My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. 1 could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pro-nounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui.
I told her I had not and she
bought a bottle. I believe that
it saved my life. I believe many women could save much suffer-ing if they but knew of its value.
