

LOCAL AND PERSONAL

Friday S. L. Shedd and wife went over to the coast with the expectation of remaining a couple of months

Miss Ruby Lewis, of Portland, is at the home of Mr. and Mrs. Lee Henkle and will visit for an indefinite period.

Mrs. E. W. Strong returned home a few days ago, from Beaverton, where she visited a week with her mother and friends.

Last Thursday Wm. McCollum arrived from Athens, Eastern Oregon, for a couple of week's visit. He is the son-in-law of Mr. and Mrs. Lee Henkle.

The session of county court last week was not an important one as there was little else for the court to attend to aside from the regular monthly grist of bills to be audited.

Joseph Yates brought to this office a few days ago some samples of wheat heads grown this year on his Linn County farm and that of one of his neighbors. The wheat was fine and is said to have been about an average.

The adjourned term of circuit court held in this city last week lasted only one day, and during this time there were four confirmation sales, one mortgage foreclosure, and one divorce ordered, made and granted. One petition for divorce was not granted.

On July 4th, Albert and Delbert Strong took about 40 friends for a cruise in their father's gasoline launch. They went some distance down the river in the evening and lunched. On the way upstream, toward home, they had a great time shooting sky rockets and Roman candles.

A. J. Metzger expects the arrival of two sisters from St. Paul, Minn., within a few days. The ladies were expected to depart on their western trip yesterday. It is five years since Mr. Metzger saw them and it is his firm belief that one of the Oregon wood post cards advertising the Fair is what started them west.

The warm days of the past week have driven many people to the coast. Speaking of the coast reminds us of a rumor that is abroad to the effect that there is disagreement in Newport over Sunday closing. According to report it is proposed to prohibit fishing on Sunday. This hardly seems reasonable and we presume it is a canard.

Friday, Frank Seits came out from his home at Five Rivers, and brought with him Mrs. E. P. Grefoz and children, who had been over there for a week or two. Mr. Seits says that everything is moving along nicely in his section and every available man is busy making hay on his farm. Mr. Seits, being subpoenaed as a juror during the term of court which convened yesterday for Lincoln county, sent another party back to Five Rivers with his team, while he took the train for Toledo.

Sheriff Ross was out from Toledo after Mr. and Mrs. F. W. Green, who have been held on charge of the murder of E. G. Sharratt at Lutjens, Lincoln county, last winter. Mrs. Green has been confined at Albany and her husband in this city ever since they had a hearing some months ago. Mr. Green, during the time he has been held here, has proved himself to be a model prisoner and has been given considerable license. The general idea prevailing here is that the grand jury will find "not a true bill."

During the fore part of last week, Allie McLaughlin, of Polk county, purchased the residence property of Abe Locke. The property lies in the north edge of the city and comprises five acres. The price paid was \$3,600. Mr. McLaughlin is reputed to be a wide-awake farmer, and grows hops extensively. He knows black land from white and is to be congratulated on his choice of a home. He comes to this city on account of the advantages offered in the way of schools, and will be welcomed by our people. Mr. and Mrs. Locke will soon move into what is known as the Isabella Hadley property, but which now belongs to them.

Gene Simpson, of this city, has had splendid success raising China pheasants this year and now has in his pens about 200 young birds. F. L. Miller and Grover Headrick called on Gene recently to overlook his flock and Mr. Headrick discovered that some of the birds were "off color." This led to an investigation that resulted in a disagreement, Mr. Headrick declaring the "off color" birds to be young grouse, Mr. Miller that they were hybrids—half China and half grouse—while Gene maintains that they are all China and nothing else. These fanciers disagreed so strongly, that the cigars are now hanging on the balance. The little fellows will soon be in feather sufficient to settle the question and somebody will smoke.

P. A. Kline arrived home, Saturday, from a trip to Portland.

S. L. Kline is having extensive repairs made to his warehouses on River street.

Miss Nellie Hogue came over from Albany last Friday for a brief visit with friends.

At 3 o'clock last Saturday afternoon the thermometer registered 100 in the shade in this city.

Misses Hortense and Adelaide Grefoz arrived in this city last Friday evening from Portland for a visit of indefinite duration.

Misses Annie and Maggie Peterson arrived home from Portland, Sunday evening, after a visit of several days at the Exposition.

The excursion to the coast, Sunday, was well attended. The heat of Saturday, put everybody in the mood for a trip to the seashore.

Mr. Leonard, who recently purchased the Robt. Bowman place in Wells & McElroy's Addition, is making considerable improvements on the residence.

