The Gazette reporter's hearty thanks are due Mr. and Mrs. John Kiger and Mrs. Mierwa Kiger for a sample lot of their excellent peaches, grown on Kiger Island. Such surprises are few and far between, along this tiresome journey that we call life, and this unusually delicious treat is therefore thoroughly appreciated.

A letter Tuesday from Miles Starr, Jr., who is now sewing sacks at \$3 per day with a combined thrasher outfit in Sherman county, says: "Crops here are nearly burned up and most farmers are cutting their crops for hay. Grain is averaging about five sacks per acre, and sack sewing is a snap, as one sows about 150 per day. The wind today is blowing at the rate of 40 miles an hour."

A couple that attracted considerable attention on Corvallis streets, Tuesday, was a Chinaman and his wife, both of whom were unusually stylish for people of their race. The lady wore her hair in American fashion, and her clothes were patterned after those of her white sisters. A Corvallis lady was heard to express a wish that the pair would locate in Corvallis, that one might learn more of the customs of the Chinese people.

Many loads of dirt that have been taken out at the A. J. Johnson corner, where excavating is in progress, have been used to a splendid advantage in filling in the vacant lot immediately south of Willis Vidito's home. This lot has always been so low that water stood upon it in pools a good part of the winter, whereas by the use of this dirt it is made slightly and useful as a building lot. Considerable dirt has also been taken to the A. J. Johnson home, where it will be used in building a fine terrace along the front of his property.

Eminent Doctors Praise Its Ingredients.

We refer to that boon to weak nervons, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn Root (Helleborus Dioica) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorant... It continues to give us a medication which more fully answers the above purpose than any other drug with which I am acquainted... Dr. Fyfe further says: 'The following are among the leading indications for Helleborus (Unicorn root): Pain or aching in the back, with leucorrhoea; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women, constant sensation of heat in the region of the kidneys; menorrhagia (bleeding), due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods), arising from or accompanying an abnormal condition of the digestive organs and gastric (stomach) habit; dragging sensations in the extreme lower part of the abdomen.'"

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helleborus, and the medical properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb, in all catarrhal conditions, and general enfeeblement, it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine to me about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states."

Prof. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal:

"Valuable in uterine hemorrhage, menorrhagia (bleeding) and excessive dysmenorrhoea (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.
