SOUTHERN OREGON NOTES.

Grange meets to-day.

David Bushey is quite ill with a dangerous fever.

John McBee and family have left for Eastern Oregon.

Mrs. Packard has left us. She bade us adieu Thursday morning.

Abraham, Wheeler & Co. are in receipt of new goods every week.

A Hancock club has been organized. A Garfield club will soon be announced.

Caro Bros. are just in receipt of many new styles in ladies' and gentlemen's dress goods.

Four Sisters of Charity passed through the city on Wednesday. They were from Jacksonville, and bound for Portland.

Sheridan Bros. have the finest assortment of fishing tackle in the city. Go to them if you wish anything in the fishing line.

Quite a number of our citizens have taken their departure for the State fair, and yet there are more to follow.

The democrats ratified the nomination of Hancock and English on Thursday evening last. Lots of wind; a good deal of powder—hi-yu enthusiasm.

If you want something nice in the line purchase some of that delicious Mocha from Haffenden Bros. It is the finest coffee in the market.

Wm. Heffron has just received some extra brands of wines, liquors and cigars at the Star saloon. If you need something good, give Billey a call.

D. C. Iller, John Cox, and G. W. Noah accompanied by their families and Edgar Walker, have gone to Eastern Oregon, there to make permanent homes.

P. G. Strickland is doing some splendid work in the Green lane. Being well informed in the matter of road building, it is certain that which he will attempt will be well done.

Mr. Josephson continues to offer fine bargains in clothing and other merchandise, and we advise those who desire to purchase to give him a call.

County Clerk Sheridan has been engaged during the week preparing the transcripts in the seven cases appealed to the supreme court from this county.

The greatest, best and neatest awning in town is that of A. W. Fenner's. We will not tell you to go and see it; you will see it if you will only try; and Fenner keeps the best cigar store in town.

Mrs. Waghorn is the mother of a bouncing baby girl. The bright-eyed little stranger put in an appearance on Wednesday last. We wish the happy parents much joy in their newly-found treasure.

The mail train will leave on Sunday morning for Portland, and will arrive in this city to-morrow evening at the usual hour. No orders for freight, however, will be entertained until further notice, owing to the present high stage of water in the Willamette.

Flood & Co. have just received an extra large stock of new goods, which customers will find just suited to their wants. Barkis is willing you should buy the whole stock, and will sell to you at the lowest possible rates.

We are pained to announce that Mr. Sol. Abraham is troubled considerably with deafness, and that for some time he has been under the care of a physician. He will leave for Portland and the State fair with his family on Monday next.

The next thing will be the election of city officers. Some of our taxpayers and several who would like to be elected to the office of "city dad," actually consider the city election of more importance than the election of president.

James B. Tipton's house was destroyed by fire on Thursday last. The house was located on the opposite side of the river from Patterson's Mill's, and the fire originated from a stove pipe. But little was saved from the house, and the loss sustained will reach at least $500.

Gypsies, filling five wagons, and embracing men, women and children have been "doing" the town during the week. There was no chance given any of the women to sing "the Gypsy's Warning," and there never will be. They were too homely for even ordinary purposes; as to the men—well, they were both dirty and lazy.

THE OFFICIAL VOTE.

The abstract furnished by the Secretary of State of the official vote of the State shows that the average majority for the republican candidates for supreme judges in the late election was 1,696; for M. C. George, 1,395. Burnett led Prim 199, and Waldo led the republican ticket 111 votes. There were 301 votes for J. K. Sears, the greenback nominee for congress, and scattering there were eleven votes for supreme judges and seven for state printer. Since 1878 the vote of the State has increased 5,812. The figures are satisfactory to all those who opposed the election of Prim and Kelly. There can be no complaint with such as to the majority given Lord, Watson and Waldo. To have asked for more would have been proof positive that under certain circumstances men can be too greedy.

The Enumerators.