Is Jacobs arrived home from Portland last Friday evening and visited relatives and friends until yesterday morning, when he returned to the metropolis.

County Commissioner W. A. Jolly, accompanied by his wife and daughter, went to Portland, Saturday, to spend a few days or a week visiting the Exposition.

Miss Winnie Michael intended going to Portland yesterday. She has two sisters employed in the metropolis and entertains hopes of securing employment with one of her sisters, that is, in the same establishment.

Mart Spangler and wife went to the coast yesterday to spend a week or such a matter by old ocean's shore. Mrs. J. A. Spangler and Miss Lulu Spangler, mother and sister of Mart, intended going with them.

Russel Jeffreys, son of Mr. and Mrs. S. T. Jeffreys, formerly of this city, arrived here from Nome, Alaska, a couple of days ago and will spend a couple of months visiting relatives and friends. His parents are still at Nome.

Charlie Heckart is just putting the finishing touches on a very fine residence erected by Dr. Pernot just north of where the Dr. resides. We are informed that the new building is to be occupied by Rev. and Mrs. E. F. Green.

W. D. Wetmore, director of OAC's cadet band during the past school year, arrived in Corvallis, Sunday, for a brief sojourn. He was considering the matter of going to Newport to play in Will Fechter's orchestra during the season.

Dr. Burgess is to occupy the cottage recently erected by Sidney Trash. The dwelling just south of the Christian church belongs to Mr. Trash and it is his intention to move it back from the street a little and make considerable improvements on it.

Roy Raber arrived home, Sunday, from Portland. He was down there for some time in the interest of Benton county in relation to her exhibit at the Exposition. Steps are now being taken to remodel and enlarge the exhibit and place it on a footing that cannot fail to be a credit to the county.

Last Friday evening Mr. and Mrs. Joseph Greenberg and sons arrived in this city from San Francisco. They are guests at the Jacob's home. Mr. Greenberg will remain a week or such a matter and will then return to San Francisco, but his wife and sons will spend the summer here.

Miss Laura A. Warner, of whom there was a very good half-tone and splendid mention as a composer and pianist in Sunday's Oregonian, is a pupil of Prof. Goodnough, of Corvallis. During the entire school year just passed she studied with Prof. Goodnough and intends continuing her course with him.

W. T. Nichols arrived from Portland, Saturday, and went on out to Jesse Porter's farm, some ten miles south of this city. During the past winter and until recently Mr. Nichols has been playing cornet in Portland and with a road company. He reports the metropolis overcrowded with musicians. It is possible that he may accept an engagement in the near future as bandmaster at Wasco.

Various members of the water commission met in informal session last Saturday evening to discuss matters relative to what steps are wisest to take at present. There was nothing official about the meeting. It was simply a discussion of ways and means, so to speak, and we are informed that those present were unanimously in favor of proceeding very cautiously in the matter and thoroughly investigating every step before making a move.

OREGONIANS WIN OUT.

O. A. C. Takes Several Firsts—Multnomah 91, Seattle 39.

On account of OAC athletes being given prominence in the sports at the Exposition last week it is a matter of great interest to people of this town. Our boys entered the various contests under Multnomah's colors. The result of Friday's contests were very satisfactory from our point of view. In the 440-dash Williams was first with Greenhaw a close second. Both are OAC sprinters. Smithson was not in good condition and Williams took the 100-yard dash. The following reports have been given out.

Multnomah leads in the N. P. A. championship games, the first seven events of which took place on the Exposition stadium yesterday afternoon. Athletes from all parts of the Northwest competed for points, and at the close of the day the representatives of the Multnomah Club had piled up 39 tallies against 23 for Seattle and 1 for the Brockton Point Athletic Club.

Interesting features of yesterday's meet was the broad jump and the 56-pound weight. The latter event was not included in collegiate meets, and hence has not been seen on local fields for some time. McDonald of Seattle broke the Northwest record by tossing the weight out 27 feet 9 1/2 inches.

The 440-yard dash was run in the remarkably quick time of 50 3-5. Williams and Greenhaw making a very close finish at the taps. The hundred was not run as fast as expected, due to the fact that Smithson, who makes the distance in 10 flat, had a sprained tendon, and could not do himself justice. His running mate Williams took first at 10 2-5.

The weather was ideal, and the track in good condition. The remaining eight events will be pulled off this afternoon on the stadium, commencing at 3 o'clock.

