This eccentric governor has undertaken to reform the tariff and yet pose as a republican. The tariff rates and schedules are on republican principles pure and simple and is very acceptable to republicans. of republicans and is good enough for them; they will stand by it; they believe in it just as it is, and the efforts of Governor Cummins will but make them stick the closer.

If the governor expects to secure a following he will have to declare himself other than a republican. On the lines suggested by this gentleman he would do well to look to the democrats, and if he would be very successful we suggest that he become one of that party. Reformed in · the sense that Cummins and others of his way of thinking want it reformed it will not be until the country at large declares against protection and the principles thereof.

#### MAKES WEAK WOMEN STRONG AND SICK WOMEN WELL.

Forty years ago, Dr. Pierce searched Nature's laboratory for a remedy with which to supplant the ignorant and vicious methods of treatment, with alcoholic stimulants, then in vogue, and still too commonly prescribed and advised for woman's peculiar aliments.

Nature abounds with most efficient remedies, and in Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root and Golden Seal root, Dr. Pierce found medicinal properties, which when extracted and preserved by the use of chemically pure glycerine, have proven most potent in making weak women strong and sick women well. It contains no alcohol; is not a "patent medicine," nor a secret one either.

"I was suffering with nervous headache, pains in the back and dizziness, so that at times I had to lie down for hours before I could raise my head," writes Mrs. Mary M. Thomas, of 337 Winston Street, Los Angeles, Cal. "After taking the first bottle of Focurity Prescription," however, I was so pleased with the results that I kept on taking it until I was restored to health and strength. I shall never be without this great medicine, and shall take a few doses when I do not feel strong."

One of the principal uses of Dr. Pierce's Favorite Prescription is the preparation of prospective mothers for the time of trial and danger that comes when a child is born. The "Prescription is strengthening and Invigorating and lessens pain and danger. It insures the perfect well-being and the perfect health of both mother and child. Every woman should know these things before she really needs to know them. There are many things in Dr. Pierce's Common Sense Medical Adviser, that every woman ought to know. This celebrated work reached a sale of 630,000 copies at \$1.50 each. The expense of production having thus been covered it is now being given away. A copy will be sent to any address on receipt of 21 one-cent stamps to cover cost of mailing only, or, in cloth binding for 31 stamps only, or, in cloth binding for 31 stamps. Address Dr. R. V.
