Children in Pain

Never cry as do children who are suffering from hunger. Such is the cause of all babies who cry and are treated for sickness, when they really are suffering from hunger. This is caused from their food not being assimilated but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Give it a trial. Sold by Graham & Wortham.

The Gazette for Job Work.

NEW MAN AT OAC.

Will Fill Position Created at Last Board Meeting.

Prof. H. D. Scudder of the Kansas Agricultural College has been elected Professor of Agronomy at the Oregon Agricultural College. This is a new position created by the Board of Regents at their annual meeting in July in pursuance of the plan to strengthen the agricultural work of the institution.

Mr. Scudder is a young man of twenty-six years, having spent his boyhood in Illinois where he received his public school and college education. He graduated from the Illinois College of Agriculture, which is one of the strong institutions of the country in work in Agronomy. In his college work Prof. Scudder had special training in soils, mechanics and crop production, including soil physics, fertilizers and rotations, drainage and irrigation, field and power machinery, road-making, seeds and crops.

He spent two years in the employ of the United States Department of Agriculture, engaged in scientific investigations along botanical lines. This work took him into nearly every agricultural region of the United States, particularly in the West. Eight months of this time he spent in California, where he made a special study of the water supply, irrigation methods and fruit growing industries, and the alkali soil question.

During the past year he has been employed at the Kansas Agricultural College, one of the most successful institutions of the kind in the United States, and was re-elected for next year at an increase in salary. During the year he had over four hundred different students in his classes, from freshman to senior, and taught particularly the advanced work in cereals, forage crops and grasses, and all the grain-judging work. Last fall he had charge of the grain-judging team which represented the Kansas Agricultural College at the International Exposition at Chicago.

Prof. Scudder has done considerable farmers' institute work in both Illinois and Kansas.

He has charge of the co-operative experiments of the Kansas station, the special experiments in corn breeding and the work in wheat breeding, and has been offered the position of assistant director to Dr. Burkett of that station.

Vice-President Burrill of the University of Illinois speaks of him as "a young man of immense energy, ready ability and excellent character. He made his own way through college here, paying his own expenses by various kinds of employment, chiefly in the science laboratories."

Hungry for Information.

People all over the state are hungry for more details of the colonist rates. Letters are arriving from all sections of the state, asking for exact rates from different points throughout the United States to Oregon.

From Kansas City and other Missouri River points, St. Paul, Duluth, and Winnipeg, the rate is \$25; from Oklahoma City and St. Louis, \$30; Chicago, \$33;

Buffalo, \$42.50; Cincinnati and Louisville, \$38; Des Moines, \$29; Indianapolis, \$35.85; Boston, \$49.90; New York, \$50; Pittsburgh, \$42; Memphis, \$37.50; Birmingham, Alabama, \$44.50. Each ticket is \$2.50 less when bought to points east of Umatilla.

The rates given above cover almost the entire country, and are the same proportionately from all smaller stations. Keep in mind that tickets must be bought reading to your station.

THEIR WEDDING.

Two OAC Students Join Fortunes - Espy-Phillips.

Miss Minnette E. Phillips, a popular Corvallis girl, was married at the home of her parents, Mr. and Mrs. J. T. Phillips in this city, Thursday evening, to T. Willard Espy of Berkeley, California.

The ring ceremony was performed at 9:30 p. m. by Rev. C. T. Hurd, in the presence of about 25 relatives and friends. The wedding march was played by Miss Juanita Rosendorf, Miss Etta Carter of Albany was bride's maid and Cecil Espy, brother of the groom, was best man. After congratulations there was a vocal solo, appropriate to the occasion, by Arthur Bouquet, after which a wedding luncheon was served.

The bride was graceful and attractive in a costume of white lawn down over white taffeta, and carried a bouquet of white sweet peas. The bridesmaid was prettily attired in pink and carried a bouquet of pink sweet peas. The house was lavishly decorated with flowers, pink and green being the prevailing colors, and during the ceremony the bridal party occupied positions under a large bell of white roses.

The bride is a young woman of high character and has a very wide circle of friends. She graduated from OAC in '06 and has since been engaged in teaching. The groom graduated from the same institution in '04 and is well and favorably known in this city. He is a mining engineer.

Mr. and Mrs. Espy departed Friday for Los Angeles. They will travel several weeks and are not certain just where they will make their home. They are followed by the good wishes of a host of friends.

A Good Trade.

Every boy, no matter how rich or how poor his ancestry, should learn thoroughly some good trade, so that if his circumstances become reversed at any time he could immediately do service at his trade and start again on a successful road to prosperity. The printing trade is not only artistic when completely learned, but it is also highly educational in every particular, and one of the best trades that anyone can learn, as opportunity for labor is ever ready each working day in the year.

There is one of the best opportunities in all the land for a young man of steady habits, good principles, well educated, having a will to work and excel, to learn the printing trade in the Gazette office. Proper explanation will be given on application. 671t

Mrs. Ruth Buchanan and Mrs. Fred Buchanan and two children are expected home this week from a two weeks' vacation at Waldport.

FOLEY'S KIDNEY CURE
Makes Kidneys and Bladder Right

DIED AT TOLEDO.

Mrs. Henry Howell—Funeral Held Saturday.

Mrs. Henry Howell, known to many in Corvallis, died at her home in Toledo, Thursday morning. Her husband is a well-known Corvallis boy, a graduate of OAC in '99, and the sympathy of many friends in this city is extended him in his hour of sorrow and bereavement. Friday's Lincoln Leader tells the story of Mrs. Howell's passing, as follows:

"Died, at her home in Toledo, Or., Thursday morning, August 15, 1907, Mrs. Ilona Esper Howell, wife of R. H. Howell, aged 29 years 10 months and 21 days.