Following is the summary of yesterday's events:

100-yard dash—Williams, M. A. C., first; Smithson, M. A. C., second; Moores, M. A. C., third. Time, 0:10 2-5.

16-pound shot-put—McDonald, S. A. C., 40 feet, 10 1/2 inches, first; Hugg, M. A. C., 40 feet 6 1/2 inches, second; James, M. A. C., 39 feet 5 inches, third.

440-yard dash—Williams, M. A. C., first; Greenhaw, M. A. C., second; Hutton, S. A. C., Time, 0:50 3-5.

Broad jump, Frissell, M. A. C., 22 feet 5 1/2 inches, first; Grant, S. A. C., 19 feet 10 inches, second; Frohman, M. A. C., 19 feet 10 inches, third.

One mile run—Harris, S. A. C., first; Gates, M. A. C., second; Coyle, S. A. C., third. Time, 4:47 3-5.

56-pound weight—McDonald, S. A. C., 27 feet 9 1/2 inches, first; Johnson, M. A. C., 25 feet 10 inches, second; Hartney, B. P. A., 24 feet 11 inches, third.

220-yard hurdles—Frissell, M. A. C., first; Dowd, S. A. C., second; Moores, M. A. C., third. Time 0:27 3-5.

Multnomah had everything her own way in the second day's contest in the N. P. A. championship meet on the Lewis and Clark Exposition stadium yesterday afternoon, and piled up a big score against her opponents, the final reckoning of points, being as follows: Multnomah 91, Seattle Athletic Club 39 and Brockton Point Athletic Club 1.

Eight events were scheduled yesterday while seven were finished the day before. At the close of the games on Friday the score stood 39 to 23 in favor of the local athletes, the rest of the points being made in yesterday's events.

Features of the day were several, Gilbert's pole vaulting attracting no little attention. He has jumped for Yale during the past spring and did 11 feet even yesterday, though shortly afterwards he made 11 feet 4 inches on exhibition.

Kuykendal made the high hurdles in fine style, leading his opponents by good distance and finishing in 16 3-5 seconds. Moores, who was Multnomah's other representative in this race, fell over one of the first hurdles, and spoiled his chances, which were very good.

The high jump went to Bert Kerrigan, of Multnomah, at 5 feet 11 1/2 inches, with Grant, of Seattle, a close second. The discus-throw was a close event, with James, of Multnomah, in the lead, with 109 feet 6 inches, with Hugg, of Multnomah, second with 108 feet 5 inches. Gardner, of Seattle, nearly tied for third place with 108 feet even.

The relay race was the prettiest event of the day, and went to the local men in the good time of 3:35 4-5.

The summary follows: 220-yard dash—First Williams, M. A. C.; second, Hutton, S. A. C.; third, Frissell, M. A. C. Time, 7:23 flat.

Running high jump—First, H. W. Kerrigan, M. A. C.; second, Grant, S. A. C.; third, O. Kerrigan, M. A. C. Height, 5 feet 11 1/2 inches.

120-yard high hurdles—First, Kuykendal, M. A. C.; second, Dowd, S. A. C.; third, Brackett, S. A. C. Time, 0:16 3-5.

Discus-throw—First, James, M. A. C., 109 feet 6 inches; second, Hugg, M. A. C., 108 5 inches; third, Gardner, S. A. C., 108 feet even.

880-yard run—First, Greenhaw, M. A. C.; second, Harris, S. A. C.; third, Hanson, M. A. C. Time, 2:01 1-5.

Pole vault—First, Gilbert, M. A. C., 11 feet; second, H. W. Kerrigan, M. A. C., 10 feet 6 inches; third, Dohm, S. A. C., 10 feet.

Hammer-throw—First, Johnson, M. A. C., 132 feet 9 1/2; second, Baker, M. A. C., 131 feet 9 inches; third, McDonald, S. A. C., 128 8 1/2 inches.

Relay race—First, Greenhaw, Moores, Frissell and Williams, M. A. C.; second, Hutton, Dowd, Coyle, Brackett, S. A. C.; third, Hartney, Astle, Murray, and White, B. P. A. C. Time, 3:35 4-5.

Mr. Johnson was in McMinnville at the time attending his duties as government bank inspector and a telegram was sent him in the evening. He was enabled to catch a train at Whiteson for Dallas; from which place he went on a motor to Independence. Here he had arranged by telegraph for a team to be in readiness on his arrival, and he was driven to this city, reaching home between 1 and 2 o'clock Sunday morning. He found his wife much better and she has continued to improve steadily since and yesterday was almost in her usual good health.
