Mrs. H. E. Wetherla, Prop. NEXT TO POSTOFFICE

#### LOCAL AND PERSONAL

W. F. Hanna, an eastern man, but recently of Portland, has accepted a clerkship with E. W. S. Pratt, the jeweler.

Mr. Steele, of Polk county, has accepted the place made vacant at the store of Hollenberg & Son by the resignation of Mr Swann.

J. J. Howser, from Blaine, Oregon, has bought a five acre tract near the college grounds and will soon commence the erection of a nice, new residence.

Mr. and Mrs. M. M. Long are to leave tomorrow for a visit at Portland and Monmouth and will spend Thanksgiving at the latter place, the guests of Mrs. Long's parents.

In line with the general railroad development of the North-western country was the completion of the railroad from Elgin to Enterprise, which affords an easy market for the Wallowa Valley. The final terminus will be Joseph.

"Some husbands let their wives go about the house in mother-hubbards. They look like a feather bed with a string tied around it, and whenever they go out in the yard on a windy day they look like a balloon ascension."

Mr. and Mrs. William Kitztride returned Tuesday from Ashland, where they had been at the bedside of the former's mother, who has been dangerously ill at that place. She is gradually improving, however, and the news was gladly received in Corvallis, where the lady has many friends.

The South Bend, Ind., watch people are exhibiting in the show window at Pratt's Jewelry store, a watch encased in a solid chunk of ice, which is expected to keep perfect time under all extremes of either heat or cold. It will be tested for a week and seems to be knocking off the time in good shape.

Edwin H. Pratt packed his grip on Thursday and started to San Francisco, with a view of spreading business sails according to the dictates of his own conscience. Edwin is a bright, active young man, of good moral character, ever attentive to business and his many friends will be pleased to hear a good report from him.

The Oregon State Dairy Association has been recognized by the Agricultural Department at Washington, D. C., and assurance is given that Government experts will participate in the convention on December 10th, and 11th at Salem. A rate of a fare and a third for the round trip has been made from all points in the state.

### Miss M. Christensen

Artistic Millinery

Corner Third and Monroe, Corvallis, Oregon

Is Here to Stay

Contrary to the report circulated, I have neither moved or bought but will remain in my present quarters Corner Third and Monroe Streets. I cordially invite you to inspect my stock of Fine Millinery. MISS M. CHRISTENSEN.

J. H. Wilson went to Portland on Tuesday to look after business matters.

We would quietly drop a gentle hint to the gentleman who looks after the public roads in Benton county to carefully guard that pale black full-blooded pup that followed him home from Monroe on Wednesday. Dr. Bennett seems to think he knows something about the pup hence it may be wise to see that the dog is well cared for.

The petition circulated and signed by almost every student at OAC, asking that the Thanksgiving vacation begin tomorrow and continue until the 30th, has been granted, and the students will leave today and tomorrow for their homes throughout the state. A large number of these young people reside in Portland and will attend the OAC-Oregon football game in that city tomorrow afternoon, remaining in Portland until after the Thanksgiving holidays.

The members of the K. L. C. E. of the Evangelical church held their regular monthly business meeting and elected officers on Tuesday evening at the home of Mr. and Mrs. George Leeper. The following officers were elected: President, Ralph Caves; vice president, Rose Adams; secretary, Walter Wood; treasurer, Winona Woodward; chorister, Miss Lillian McVicker; organist, Miss Grace Bath. Four new members were taken in. After the business session all participated in the social hour, and reported an enjoyable time.

Mr. W. C. Swann has resigned his position as a general utility man at the store of Hollenberg & Cady and has accepted a position as book-keeper and general salesman with Franklin Bros. at Mt. Vernon, Washington. He and his most estimable wife expect to leave Corvallis on Thursday for the new home. Mr. and Mrs. Swann have lived in Corvallis for the past ten years and have justly earned the reputation of being numbered among our best citizens. For two years Mr. Swann taught in the public schools here and for nearly five years he has been the "happy" man at Hollenberg & Sons. As workers in the church they will be greatly missed by the Methodist brethren. A royal reception was tendered them by the church people on Tuesday night. We have no hesitancy whatever in recommending Mr. and Mrs. Swann to the good people of Mt. Vernon.

## Now is the time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied, pleasing recreations. SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California. The rate from Albany to Los Angeles and return is \$55.00

Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on, telegraph or write R. C. LINVILLE, AGENT, CORVALLIS, OREGON. OR Wm. McMURRAY, GEN. PASS. AGT., PORTLAND, OREGON.