We have attempted to interview the enumerators of the census this week, but the law forbids them from making reports until their lists have been sent on to Washington. We have seen Messrs. Cole, Newcomb, Castle, Winniford, and Alf. Reed, and each appear to have worked so strenuously that the work has left them tired people. So far as we can learn the population of the county is as follows: Deer Creek, 1,150; Calapooia, 1,496; Looking Glass, and Ten Mile, 1,100; Myrtle Creek and Mt. Scott, 1,000; Cole's valley and Wilbur, 700; Scottsburg and Elkton, 530; Canyonville, 1,000; Gardiner, 600; Yoncalla and Drains 1,000; Total, 9,699. Roseburg, inside the city limits, contains 850 inhabitants, including the suburbs about 1,000. Anyone not contented with find the enumerators at the court house from July 1st to July 6th.

Drowned.

A Russian, the carpenter on the ship Otego, while working over the bow of that vessel at Port Blakely, last Saturday, fell off the staging into the sound. In the fall he struck something receiving fatal injury, from the effects of which he died an hour after. He was buried in the Port Madison cemetery on Sunday, the steamer Blakely taking over the body, the band and a numerous company of seamen and townspeople. The unfortunate man leaves four children in Liverpool, in England. He is also said to have had $1,500 in money, but where he kept it none seems to know.

List of Letters.

The following letters remain uncalled for in the Roseburg postoffice June 30th, 1880. The postmaster would be pleased, when calling for any of the letters whose addresses is here printed, should you say "advertised": Lizzie Baker, George Bonsdild, D N Daniel L Barer, John S Blackburn, V W Benton, Josie Elm, Henry Flem-Jake Fern, S G Hongly, Taylor Hall, S L Howard, John Irwin, Warren Jones, E. L. Lockwood, T McVee, S McCoy, McMullen, Henry Nolan, W Robertson, Jr., Laura Roberson, A A Smith (4), Kasson Smith, F. B Shortridge, M C Thomas, W F Fay, Andie Taylor, W Price, H J Whitney.

What Pluck Will Do.

A letter from Ann Arbor, Michigan dated June 19th, states that Mrs. Dr. B. A. Owens has graduated at the medical college with full honors. Mrs. Dr. Owens has many friends in this county—and for that matter, in the State—and they will rejoice to know that lady with her perseverance, and her brain has reached the summit of her ambition. She has now graduated from two medical colleges; she has education and it is truly learned in the practice of medicine. Every true woman in the world must rejoice at Mrs. Owens' success, and regret there are not more of the same endowed with her ability and pluck. Douglas county certainly feels a pride in Mrs. Dr. Owen's promotion.

[illegible] Found.

Mr. W. H. Livermore, writing from St. John's a few days ago, gave an account of the disappearance of two men from that place—John Foster and Dr. Henry Fowler—and states that the general supposition was that these men had met a watery grave. Yesterday, Mr. Livermore writes that the body of Foster was discovered by a Chinaman floating at one end of a high water wharf. Nothing has been seen or heard of Fowler, and it is generally believed that he too has shared a similar fate.

Will Not Celebrate.

Well, it is proposed that we shall have in Roseburg this coming Fourth simply a home picnic in Rose's grove—in other words, a basket dinner, etc., for a bit. Can't some of our "moneybags" squeeze the eagles on their dollars a little; it might be the eagle would be kind enough to furnish us with 12½ cents more and with this we could have a "two-bit" celebration.

Agricultural Implements.

The advertisement of Mr. Alfred Slocum, the energetic manager of the celebrated agricultural house of Frank Bros, appears elsewhere. We can cheerfully say to our friends that while Mr Slocum sells a great deal of machinery he never sells only that which is good and which he will warrant, and that Mr. Slocum can give better bargains than any one else. Give him a call.

Literary Entertainment.

A purely literary entertainment will be given at the courthouse in this city on the 22d day of July. The entertainment will be for the benefit of the M. E. Church South and its pastor. The church is in debt and needs assistance. There will be a grand turnout. Programme next issue.

Go Treat Yourself.

J. J. Farquar will serve at his restaurant Saturday, Sunday and Monday strawberries and cream, and ice-cream and strawberries. He has made up his mind that no one shall go away displeased: therefore, go and patronize him.

Judge E. B. Watson, left Roseburg this morning for Salem, having been invited by a majority of over 1,600 of the people of Oregon to take part in the inauguration of three newly elected supreme judges, who will take office on Monday next.

Skelton Pardoned.

