

CONVICTED OF MANSLAUGHTER.

J. K. Mercer, on trial in the city of Portland for the killing stable, besides owning other town of Macdonald, was decided property of value. Charley Pond guilty of manelaughter by the ju- is living here and drives stage to ry, by compromise between de Pataha. George Young, once a fendent and the prosecuting attorney. The morning after the trial. Dayton. Old Cadwa lader, once of the Oregonian editorially showed Calapooia, is keeper of a revolving its spite by attempting to influence swing, driven by water power the Judge presiding in the case Jummy Smith is the presperous as to the penalty for the crime a d well to do butcher of the committed. It is true that Mercer place. J N. Gale is engaged in committed an outrageous crime, house building. Ed. Wright is and that he should be punished in largely engaged in sheepr-aising proportion thereto; but a true near Dayton. George Waggoner newspaper will never attempt in has a thriving blacksmith shop any case to influence Judge or ju. John Brown, of Bosher, is also ry in the trial of any man or in flourishing by teaming-Olomen the decision of any case. When Ogle resides some distance from the Oregonian attempts to dictate town, as also Old Mr. Muncy and what should be Mercer's punish, sons, who have very valuable ment, it was regardless of the law forms. Bob. Hu chinson is herdthat guarrantees a fair and unpre | ing borses for government near judiced trial, and that moment it Walla Walla. Dave Williams insulted the intelligence of the also reides some distance from Judge and the dignity of the Dayton, and is well to-do; also Court; and no one would object if William Walters, Moses Pasley, Judge Beltinger would learn the Georgie Chapman, the Wilitemore York member of that communion "fat boy" that, even though he is | boys and an old friend, Mr. Shrum. the editor of the Oregonian, he Here also the writer met Mr. Eastmust show the breeding of a gen- ham, ednor of the Dayton Chronicle, as God is not acknowledged in tleman and the honesty and fair. once of Oregon a most affable the constitution he cannot conscismindedness of a respectable and gentleman and a former classmate entiously incorporate with the true cuizen.

SHORT-HORNS FOR THE DAIRY.

Stevenson said that he comenced well established woolen factory, the dairy business at a very old four substantial churches, grist of Oregon on the 18th day of December, age, and tollows it because he likes mills, some neat private dwellings, Justice's Court of Youcalla Precinct, Dougit, and because it pays. The private residences, and among the las county. Oregon, and docketed in the business is constantly bringing in money. He milks a herd of fifs teen cows of the common stock.

The business houses some brick buildings not omitting mention of two large hotels-one has a man teen cows of the common stock. and grades from Short-horns, and breeds them to a Short-horn bull He sold the first produce of his cows this year at four and a quarter five dollars per foot, 120 feet in the 12th day of December, 1878, dollars pe hundred, their weight depth. Unimp oved lots across the of at any time thereafter, I cause to be made the sum of fitty-five and 35-100th dollars averaging seventeen hundred creek entirely separate from the costs. Now, therefore, in persuance of pounds; thinks that the profits of sold are sold at \$150 and levied upon the following described dairying are greater than any other \$200 erch. kind of farming. He prefers Shortthat the calves that are raised on those that run with the cows.

All to be Looked After.

In answer to an article published in this paper last week, the Salem Statesman says:

The Roseburg INDEPENDENT need have no fears on this subject. Gov. Chadwick will only be called to account for his own acts. Governor Grover and the "organized officers" will each get his due is increasing rapidly, former by them is guaranteed to be first-class, and proportion of just indignation if Douglas county residents embracnothing more. The raid on the school fund made by Grover ing a large part, and from all Gibson's Celebrated Harthrough the straw security of the comes an expression of satisfaction ciation will be charged to the country, which being without chief organizer. The deliberate purloining of \$40,000 interest of the school fund during the years of 1871 and 1872 will be charged the picture is presented seldom up against the Board. But shall seen among the sunshine views. not now particularize the many end that is the deed of infamy committed by the different members the "organized no guilty man escape."

a certain extent be said to be ep-

idemic-confined in a belt of country commencing in the Umas tilla basin south of the Columbia, thence extending east and southeasterly into Unton and Baker counties, and thence northerly in-Walla Walla, Columbia, Whitman, and Stephens counties; though it is not so fatal in proportion as far north as Spokane falls. These alarming disorders in the infant health has now continued for ten years, the physicianr here as elswhere seeming to know very little of the nature of the diphtheria disease and much less of the remedy. The adult health on the contrary is inferior to no country, and to such families as have no children within the depth mark above mentioned, no country ofters so many and varied inducements for a life of content and tuture competency. It is truly a rich, inexhaustible and great grain growing country without an equal for its extent in the known world.

Getting Warm.

The Salem Statesman is authority for the statement that Judge Thompson, of Engene, was arrested for dawing a pistol upon W. H. Watkinds in the legislative committee room, at Salem, on Menday last. Tuesday evening a report reached this city to the effect that Watkins Lad shot the Judge. The Statesman's story is correct; and upon examination before a Justice of the Peace Judge Thompson was discharged

To escape jury duty all that is necessary is to join the Reformed Presbyterian church. A New has successfully objected to ser vice on the ground that inasmuch government.
