

Annual Mid-Summer Sale

J. M. NOLAN & SON

Our Great Mid-Summer Sale Will Begin on Saturday, July 7, and Continue 30 Days

A sale which hundreds have taken advantage of in the past, and which gives promise of being greater this month than ever, as assortments are larger and prices even lower. The unmatched values of all our past Bargain Sales have made them of widespread interest; but in this month's offerings we have gathered the most Seasonable Merchandise, and have made prices that will more firmly and more substantially fasten this store in the minds of the buying public as the place where now, and at all other times as well, their needs can be most readily and most satisfactorily supplied.

Here are only a few of the sterling bargains offered for the sale. We believe that you will quickly see that we have taken special pains to offer exceptionally attractive values in the best goods, honestly reduced in price.