Gov. Thayer has pardoned Skelton, the man who killed Brown, from the penitentiary. This pardon was granted in direct opposition to the wishes of a majority of the people of Douglas county.

John O'Neil, George McMiller, and Lincoln Smith, of Drains, have been bound over in the sum of $150 to await the action of the next grand jury for stealing some whisky and bitters from the saloon of H. Anlauf.

Paid Up.

The insurance company has paid to Mr. R. Cameron the sum of $64.50, for damage done Mr. Cameron's property by the late fire.

Couldn't Speak English.

During the week Wm. Bloss was brought before Judge Gaddis by parties who asserted he was insane. The whole trouble with Mr. Bloss is that he cannot speak good English, and when it was reported he was to be sent to the insane asylum a number of our prominent citizen became interested in his behalf, and a second examination declared William sane. "Bill" says he might have added too his own the brains of both the complaining witnesses, and yet had no more or no less mind, and it is stated that the complaint was the result more of a desire to gratify personal spite than anything else. We have known "Bill" for several months, and we have respected him as a quiet, inoffensive citizen; and we never have heard it stated, as asked by Mr. Lane of a witness, that Bill ever threatened to "crop off the ears" of any one.

Poor David.

Wednesday last David Winningham, one time a county pauper, died at Looking Glass. We had not learned how old David had become; but it was certain he was quite aged. He was certainly a man of sorrow, since the tottering steps of old age finally carried the poor man to the poor house.

Another Death.

Mrs. Geo Ferry departed this life near Ten Mile on Wednesday, aged 51 years. The deceased was a lady well esteemed, and her death is generally deplored.

OAKLAND ITEMS.

Where are you going to spend the Fourth?

Dr. E. J. Page returned last Tuesday from his extended tour.

Miss Ambrose one of the best cultivated ladies of Yoncalla valley, visited our town last Saturday.

Work is progressing on the Academy building.

Three cheers for the Fourth at the town of Oakland.

The strawberry festival given last Friday evening was largely attended.

Mr. A. W. William's school closed last Friday afternoon, he is now at his fathers house.

The brick kiln will soon be in operation and then we shall have brick enough.

Charley Fryer has taken his departure for eastern Oregon, where he thinks of residing. Success to you Charles.

Why can't all of Roseburg come over to the grand Fourth of her sister town? Come, Mr. Editor, and bring all of the boys, and do not fail in adding all of the young ladies also.

Rumor says that Mr. Geo. Stephens has an idea of taking unto himself one of earths fair daughters. May you so do my friend, and I am sure you shall never regret so important a step.

Mr. Wm Taylor, one of our enterprising and gentlemanly young men, will have Oakland for the home of his childhood, in the grand old State—Tennessee. May his sojourn be a safe one, and when he shall have finished his tour may he find a pleasant abiding place.

Arbors are already being constructed and other extensive preparations are being made. Let every body come to Oakland on that grand occasion and enjoy the festivities. Now you must be very careful how you punch those cattle. Be sure and not let them kick you.

A row occurred last Monday evening the result of which is three arrests and a lawsuit. Prosecuting attorney Campbell and lawyer Ball are over looking after the case. Much credit is due Mr. B. Elsworth for the able and effective manner in which he performed his official duties. He has the nerve and moral courage to do his duty regardless of consequences.
X. X. X.

RICE HILL.

Miss Flora, our accomplished school marm, is acknowledged by all to be the best singer in this valley.

If Mr. Ike Bogart chances to come your way he can give you the time of day—every time, some time.

We have been reliably informed that Mr. Charles Smith of, Soak Flat, is soon to take unto himself a wife.

We are expecting a wedding in this valley soon. But, do you know anything about it? Ah, we will ask Flora I guess.

Mr. Burton H. Hill intends running a barber shop in connection with Mr. John Norwood, of Oakland, on celebration day. Mr. Rice has had considerable experience in the tonsorial art.

The present road supervisor of this district contemplates constructing a narrow guage railroad from Rice hill to Peru. He has already made application for assistance in that direction and to-morrow morning the work commences.

J. E. Deboy has invented a new style gun, undoubtedly a wonder of the age. It is a double acting, non-clogging, pistol grip, bell muzzle with rebounding lock and choke bore. This gun is warranted to kill and skin at a distance of two hunred and fifty.

