

SATURDAY, APRIL 12, 1883

Our readers will be pleased to learn that Hon. Hyman Abraham is rapidly recovering from his late accident. He has received the best possible attention, and he is satisfied he is yet the fastest race-horse on the political race-course. He is determined to win.

Hon. W.D. Fenton, Democratic nominee for Congress, made a favorable impression with our people the other evening. We had thought that Mr. Fenton would have more than a match in public speaking; but now we are convinced Mr. George is evenly matched. There is a Richmond in the field.

The Democrats to-day hold their primaries in the various precincts of the county of Douglas. It is to be hoped that at the primaries there will be elected delegates to the county convention who have the welfare of the people at heart and who will go to the convention with the honest determination that none but the best men in the party shall be nominated for office. The people anxiously hope that this time much good may come out of Nazareth. When we speak of the people in this matter, we utter a plea in behalf of the citizens and taxpayers of this county.

Without question it is true that the late Republican county convention made many mistakes in its nominations; it is true that the taxpayers of the county belonging to that party are sorely disappointed with the result of the labors of that convention; and in order that the people may have a fair opportunity to express their sentiments it is necessary that the Democratic party shall see from the beginning that it is to the interest of the party and its candidates that no man shall be elected to the county convention who has a wish contrary to the will of the people. It is the people who pay the taxes and support county and national governments—and no man is honest, or at least sensible, who would growl or complain because the people demand that only honest and capable men are placed in office. After men have for twenty-five or thirty years struggled against adversity, in order to make a home for their wives, their children and themselves; after they have by their pluck and their energy become noted as the pioneers of the Far West, and veterans in the advance guard of civilization—they do not and cannot consistently support for office any man of doubtful reputation—for that man may prove to be naturally a thief and a rascal, for whose misdeeds hard-earned homes necessarily must be taxed. What a man has earned by the sweat of his brow and by hard labor he does not expect nor should he be placed in position that he must waste his substance to make good the stealings of a rascal incautiously elevated to office by either of the two parties or any ring or clique of either. We do not know that it is the intention of the party to nominate for official position any man of the kind which we will "over condemn"—in fact, we hope that the members of the party will exert every possible effort to prevent the possibility of a piller of public funds' nomination. Yet a word in warning makes honorable men cautious, even as the beacon of the lighthouse instructs the sea-tossed mariner. This article is intended as a beacon to those who are about to send their barks afloat upon the sea of politics. If the barks are staunch and the crew fine without doubt they will stearately through the breakers and in lead of the rotten craft in the race. In this instance let Jefferson's motto be strictly adhered to—and let it be known that every candidate is honest and capable. Such a ticket the people of Douglas will heartily support.

port and give it a heavy majority—but none other. They pray that the Democrats will do better than ever before; and it so, when the good work is done it will be well done.

Ayer's Hair Vigor, FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR. It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brassy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable. The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible. As a Dressing for Ladies' Hair The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. SOLD BY ALL DRUGGISTS EVERYWHERE.
