Our Show.

Mr. C. G. Hinds, who was to judge the coming poultry show at Corvallis is employed in the office of superintendent of mails in the San Francisco post office.

His application for leave of absence to make the trip to Oregon was returned "disapproved," due mainly to the rush of work by the approaching holidays.

This fact was communicated to the Corvallis Poultry Association who immediately secured the services of Elmer Dixon, of Oregon City, an Oregon man, and in every way as fully competent to judge the show as the gentleman from California.

Mr. Dixon is the best known judge in the Northwest, and besides the Corvallis show he will officiate at the following shows the coming season: Alameda, Calif.; Albany, Oregon; Tacoma, Wash.; Victoria and Vancouver, B. C.

Mr. Dixon was also the superintendent of the Lewis and Clark poultry show.

The Silver Cups to be awarded at the show have arrived and can be seen in the show windows of the jewelry stores of Mr. Pratt and Mr. Metzger and will be awarded as follows: Ten highest scoring birds in the Show; Best pen in the Show, in competition, (to be awarded by the Judge.) Best collection of Buff Orpingtons; Best exhibits of Barred Rocks.

Corvallis has the distinction of opening the poultry show season each year, our show being the first of the fall fairs on the coast. Judge Dixon will proceed directly from Corvallis to Alameda to judge that show, which immediately follows Corvallis.

Every bird will be in the show room when the doors open Thanksgiving morning and every one should encourage the enterprise by their presence. The admission will be 25 cents.
