LOCAL ITEMS.

The town is dull at present. The soda works are in full blast. Plenty of venison in the market.

The farmers are busy threshing grain. The d. d.'s are missed on the streets.

The wheat crop is turning out better than was expected.

The d. b.'s are extremely numerous in town. Some have gone a fishing.

The game law is out, but the trout wont bite; suckers do, at old times.

The "hoods" keep their numbers good. Some have gone to the mountains.

A Warm Springs, N. C., dispatch, August 6, says: In tearing down an old house near here the skeleton of a mail carrier was found with a leather mail bag containing over 39 letters dated 1827, some containing old bank bills.

The State Treasurer in his appointment of the school fund shows Douglas county to have 4,199 children of school age; amount allotted to each child 70 cents—\$2939 30.

This is exceeded by but four counties in the State—Multnomah, Marion, Linn and Umatilla.

A medium-size yellow dog, rather heavy set, left Yoncalla on Sunday, July 29th, belonging to Mrs. Mary Booth at Wilbur.

A reward of \$5 will be paid for the delivery of the dog to J. O. Booth at Yoncalla, or the owner at Wilbur. The animal is old, having teeth well worn.

John L. Sullivan, the champion boxer, knocked Herbert Slade, the Marri giant, out of time in three rounds, at Madison square, New York, on the evening of the 6th.

The gate money amounted to \$16,000, of which Slade got 40 per cent and a severe bruising.

Mrs. Jones and Zigler have returned home from some weeks' sojourn at the seaside in Cook. The young ladies are much improved by the ocean breezes.

Wednesday evening the friends and admirers of the young ladies tendered them a surprise party at the Metropolitan hotel, which proved an enjoyable affair.

We are under obligations to D. D. Pretzman for a number of the prospectuses of the annual State Fair for 1883, containing a list of premiums, program and regulations, with the report of the Secretary for the preceding year.

Farmers interested in the exhibition can have a copy by calling at this office.

F. A. Smith, the well known photographer of Salem, and a former resident of Roseburg, has established a gallery on Main street, nearly opposite the Plaine dealer office, where he will remain for some time.

His prices are reasonable and all who want first class pictures should embrace the opportunity.

In the mutations of time and labor in a printing office it sometimes happens that a printer will need rest and long for a stray "sub" on whom the duties may safely devolve for a few weeks.

Such has been the condition in this office and we are under obligations to Alex. Pardon, brother of our Sheriff, for faithful and efficient labor during the last three weeks.

Kentucky Elections.

There was an Election in Kentucky last Monday. The full returns have not yet been received, which is owing to the strike of the operators, or the fact that the State has gone Democratic.

The dispatches, however, inform us that Proctor Knott is elected Governor by the usual large majority of 40,000.

Another Stage Robbed! The stage going south Friday night of last week, was stopped on the summit of Wolf creek hill, eight miles south of Glendale, by two men sitting by a camp fire within a foot of the road.

They presented a double-barreled shotgun and coolly demanded Wells, Fargo & Co.'s treasure box, which was handed out and the driver ordered to move on.

The box was broken open and relieved of its contents, \$10 and a few letters. The passengers, of whom there were three, and the mail, were not disturbed. No trace of the robbers is found, as they left the road, going off through the timber.

O'Donnell Committed for Murder. A Cape Town (Africa) dispatch to the Oregonian of late date says: O'Donnell, who killed Carey, has been committed for trial on a charge of willful murder.

In the ordinary course of events he will be tried at the Port Elizabeth assizes in October. At the examination of Carey a box was produced belonging to the prisoner, labeled Cape Town, containing a wood cut of Carey and a paper of American citizenship, dated November, 1876.

Carey's son was recalled and denied that the Kelly of the Irish passenger on the steamer Kinfauna Castle was identical with Kavough. He testified that his father was smiling and talking to O'Donnell, when he (witness) saw the latter draw a revolver and fire one shot.

He (witness) ran to fetch his father's revolver; his mother was holding his father when the third shot was fired. O'Donnell declared that Carey first drew a revolver, which he (O'Donnell) seized and fired at Carey in self-defense.

He described himself as Patrick O'Donnell, aged 45, a native of Goodall, county Donegal, laborer, formerly at Butler.

