STANDS BY ITS FRIENDS. dependentFEB. 21. 1880

RESOLUTION OF ENDORSEMENT

WHEREAS, THE DOUGLAS INDEPENDENT a newspaper published in Roseburg, has been published in this county for the period

TO ADVERTISERS.

thed in Roseburg in the ies of Douglas, Jackson and Coos,

REMEMBER.

tral Committee will please remember that the Control Committee will meet at this office next Monday, February should do, we shall continue our crit- lived longer and had more chances of 23d.

Coos county needs noney from the right oner, and who dares now to ask nomadle typo, is once among us, on blic purse to improve the entrance for a second chance to do the same his way to Australia. He does not to Coos Bay barbor, and the mouth thing. We have no sympathy for the propose to walk to that country, but it of the Couplille. Coos Bay and judge who "stands by his friends," is said he is going to board the Austhe Coquille river are to the Ump- and when it comes to such a judge tralian steamer, and request permisqua valley and the balance of Southern Oregon what Portland and denounced by his friends for our oppothe mouth of the Columbia river are sition to him. Here is where we and to the Willamette valley. The time the Sentinei differ ; but, beg pardon, the losses by fire in the United States will come, because nature has so pro-vided, when the Astoria of southern friends, and stands by him. Oregon will be located upon the bor-

derings of Coos Bay, or at the mouth of the Coquille river; and that time will have arrived when it has been satisfactorily demonstrated that by mprovement of channels, the ennce to the bay or river are deep bugh to admit the arrival and de-

The Jacksonville Sentinel has joined the Times in that paper's de-fense of Judge Prim, and argues that there should be no criticism of the judge's acts, but that if he has done wrong, his misdeeds should be called

up before the next legislature. The symptoms of democracy excepting Sentinel knows that Judge Prim is a that he adheres to the greenback herecaudidate for election to his present sy, in which alone he is not democratic. office, and though claiming to be a It is evident that the editor of the republican organ, it would take the chances of allowing the judge secure election and a trial before a legisla ture liable to be controlled by a majority of the judge's own party! A his greenback theories, which, while party majority now-a-days means "we popular with the democrats of Indians, are bound to stand by our friends" are not suited to the ideas of the deunder all and any circomstances, and mocracy of Oregon. In other words, to send Judge Prim before a demo- the Blade bids for Mr. smith's influcratic legislature would be to as-sure his acquittal, it matters not what were the charges prefered. And why should not the people be the court and jury in every case where there is to be a decision ren-dered for or against a public man seeking public office? We have been tablished, and during a three years trial thas faithfully served the interests of the rend corr and tax-payer; therefore be it *Reveised*, We, the members of the Ump-gue Grange No. 28, do give This Douglas and accorr and tax-payer is now well the people for the people, and that every American citizen is by right, and accorr and tax pays is proven and the second of the people for the people, and that every American citizen is by right, and the second of the second of the second of the people for the people fo where there is to be a decision ren- is independent of both parties in his

INDEPENDENT OF THEM ALL.

 INDEPENDENT OUR unqualified endosement, and would recommend it as a newspaper worthy the partonage of every farmer and tax payer in Southern Oregon.
 every American citizen is by right, acquired at birth, a sovereign. We have never seen the law nor heard of the principle in this government that greenbacker for the simple reason he believes the principles of the green-back party to be proper and co. rect principles, not that he seeks distino-tion or office as a leader in Oregon in

dorn to the press, nor is there any-thing in the laws of the country, or their support and favor; and the Blade was it the intention of those who mistakes the man and his purpose The DOUGLAS INDEPENDENT framed the constitution, to make any when it attempts to call him from the
