An over-sealous partizan remarked within our hearing the other day that bis party would carry the election in June next independent of the independent party. COUNTY STATISTICS.

Our cotemporary, the Plaindealer, last week, gave an incomplete account of the financial condition of the ounty from its organization. The its made by the Plaindealer were incorrect in many essentials and the account of the county finances, given by it, beginning with 1864, and ending with 1879, might mislead many. Herewith we publish a table, plainly and completely showing a history of county mangement from the commencement. The figures in the table are copied from the records of the county, and by referring to the records in question everything will be verified. We ask an examinarion of the table, which is as follows:

ANOTHER TRIUMPH FOR THE WEBB-OT STATE !

No MORE KIDNEY TROUBLES NO MORE BACK ACHES!

Oregon has long been noted for the wonderful variety of her natural resources. Her hills and valiles are stoogs with the choicest of Nature's lavish gifts. One by one these elements of her greatness are being sought out, understood and adapted to the use of her people. The latest of these discoveries is THE OREGON KIDNEY TEA

THE OREGON KIDNEY TEA,

A plant which grows in the mountain fastnesses which are seldom trodden by the foot of mas. This remedy presents the leaf in its natural state, and is not one of those nauseous liquids, put to sell, and which too often cover hoxious and deleterious drugs, but is kind nature's own remedy her "last, best gift to man." The tea made by steeping this leaf is a CERTAIN AND SPEEDY CURE FOR ALL DISEASES OF THE KIDNEYS AND URINARY ORGANS.

The leaf is put up in air-tight tin caddies which preserve intact its peculiar medical properties and the decotion is made by the person using it, thus securing its absolute purity.

There are thousands afflicted with diseases of the kidneys or urinary organs who suffer in silence rather than make known their troubles. O here seek relief by the use of various patent medicines, which, if they do not segravate the disease, at least do not leasen it. Even those who secure the advice of physicians often fail to get relief, owing to the very complicated and delicate nature of the organs affected. The OREGON KIDNEY TEA is a strictly vegetable production and will not injure the amaliest child, nor the most delicate woman, but will cure Pain in the back and Kidneys, Non-retention of Urine, Leacorrhows, Diabetes, Inflammation of the Bladder or Kidneys, Brick Dust Deposit in Urine, Painful or Suppressed Menstrastion, and all complaints arising from a diseased or debilitated state of the kidneys or urinary organs of either sec. strustion, and all complaints arising from a diceased or decimated state of the aluneys or urinary organs of either sex.

Many mistake the pains arising from detective action of the Kidneys for RHEU-MATISM, and in attempting to cure the latter by outward applications, fall entirely to reach the seat of the disease. We do not offer the OREGON KIDNEY TEA as a specific for Rheumatism, but are satisfied that many cases of so-called RHEUMATISM would yield to its remedial virtues.
