TO THE POINT.

Sol. Abraham, in presence of H. C. Slocum, asked us to return from him. The demand was made on Wednesday last at the Metropolitan Hotel. Our answer was that we had nothing to give up. Now, the bouest people Douglas county may understand the thing we have labored for His conscience at the eleventh as a sort of penance when a man hour does not reproach him! His claim is based solely upon a job and put up by himself to ffeece poor old John D. VanBuren, and for far that we might tell all of the truth, he would muzzle us. it the Grange last week. Well-

We are informed that the plaintiff in the case has a witness. There are men in Roseburg who by a lie he lives and is flourishing, will swear that the witness in question was not drunk from drinking whisky, but was ar opium fiend. We will allow his testimony to go for what it worth. But we have the right of rebuttal, and if we do not establish the fact that a dirty upprincipled witness is put upon the stand, we shall give up the case. But let the matter above go, for we have in our possession sundry letters writ. ten by Sol. Abraham. We have at our back the honest men of the county. So far so good.
