Persons desiring the latest styles of millinery goods, will do well to call and examine the new stock at the Missee Smith's store on Jackson street, next door to the residence of Mr. Bitzer.

There was an alarm of fire on Monday forenoon caused by the burning of a fine in the building occupied by Rose & Junger as a saloon. Hooks of Eugene got first water and extinguished the fire, otherwise there would have been a "conflagration" and a burn-out.

The ladies of the M. E. Church will give an entertainment at the Court House Tuesday evening, May first, consisting of music, pantomimes, and a broom drill, which has been prepared by the Roseburg Guards.

Tourists visiting Roseburg would do well to see Johnson's & Fletcher's fruit farm on the west bank of the river, opposite the city.

On Thursday the city authorities attached the hose recently purchased to equip the Roseburg fire company to the plug at the corner of the Flood block, and demonstrated the utility of the water supply for the purposes of extinguishing fires.

MUSICAL ENTERTAINMENT.—The entertainment given by Prof. Cathey's class in vocal music on Friday evening last, was well attended by our citizens and proved a genuine treat and surprise to many who went there prepared to listen to the usual musical drill and recitations on such occasions.

RAILROAD MAGNETS.—Mr. Villard, accompanied by the directors of the roads embraced in the Northern Pacific combination, passed through Roseburg on Tuesday of this week. The train halted at the station about half an hour, while the distinguished party strolled through town.

ENTERPRISE.—The newspapers of this State have from time to time done considerable blowing about their enterprise and the amount of money they expend in order that the public may have first-class newspapers.

Can Hardly Realize the Good it Has Done.

A lady whose general health had become seriously affected was induced to use Compound Oxygen. In writing of the result she says: "It has relieved me from a distressed feeling back of my eyes, from which I could get no relief; nasal catarrh better; improvement gradual; so much so can hardly realize the good it has done till I note my condition before taking it."

Anniversary of Oddfellowship.

The members of the Order formed in procession at the hall at 10 o'clock, with D. S. K. Buick as Marshal. The procession then moved to the grove, preceded by the Roseburg band, where seats had been arranged in front of the grand stand.

We regret that our space is insufficient to publish the oration at length, but are pleased to give to our readers the following statistical information in reference to the Order gathered from it, for which we are under obligations to Mr. Welty:

OBITUARY.—Alexander B. Gilliland died at his residence in Roseburg, on the morning of the 24th of April, 1883, after a brief illness. Willis, a sister of Judge Wm. R. Willis, of this place. He crossed the plains with his family in 1853 and settled on a farm on Deer creek, where he resided until about four years ago, when he moved to Roseburg and built a fine residence.

WILBUR ITEMS.

Fred. Benson is quite sick, but under the care of Dr. Davis we hope he will soon recover.

Wilbur now boasts of a system of telegraphy. A line has been extended from Mr. Shilton's residence to the store, and from thence to the residence of Prof. Benson.

The literary society organized by the seniors is a success. The last programme consisted of recitations, music, three orations and a debate.

Prof. H. J. Benson we learn, will take charge of the Drain Academy next year. While we regret to lose him, yet we wish him success.

The school progresses nicely. The attendance is large. The senior class is the largest we have had, and includes the following names: Ida Booth, Addie Smith, Geo. M. Brown, John S. Mires and John I. Critser.

Jes. Sutherland an old and highly respected citizen of Wilbur, is lying at his residence dangerously ill.

Grain of all kinds is looking well and the prospects are good for an ample harvest.

Wilbur came near having a fire this week. The residence of G. W. Short caught fire, but no serious damage was done.

The primary department in the academy is quite large. Mrs. H. T. Benson has charge and is an excellent teacher.

The Band of Hope continues to meet on each Sunday morning. The meetings are interesting and productive of much good.

R. B. Mathews Arrested.

Last Tuesday Baney Mathews was arrested upon a warrant issued by Judge Fitzhugh charging him with perjury. The affidavit was made before the Judge on the 17th of last March, by George W. Short, a brother-in-law of the defendant, charging that he committed perjury in making the affidavit for a marriage license for the marriage of Elmer Bethers to Laura Porter.

The situation in Ireland continues critical and arrests for conspiracy against the government are still made. No wonder the people are becoming desperate when they are harassed beyond all endurance.

JONES' MINERAL WATER: Testimonials From Prominent Citizens of Roseburg?

For the benefit of those suffering with catarrh I will state that I have been afflicted with that disease for the last three years and after using various remedies without any benefit, was finally induced to try the Eldorado Mineral Water, from the spring of Geo. County Judge of Douglas county, April 13, 1883.

G. W. JONES, SR: During last Summer I was suffering with constipated bowels and general ill health. I procured two bottles of mineral water and used it and an entirely cured.
