of the Evangelistic services. A good-sized audience attended the services in the afternoon. Dr. Harsha spoke on "God's Call to the Unsatisfied." In the evening the large audience filled the Opera House. After an enthusiastic praise service, Miss Lulu Sangler sang a touching solo entitled "Lead Kindly Light." Dr. Harsha addressed the meeting on the subject "Foe and Friend." His text was "Simon, Simon, Satan hath desired to have thee, that he might sift thee as wheat." Dr. Harsha then clearly and plainly portrayed the character and acts of the foe of mankind, Satan. Then in contrast pictured the beautiful character of Jesus Christ, the friend of mankind.

The ease and clearness with which Dr. Harsha portrays great truths is remarkable. The beautiful mind can grasp the truth and the trained mind wonders that it had not seen it thus before. At the close of the sermon Dr. Harsha made an appeal for decisions for Christ, and four gave themselves to the master. Dr. Cathey then sang a solo of tender appeal.

Dr. Harsha does his work in a quiet manner, yet with an effectiveness that brings decisions for Christ. Already there have been seventy-five decisions for Christ, and the blessings that have come to the members of the churches through quickening is incalculable.

Not the least of the lessons learned from these meetings is that the churches can unite in this great work. At the close of these meetings Dr. Harsha goes to Brownsville, where he will conduct a union meeting.

**LIVER TROUBLES**

"I find Theford's Black-Draught a good medicine for liver disease. It cured my own after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marblehead, Ill.

**Job Printing.**

When you pay out good money for printing, be sure and get good printing for the money!

Do not send out printed matter to your customers that is a disgrace to your business as a disgrace to your town—and a disgrace to the printer who puts it out.

Good Work costs you no more than the bad.

Good printing is correct in spelling—correct in grammar—correct in punctuation—on good stock—printed with good ink—and something that it is a pleasure to look at.

That is the kind the Gazette turns out.

Prices for good printing are based on the cost of good material, and the labor and taste employed in doing the work. To this every printer adds a percentage for profit. The cheap printer charges the same profit as the good printer—the difference in cost to you comes out of the value of the material used—in fact you pay for all you get.

Skill, taste and experience are necessary factors in producing GOOD printing.

Examine your work, and don't pay for it until you know it is all right. It is your own fault if you pay good money for rotten eggs.

**Home Made**

Have your cake, muffins, and tea biscuit home-made. They will be fresher, cleaner, more tasty and wholesome.

Royal Baking Powder helps the house wife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layer-cake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.

Royal is the greatest of bake-day helps.