Testimonials.

Portland, July 29, 1879.

My kidneys were in a very bad condition. The urine was like brick dust, and I suffered a great deal with my back. All remedies were unavailing until I tried the Oregon Kidney Tea, which gave me almost immediate relief.
H. HAMILTON.

Portland, August 2, 1879.

Having a severe backache last winter, I was induced to try the Oregon Kidney Tea. I found it very beneficial in its results. It is not more unpleasant to take than other tea. I would recommend it to those afflicted as I was.
J. P. PALMER.

We Challenge The World.

Do You Believe It.

That in this town there are scores of persons passing our store every day whose lives are made miserable by Indigestion, Dyspepsia, sour and distressed stomach, Liver complaint, Constipation, when for 75 cents we will sell them Shiloh's Vitalizer guaranteed to cure them. Sold by S. Hamilton.

CALAPOOIA.

E. A. McGee is out in the mountains rusticating.

Hot enough for roasting eggs, say the girls.

The carpet fraternity, hold forth next Sunday.

P. O. Hutchinson's school closes next Friday.

Hay making in full operation, the turn out very good.

Walter M. Wheeler, of your city, paid this section a visit last Monday.

The people of west Calapooia, through Peter Burns, receive their mail twice a week.

Mr. J. R. Daniel disposed of his fine crop of grain, to Alva Pike, for the consideration of $350.

Mr Jackson arrived here Tuesday from Cresswell, and will reside in this section during the summer.

Hon. Tim Barnard has the boss draught team, that drew 1,000 feet of lumber from Hubbard creek.

Calapooaites are making extensive preparations to celebrate the Fourth of July at Oakland.

J. R. Baker returned from Lane county, a few days since, where he has been enjoying a pleasant visit.

W. P. Kerby is making extensive improvements about his already handsome farm, in the way of plank fences.

Fight against it all you can, though and the thought, there will be war in Calapooia, for we smell it in the atmosphere.

Miss Lizzie Davis, for a week has been seriously afflicted with typhoid fever, but under the efficient treatment of Dr. Venable, she is convalescing.

Geo. W. Stephens starts to Portland on Saturday, for the purpose of having some of the congress water abstracted from his system, and has turned temperance.

Mr Joseph Ensley a few days ago had a fine horse severely stung by bees, but by cutting the unfortunate brute loose from where tied and applying a quantity of cold water, the suffering animal was relieved.

A certain young lady, remembering her privileges during leap-year, writes thusly to a young gentleman: "If you have no partner for attending campmeeting, come down with your buggy and team." Unluckily for her the young man was fixed.

Miss Myrtle Huthinson, who has been attending school here, returned home this week, down the Umpqua river, and some of our love-sick swains are feeling somewhat melancholy.

The usual hour for Sunday school has been changed from 4 o'clock P. M., to 10 o'clock, A. M. The nature of the change is to revive things, if possible, but it is an impossibility to raise the dead. We mean that the Calapooia Sunday school is mentally dead, although we are sure that there could be a Sunday school if all would take a united part; but that's out of the question and for one or two more to attempt to start the school seems absurd.
CALAPOOIA GEORGE.

The man who heeds not the warning of pain or warning, which always procedes maladies, often, becomes through indulence, the victim of incurable disease. Lassitude, weariness, sadness, aching of the limbs indicate nervous derangement, the forerunner of many organic and functional diseases. The early employment of Fellows' Hypophosphites will effectually ward off such maladies.

Various Causes.

Advancing years, care, sickness, disappointment and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures humors and dandruff. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brashy, weak or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye and will not oil or color white cambric, yet it lasts long on the hair and keeps it fresh and vigorous. Hodge, Davis & Co., Portland wholesale dealers.

I Wish Everybody to Know It.

Rev. George H. Thayer, an old citizen of this vicinity, known to every one as a most influential citizen, and Christian Minister of the M. E. Church just this moment stepped in our store to say, "I wish everybody to know that I consider both myself and wife owe our lives to Shiloh's Consumption Cure." It is having a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. Dated Bourbon, Ind., May 14th, '78.
