The Freshman Party.

The '08s gave their first class party in the spacious rooms of the Agricultural Hall on Friday evening, February 10, from 7.30 to 11. The rooms were tastefully decorated with festoons of blue and white, the class colors, and the corners were filled with potted plants.

The following program was greatly enjoyed by those present, Misses Colvig and Gates receiving hearty encores: Vocal solo, Miss Gertrude McBee; piano solo, Miss Inez Colvig; recitation, Miss Lulu Wright; vocal solo, Miss Bertha Williams; violin solo, Miss Winnifred Gates.

After the rendition of the program, various interesting games were indulged in by the happy-hearted freshmen. The lights "blinked" just as they finished partaking of the dainty refreshments, thus bringing the festive occasion to a close. Proud over the success of their first party, they look forward with beaming faces to the many happy times in store for them.

In Memoriam.

Resolutions adopted by the Experiment Station Council of the Oregon Agricultural College on the death of the Hon. J. M. Church:

WHEREAS, We are called upon at this time to mourn the death of a most excellent citizen, a generous friend, sound counselor and efficient regent of this institution, therefore be it

RESOLVED, By this body that, in the death of Hon. J. M. Church, industrial education in Oregon loses a firm and influential advocate; that this College in particular suffers severe loss in the withdrawal of his wise and conservative counsel from its deliberations; that his kindly goodwill and many high personal qualities have so endeared him to this institution that his name will always be linked with its progress and substantial growth during the trying times of its youth; that as evidence of our admiration for his many worthy qualities as a man and citizen; and as an expression of our grief at his demise we hereby cause to be spread upon the minutes of this body the foregoing preamble and resolutions; and further, that a copy be sent to the press, and members of his family.

Failed.

All efforts have failed to find a better remedy for coughs, colds and lung trouble than Foleys Honey and Tar. It stops the cough, heals the lungs and prevents serious results from a cold. J. N. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foleys Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world. For sale by Graham & Wortham.

Pirating Foley's Honey and Tar

Foley & Co., of Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and delicate persons.

LIVER TROUBLES

"I find Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAPOLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Marblehead, Ill.

Job Printing.

When you pay out good money for printing, be sure and get good printing for the money!

Do not send out printed matter to your customers that is a disgrace to your business a disgrace to your town—and a disgrace to the printer who puts it out.

Good Work costs you no more than the bad.

Good printing is correct in spelling—correct in grammar—correct in punctuation—on good stock—printed with good ink—and something that it is a pleasure to look at.

That is the kind the Gazette turns out.

Prices for good printing are based on the cost of good material, and the labor and taste employed in doing the work. To this every printer adds a percentage for profit. The cheap printer charges the same profit as the good printer—the difference in cost to you comes out of the value of the material used—in fact you pay for all you get.

Skill, taste and experience are necessary factors in producing GOOD printing.

Examine your work, and don't pay for it until you know it is all right. It is your own fault if you pay good money for rotten eggs.

Home Made

Have your cake, muffins, and tea biscuit home-made. They will be fresher, cleaner, more tasty and wholesome.

Royal Baking Powder helps the house wife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layer-cake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.

Royal is the greatest of bake-day helps.
