STEPMOTHERS.

The masses of mankind are likely to think of the stepmother as a fiery, pepper and acid sort Great Future for Oregon in Min. o a proposition. In some instances this is true just as it may be true of the real mother. Not long ago Vice-Chancellor Pitney, of New Jersey, referring to the matter of stepmothers said: "I never knew of a step- in southern Oregon. He says: mother who was a good mother. record, but I know of none, and I have had some experience."

Alas! for the boasted experbe found who will agree that his experience has been very extensive; in fact, it must have been very limited, else he would not have made such a pitiable nothing remaining worth looking display of ignorance. One has after, but this is a mistake. not far to look among their ac- Even placer mining has not yet quaintances to find a stepmother reached the exhausted condition, who is as true a mother in every while the working of ore-bearing sense as the real mother could rock may be regarded as just in have hoped to be. As a general thing the normal woman possesses all the maternal instinct that is necessary for the welfare of the child. She is not likely to forth to gather the free gold dedelude herself and spoil the child pondering over the impenechildren are so much better than capital and labor so expended has \$1000. other people's children, they brought gratifying returns. don't die young?

There are many failures in the role of stepmothers, but there would in all probability be just as great failures had they offspring of their very own. If with an impartial eye. The stepmother, an the other hand, may possess a sufficiency of the maternal affection to insure the welfare of the child and yet not things else, has depended too However, stick to your mother ly the time has now come when for her love will never fail you. Oregon capital, knowledge and The next best thing is a good enterprise should lay hold of her stepmother, and her love is magnificent mineral resources and worthy a warm return.

ONE BY ONE.

Woe betide a guilty man whom Francis J. Heney undertakes to bring to justice. Men may say what they will about progress: the ability of Mr. Heney as a and garden, range and dairy, public prosecutor, but the fact farm and factory, store and forest, remains that in the matter of Oregon has opened an exposition the Oregon land fraud cases he that shows to the world the verhas proved himself a wonder.

into history and each developes sources. To those who live here some new trait of resourceful- and to an extent know something ness on the part of the public prosecutor. Few men have veloped wealth, the state fair this prosecutor. Few men have proved themselves so able to reothers it is a revelation member facts, figures, dates and places. FACTS IN NATURE.

Not Only Do We Get Inspiration Fre Nature, But Health as Well.

For people who are run-down and nerv-For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants agents are to be found in forest plants and roots. Nearly forty years ago, Dr. R.V. Pierce.

now consulting physician to the Invalida Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain modelnal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder encient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering ailments. This concentrated extract of Nature's vitality he named "Gellen Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digastion and assimilation of feather. digestion and assimilation of food while feeds the blood. Thereby it cures went

stomach, indigestion, torpid liver, or billousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily an or pain in side, oack gives out easily and aches, belching of gas, constration, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and received will correct more speedily and permanently than any other known agent. Contains no sicolool or habit-forming dress. All its ingredients printed in plain Lag

lish on wrapper. The sole motive for substitution is to permit the dealer to make a little mero prout. He gains; you lose. Accept no sub-stitute for "Golden Medical Discovery."
