DISBARMENT PROCEEDINGS.

Like panics in money matters, moral waves sweep over the country about ever so often. Just now one of these waves is dashing over Oregon. It is all right that the wave should roll our direction—the pity is that in time it shall recede, as in all probability it will.

The grievance committee of the Oregon Bar Association has decided to carry his case to the State Supreme Court with the desire that he be debarred from the practice of law. Tanner is charged with having committed perjury before the Federal Grand Jury during the investigation of the case in which the late Senator Mitchell was convicted.

Prosecutor Frank S. Grant is the attorney who is vigorously forcing the disbarment proceedings against Judge Tanner. Attorney Grant declares that he shall do his utmost to disbar all attorneys who have discredited themselves in any way through any connection they may have had with the Oregon land fraud cases.

Judge Tanner offers three dominant reasons why there should be no action against him before the State Supreme Court. First, he claims the perjury to have been committed outside his duties and actions as an attorney.

Read the above three grounds carefully and discover that in none of them is there a denial that he perjured himself. He says in the second instance that his plea of guilty of the crime of perjury was not equivalent to conviction.

His third ground for immunity from disbarment proceedings is based upon the fact that President Roosevelt pardoned him for his perjury. It hardly seems fitting that because President Roosevelt saw fit to pardon Judge Tanner and excuse him for committing perjury that he should consider himself entitled to a place among honorable jurists.

At the bride's home near Bellefontaine, at high noon, Sunday, Miss Rose Hull was united in marriage to Ivan Hawley, Rev. M. M. Watz officiating. The ceremony was witnessed by about 25 relatives and intimate friends, and after congratulations a delicious wedding dinner was served.

Dr. Pierce's Favorite Prescription.

Is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, and it shall be certain as to their harmless character, but is a medicine of known composition, a full list of all its ingredients being printed in plain English on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure, and contains the place of the commonly used alcohol, in its make-up. The "Favorite Prescription" of Dr. Pierce is in fact the only medicine put up for the cure of woman's peculiar weaknesses and ailments, sold through druggists, that does not contain alcohol and that too in large quantities. Furthermore, it is the only medicine for woman's special diseases, the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which "Favorite Prescription" is recommended.

A little book of some of these endorsements will be sent to any address, post-paid, and absolutely free if you request same by postal card or letter, of Dr. R. V. Pierce, Buffalo, N. Y.

Don't forget that Dr. Pierce's Favorite Prescription, for woman's weaknesses and ailments, is not a patent or secret medicine, being the "Favorite Prescription" of a regularly educated and graduated physician, engaged in the practice of his chosen specialty—that of diseases of women—that its ingredients are printed in plain English on every bottle wrapper; that it is the only medicine especially designed for the cure of woman's diseases that contains no alcohol, and the only one that has a professional endorsement worth more than all the so-called "testimonials" ever published for other medicinal preparations. Send for these endorsements at once. They are free for the asking.

If you suffer from periodical headache, backache, dizziness, pain or dragging down sensation low down in the abdomen, weak back, have disagreeable and weakening catarrhal, pelvic drain, or are in distress from being long on your feet, then you may be sure of benefit from taking Dr. Pierce's Favorite Prescription.
