FORWARD NOT BACKWARD.

A thorough workman finishes what he has in hand before he leaves it, and then is done with it forever. It is true that the greatest artists sometimes keep work by them for many years, touching it from time to time, because the work of art sometimes grows in the thought of the artist after it has been begun, and the enlarged vision which comes from the mere exercise of the hand compels a larger treatment.

With action, however, this is impossible. When a deed is done, it has gone beyond the power of the doer just as the picture which has been moved from the studio and gone to the home of the purchaser no longer belongs to the artist.

Strength of character is evidenced, among other things, by the completeness with which a man detaches himself from his deed when he has finished it, or his decision when he has reached it. This does not mean that he separates himself from its consequences—that is beyond his powers; but it does mean that he ceases to go over the ground which he has traveled, to ask questions which have perplexed him, to brood over the problem that has preceded his action.

When a deed is done, he leaves it behind him; he is not continually going back to question whether he could have done otherwise—whether his action was wise or otherwise. He recognizes the fact that whatever its character may have been, it has passed beyond his control, and he has now to confront the new question, to make the present decision.

Nothing is so extremely useless as this habit of constantly re-opening old decisions to which some people are given. It takes from the present strength which is needed for the new question, and wastes it upon things that are already settled beyond the possibility of being re-opened. It is well to reflect on what we have done yesterday, and to get from it new wisdom for tomorrow; but it is useless to spend today asking idle questions about the decisions of yesterday.

HORTICULTURAL MEETING.

Biggest Event of the Kind Ever Held in Oregon.

The state Horticultural Society will meet in Portland, Jan. 8-10. Two days for discussion. The morning of the 10th is to be a demonstration of power spraying apparatus.

Three gasoline outfits have expressed a willingness to enter, and one compressed gas outfit will be in service. This demonstration will be a valuable feature of the meeting and well worth any orchardist's time.

The fifteen splendid cups to be offered as prizes for the best exhibit of apples, pears, prunes and nuts, will draw a big display of the best fruit. As most of the cups are given for fruit in commercial packages, the exhibit will be an educational factor of no small moment.

Particulars as to competition and exhibits may be had of the secretary. Entries must be made by 12 m., Jan. 8. Only members of the society may compete for cups or awards but any one may become a member by sending his name and address and one dollar to E. R. Lusk, secretary, Corvallis.

A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with over work. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active. Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It restores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from poisonous accumulations, and so relieves the liver of the burdens imposed upon it by the deflection of other organs.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, despondent, frequent headaches, pain or distress in "small of back," crawling or distressed feeling in stomach, perhaps nausea, "rising" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly or cure you more permanently than Dr. Pierce's Golden Medical Discovery. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or biliousness and weak stomach. Avoid all hot breads and biscuits, griddle cakes and other indigestible food and take the "Golden Medical Discovery" regularly and stick to its use until you are vigorous and strong.

The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle wrapper and attested under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised. Don't accept a substitute of unknown composition for this non-secret medicine of known composition.

Always Was Sick.

When a man says he always was sick—troubled with a cough that lasted all winter—what would you think if he should say—he never was sick since using Ballard's Horehound Syrup. Such a man exists: Mr. J. C. Clark of Denver, Colorado, writes: "For some years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me." Sold by Graham & Wortham.

Be Charitable.

To your horse as well as to yourself, you need not suffer from pains of any sort—your horses need not suffer. Try a bottle of Ballard's Snow Liniment. It cures all pains. J. M. Roberts, Bakersfield, Mo., writes: "I have used your Liniment for ten years and find it to be the best I have ever used for man or beast." Sold by Graham & Wortham.

Why Not Use Electric Lights?

Stop scratching matches on your wall. Those streaky match scratches look mighty bad on any wall. But as long as you continue to use gas or oil you've got to use matches.

The "matchless light" is the electric light,—a simple twist of the wrist does it. We are improving and perfecting our lighting service in this city and can give better service for less money than ever in the history of the city.

The cost of wiring has been reduced until it is within reach of all.

If you would like to know more about it, call on us in our new office opposite the O. J. Blackledge furniture store or phone us, Ind. Phone 469.