The news of the unexpected death of Mrs. Howell has caused deepest sorrow among her many friends in Toledo and Lincoln county. She was a woman of irreproachable character and highly esteemed by all who enjoyed her friendship. She was a daughter of Mr. and Mrs. W. H. Harrison of Beaver Creek and a sister of Miss Adelia Harrison, a popular teacher in the Toledo schools. Other relatives reside at different points in Oregon and Washington.

In passing away Mrs. Howell left to her husband a tiny baby girl. The sympathy of the community is extended to the bereaved.

The funeral services will be held tomorrow morning at 10 o'clock at the Episcopal church. The Eastern Star, of which order deceased was a member, will conduct the burial services at Toledo cemetery."

Over The Embankment.

Mrs. A. C. White is suffering with a broken right arm, Mr. White has two or three fractured ribs and Miss Georgia White is bruised and lamed by an accident that befell the family as they were en route home from their outing at Yachats. It happened about 20 miles beyond the Alsea store and on a steep grade. As Mr. White came toward Corvallis he met J. H. Harris going in the opposite direction en route to the coast with his son for an outing. The grade was steep and too narrow for the teams to pass, seeing which Mr. White attempted to back his horses a few feet, where the road widened sufficiently to allow Mr. Harris to drive on. The bank caved off, however, and the White wagon turned over, throwing the three occupants to the ground, the results of the accident being as stated above.

Mr. White and family reached home Friday evening, Mrs. White receiving no medical attention for her broken arm until their arrival. The fracture is near the shoulder on the right arm and was badly swollen and very painful. She is now resting as comfortably as could be expected. It was a sorry ending to an otherwise pleasant outing.

Pointers From the League.

The Oregon Development League continues to gain new members. The last organization to enter the Oregon family group are the Des Chutes Valley development League, of Redmond, and the Woodburn Commercial Club.

Medford occupied the center of the stage last week with a fruit carnival and the annual meeting of the State Horticultural Society. The attendance was large.

Portland expects to entertain ten thousand visitors from different parts of the state on the occasion of the visit of Secretary Taft September 6th. A rate of a fare and a third from Roseburg and points north, and from Pendleton and points west, has been made for this occasion.

Mr. Albert Phenix, staff correspondent of the Manufacturers'

Record, of Baltimore, Maryland, spent last week in Oregon.

A. Bennett, of Irrigon, and Judge George T. Baldwin, of Kiamath Falls, Vice Presidents of the Oregon Development League, have agreed upon a special state badge, for all delegates to the National Irrigation Congress at Sacramento, Sep. 2-7. The word Oregon and the beaver are prominent features of the badge. The committee have instructed Tom Richardson, Secretary of the League, to receive seventy-five cents each from delegates desiring to wear this badge.

Wedded Thursday Evening.

The marriage of W. A. Buchanan to Mrs. Caroline Maxfield occurred at the home of the bride in the western part of Corvallis, Thursday evening at 8 o'clock.

The ceremony was preformed by Rev. C. T. Hurd in the presence of about 25 guests. Little Freda Cummings was flower girl. The bride was becomingly attired in a costume of cream panama. Several handsome presents were bestowed upon the happy couple.

After congratulations light refreshments were served and the evening spent in a social way. Both bride and groom are highly respected residents of this city, the groom having been county treasurer of Benton county for years. They will make their home in the western part of town, where both own property.

The good wishes and congratulations of many friends are extended.

Will be Great Event.

Viking ships with a Viking king and old-time warriors togged in the costume of a thousand years ago will arrive in Astoria from mysterious parts at the Regatta and County Fair to be held at Astoria, September 2, 3 and 4.

With a burst of old Norse songs, accompanied by the swish of oars, banked in solid rows, two ships of the old pagan days will glide into the harbor to greet thousands of people on barges and in a huge grandstand at the foot of Eleventh street.

The members of the Oregon State Editorial Association, hundreds of trained singers and two or three thousand visitors connected with the Norwegian Sangerfest of the Northwest, which holds a three-day celebration in co-operation with the regatta, will be present.

All the railroads and steamboats in the coast states will give special excursion rates to Astoria for the big six-day celebration, which will draw the largest crowds of any event ever held at the mouth of the Columbia.

Additional Local.

Persons renting hop yards are having considerable trouble in many cases to secure picking money. It will require 5 cents per pound to pick and dry the hops but in the present state of the market no one wants to loan that amount on the crop. The total cost of raising hops on a rented yard is about 10 cents per pound, and it looks at present as though the renter will not only lose his work for the past year, but he will also be out his living expenses. Thus far there have been a number of hop crops contracted for in this county and the contract price in nearly all cases is 10 cents per pound. In only one case has a higher price been offered when the contract price was fixed at 11 cents. It is not too late, however, for the market to take a change for the better.—Albany Herald.

Misses Francis Belknap and Carrie Buchanan are at Cascadia for their vacation outing.

The meat and bread of Oregon advertising is the colonist rates. The people of Oregon are not neglecting this opportunity and there will be thousands of people come to this state to find homes between September 1st and October 31st.

However, do your portion, and write another letter just as soon as you lay down this paper to some friend in the older states who should get advantage of the low one-way rates to Oregon.

Chi-Namel

Your old furniture and it will look like real Rosewood or Mahogany.

Chi-Namel your bathroom and the water will have no effect upon it.

Take up your old carpets and Chi-Namel the floors and they will look like Oak or Walnut.

Chi-Namel every room and ornament in the house and it will make them as good as new, and a joy forever.

Easily Applied. Quickly Dried.