ABSENT.—Prof. B. A. Cathey and family are off for their summer holiday. Mrs. C. is visiting friends and relatives in the Wilamette valley, while the Professor is rústicating in the mountains adjacent to lower Cow creek.

DIVINE SERVICE.—Most Rev. C. J. Seghers, Archbishop of Oregon City, on Sunday, the 26th of August, will hold divine service at St. Stephen's Catholic church, both morning and evening.

J. HENRICH.

AN ARM DISLOCATED.—Friday of last week Miss Anna Conn, daughter of Henry Conn, residing west of Roseburg, was riding a spirited horse belonging to her father.

She was accidentally thrown and had her arm dislocated at the elbow.

OAKLAND ACADEMY.—We desire to call attention to the advertisement of Oakland Academy, elsewhere in this issue of the INDEPENDENT.

The principal of this old institution of learning is well known and we bespeak for him such liberal encouragement as will gladden the dull routine of school hours and make the Academy second to none in the northwest.

ACCIDENTALLY SHOT.—George W. Crystal, aged seventeen years, was accidentally shot and killed on the evening of August 4th by a boy named Geo. Schmidt, with whom Crystal had been out hunting. The shot took effect in Crystal's groin.

He lived one hour and a half after being shot. The accident was caused by the careless use of firearms, but as the deceased acknowledged before his death that Schmidt was not to blame, no coroner's inquest was held.—Oregonian 6.

WRESTLING MATCH.—Last Monday, two of the young men who had been reading of the feats of Muldoon went into the back room of one of the stores to engage in a wrestle.

Judge Mosher received a severe injury by the fall, he having his right ankle dislocated, and a fracture of the tibia. His wound was properly cared for and he is doing as well as can be expected.

We hope to see the Judge around again in a few days, though he will not be able to discard crutches for some weeks. It is to be hoped that his injuries may not be permanent.

INFORMATION TO PIONEERS.—Joseph Watt of Amity, Yamhill county, has asked the press of the State to say that persons who came to Oregon previous to 1854 may become members of the Pioneer Association by sending to T. B. Odeneal, at Salem, \$1 for membership fee and a three-cent stamp, together with date and place of birth and year of arrival in Oregon.

Women need not pay the membership fee. The excursion over the Northern Pacific will leave about September 20, and the committee has decided to accept the lower rate, \$60 for the round trip and slower time. The fare from Portland to New York City and return will be \$99. Details of the excursion will be made public in a few days.—Oregonian.

DAYS CREEK.

School will commence next Monday, the 5th day of August.

Hon. David Fate has finished heading, and several others in this section.

The many friends of Louis Chapman are anxious for his recovery from his recent sickness.

Jackie Hanks is the nimrod of this place. Last Wednesday evening he fell two large bucks. Well done, little man.

S. T. Garrison, the ever wide awake granger who bought a ranch here about three years ago for \$4,000, has been offered the sum of \$5,000. Good for three years' work.

The tragic affair that caused the death of Capt. Thomason casts a gloom over this entire community. It is another case of malfeasance that has become too common over the State of Oregon.

Miss Theo, the accomplished daughter of Hon. David Fate, is again at her pleasant home up the creek. May she ever find pleasant employment at the paternal home.

FROM OAKLAND.—Threshing in full blast; crops over average. Foot-race on the 18th.

We understand A. F. B. & Co. have dissolved.

Z is very reckless about driving the Doctor's buggy over mudholes.

The harness store is ahead. Go it, Charles.

It is reported that the fishing party purchased a hay crop.

Mr. Creed Flood and lady were visiting friends here on Sunday last.

Our boys still go to Jawbone, but the attraction we can't discover.

John Frazier has a new sign. Very appropriate.

The Doctor reports a good deal of sickness—leaves-sickness.

W. T. Kerley is training his celebrated mare "Richy," for the fall races.

Son, you must always take your shoes off when you retire, or they will think you a "hoss."

William Pitchford and family are visiting relatives and friends in this vicinity.

Mr. R. Smith is still improving and we hope will soon be able to attend to "biz."

Messrs. Banks & Smith threshed 2005 bushels of grain one day last week. 'Twas a smoky day, too.

R. Thomas' new building adds greatly to the appearance of his hotel. A few more citizens like Richard and our town would soon prosper.

