Monday Morning December 4th

we will begin a big stock reducing sale on a scale never before attempted in Corvallis. This will be a sale "that's different." In these days of exaggerated advertising and misrepresentation it will be interesting to know that this is no "hot air" affair, intended to draw the people into the store to sell them "something else." Hot air can take a balloon up a long ways, but it can't keep it there. Contrary to the so-called "bargain sales," we wish to sell every article we advertise.

We anticipate making some important changes in our store January 1st, and have inaugurated this sale to **REDUCE OUR STOCK AND INCREASE OUR CASH.** For cash only **EVERY ARTICLE IN THE STORE** (excepting groceries) will be reduced in price, in some instances to less than half the regular price. Read every article on this page carefully. You will find interesting bargains
