NO WAR DANGER.

Quite often the assertion is made that the United States may at almost any moment find herself at war. There seems nothing in sight at present to warrant such an assertion.

Despite intense commercial competition with other nations there are no forboding shadows anywhere; there is not the slightest sign that indicates a rupture leading possibly to war; nothing darkens the peace outlook.

There seems to be a mania peculiar unto murderers, a mania to be adjudged insane just as soon as their necks are about to stretch for the penalty of their crime.

HIS FUNERAL.

Held Friday—Abram Underhill of Benton.

Abram Underhill who had been ailing for a long time, well known resident of the southern part of Benton county, is no more. He died Wednesday at the home of his daughter, Mrs. Emma Hulbert, near Oakville, and the funeral occurred from Oakville chapel at 11 a. m., Friday, the services being conducted by Rev. C. T. Hurd, pastor of the United Evangelical church of Corvallis.

Deceased was born in Cambridge, Vermont, May 29, 1825, and was at the time of his death aged 81 years, three months and twenty-eight days. At the age of 13 he moved with his parents to Whiteside county, Illinois.

In 1865 Mr. Underhill and family moved to Brooklyn, Iowa, and in 1875 they came to Oregon, settling near Albany where they resided for two years. They then moved to Summit, remaining there until 1886 when Philomath was chosen as a home, and here Mr. Underhill lived until two years ago when Mrs. Underhill died and he went to make his home with his children.

The survivors are Horace Underhill of Summit; Mrs. Emma Hulbert, Albany; Mrs. Annie McFarland, Summit, and Mrs. Jennie Bogue, Gold Hill.

In the passing of Abram Underhill the community loses a good citizen and the neighborhood a kind friend and neighbor, and he will be missed by many.

A Wonderful Record.

As made up by improved and exact processes, Dr. Pierce's Favorite Prescription is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. It cures the backache, protracted headaches, the dragging-down distress in the pelvic region, the pain and tenderness over lower abdominal region, dries up the pelvic catarrhal drain, so discharges and weakens, and overcomes every form of weakness incident to the organs distinctly feminine.

"Favorite Prescription" is the only medicine for women, sold through druggists, which does not contain large percentages of alcohol, so harmful in the long run, especially to delicate women. It has more genuine cures to its credit than all other medicines for women combined, having saved thousands of sufferers from the operating table and the surgeon's knife. It has restored delicate, weak women to strong and vigorous health and vitality, making motherhood possible, where there was barrenness before, thereby brightening and making happy many thousands of homes by the advent of little ones to strengthen the marital bonds and add sunshine where gloom and despondency had reigned before.

Write to Dr. R. V. Pierce, He will send you good, fatherly, professional advice in a plain, sealed envelope, absolutely free. Address him at Buffalo, N. Y. Dr. Pierce's Pleasant Pellets do not gripe. They effectually cleanse the system of accumulated impurities. The People's Common Sense Medical Adviser, by Dr. Pierce, 1008 pages, is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for a cloth-bound volume. Address as above.
