### CANNERY FOR CORVALLIS.

Now Assured—Canvass Completed—Site to be Purchased.

Corvallis will have a cannery. Corvallis citizens have subscribed the amount required to make the enterprise a certainty and work will begin just as soon as a site has been secured. Several locations are available, one of which is the site of the old electric light plant on River street.

This is an enterprise that has long been needed in this city and one for which the GAZETTE boosted over a year ago. While the people have been slow to see their own interests in the matter they are now thoroughly aroused and the establishment of such a plant is at last an assured fact.

Mr. Searles has been making the canvass for funds and Mr. John E. Stull of Spokane is the builder. Both are in this city at the present time looking after details of the business.

Up to noon yesterday \$8,500 had been subscribed and it was expected that a number of heavy shares would be taken yesterday afternoon and this morning. Corvallis and Benton county are to be congratulated on the success of this undertaking and the progressiveness of the people. And in a final word we would remind the public that the Corvallis Commercial Club has taken a very active part in working up an interest in this matter and this fact should not be ignored when the "credit marks" are counted.

### THEIR 53rd ANNIVERSARY.

Corvallis Couple Spend Many Happy Years Together—Married in Illinois.

Fifty-three years ago yesterday in Rockford, Illinois, a blushing bride and a manly groom stood before a minister of the gospel and promised to "honor and cherish" each other until death should part them. Fifty three years of sunshine and storm, pleasant sailing and rough rowing have come and gone and yesterday, in this city, this respected couple celebrated the anniversary of that important event.

The groom on that occasion was S. H. Horton; the bride, Miss Agnes C. Fertile. Mr. and Mrs. Horton came to Oregon 32 years ago and for 28 years have made their home in Benton county, the last six years residing in Corvallis.

They have nine children, nine grandchildren and one great grandchild. Two of their children, John and Alice, are former OAC students, both residing now near Monroe, the latter having changed her name to Mrs. Ambrose Houck. The three youngest boys are operating the Horton Lumber Company in Linn county and are prospering. The other children are Mrs. C. A. Gerhard of Corvallis; Mrs. Julia Young of Milton, Oregon; Mrs. M. F. Imbody, Spokane, and Mrs. Agnes Kelly who also resides in Washington.

Many friends wish for Mr. and Mrs. Horton many happy returns of their anniversary.

### ANOTHER NEW BOAT.

To Ply Willamette—J. F. Tyler Has Original Idea.

J. F. Tyler of the bicycle repair shop has the lumber on the ground at his home to build a towing launch or light freight boat of shallow draught, to ply on the Willamette, especially during the low water in the summer.

A 35 horse-power gas engine will furnish propelling force and the craft will have a speed of 18 miles an hour. It will be 140 feet long and 11 feet wide and will be used for towing logs, hauling freight and doing other light work of this nature.

It is the intention of Mr. Tyler to make arrangements if possible with the O. C. T. company to connect with their boats at Salem during the months when low water in the river prevents their boats from coming further up stream than the capital city.

This would fill a long felt need in river traffic and tend to make the Tyler boat not only a profitable enterprise for the builder but a benefit to Corvallis and this section in general.

Mr. Tyler expects to build the craft himself and already has considerable business in sight which convinces him that the project will be a success when launched.

### "Old Arkansaw" Tonight.

"Old Arkansaw," a pretty play filled with rollicking humorous characters not a dull moment in it will be the attraction at the opera house to-night. Old Arkansaw is an interesting story of life of love, of mystery and adventure among the odd class of moonshine mountaineers that inhabit the Arkansas hills, dealing with their customs, social characteristics and peculiarities. The scenery was painted from actual photographs, and every character is true to nature.

Everyone enjoys a hearty laugh nature requires it, the doctor prescribes it. It is worth a bowl of drugs. Good clean honest comedy pervades Old Arkansaw, adding much to the enjoyment of the production.

Reserved seats at Graham & Wortham's. Don't forget the date.—Friday February 21st.