ROLAND.

The Misses Johnson of Portland, are visiting friends and relatives at Rice Hill.

P. C. Parker Jr. and family are visiting at Coos bay.

Uncle Street Rice of Rice Hill, has the finest residence in the northern end of the county.

Johnny Howard of Oakland, has sold his saloon business to Mr. Bayles and intends to return east this fall.

John Hanna, who has resided at Rice Hill the past year, contemplates moving to the Webfoot country immediately after harvest.

A. F. Brown has purchased the entire interest in the mercantile business of H. F. Brown & Co. of Oakland.

The United Brethren denomination will hold a quarterly meeting at Rice Hill, commencing to-day and continuing over Sabbath.

H. S. Marsh contemplates making a trip to Seattle this fall, with the intention of purchasing real estate, if the country suits him. The people of Rice Hill are sorry to lose so valuable a citizen.

Dr. Osburn of Eugene City, was the guest of Dr. Shanbrook on Tuesday of this week.

We have been visited lately by several parties from the southern part of the State of considerable notoriety, whose occupation we are not able to mention.

Fritz Wagner met with a severe injury this week by falling from the railroad bridge crossing the Umpqua. He is now slowly recovering.

The threshing season has commenced in earnest, and the grain is of better quality and more plentiful than was expected a few weeks since.

ATTENTION!

There will be an auction sale to-day (Saturday) at S. F. Flood's Bargain store, commencing at 2 o'clock p. m. Do not fail to attend.

MISCELLANEOUS.

The Standard of August 7 says: A railroad boss at Reedville named Kerns was made the father of a pound and a half boy Sunday. The babe is the champion light weight of Oregon.

Swiss Cheese, California Cheese, Imported Bologna, Pigs Feet, Etc., Etc., For sale at the METROPOLITAN SALOON.

From the number of ladies' hose and the amount of queensware purchased at Flood's auction by some of the young bloods of Roseburg, we may expect to hear of several weddings that are now on the tapis. By the time they have received the first course of certain lectures they will know better than to buy three stockings for three pairs.

As a persistent effort is being made to force women into politics, we must urge one objection against giving her the franchise. She is never positive in regard to her age, and her inability to be exact in regard to this matter would lead to confusion and frauds that no law could guard against, and politics are bad enough any how.

The Coos Bay Stage company having completed the improvements upon their toll road between Roseburg and Coos bay, and placed new coaches and stock upon the road, are prepared to meet all wants of the traveling public.

The time is shortened to sixteen hours, and the fare reduced to five dollars. Each passenger is allowed forty pounds of baggage; all over that weight will be taken for four cents per pound.

The perfecting of the organization of the Roseburg Y. M. C. A. is progressing as well as could be desired. An adjourned meeting was held at the residence of S. C. Flint last Wednesday evening, at which a constitution similar to that of the Portland branch was adopted.

No regular place has yet been selected for the weekly meetings, but when the members absent on summer vacations return we presume that permanent and central quarters will be secured.

The Silvertown Appeal says that an immigrant by the name of Smith, who was crossing the Cascade mountains by the Lebanon route last week, was surrounded by fire and compelled to cut his team loose and flee for his life.

The two wagons were consumed, with all that Mr. Smith possessed, and the family, eight in number, were compelled to lie close to the earth to prevent suffocation. The horses have not yet been found, and it is not known whether they perished or not.

Mr. Smith and family are at Fish Lake in a destitute condition.

Edm. Snoderly, who together with McPherson was convicted of the murder of E. H. Cummins, was hung Tuesday of this week at Dayton, W. T. He died protesting his innocence.

McPherson was taken from the jail a few days ago and hung by a mob. He had received a stay of execution after his conviction. He, too, died protesting his innocence.

Cummins was murdered and robbed on the night of the 25th of July one year ago. These men were convicted on circumstantial evidence and the confession of one Canada Owenby, who claims to be an accomplice. If the people of Dayton allow him to escape they will do less than their duty for he is evidently guilty whether the others were or not.

Weather Report.

We are indebted to Mr. Henry, U. S. signal service office at Roseburg, for the following weather observations during the month of July:

Highest bar., 30.285, 10th; lowest bar., 29.801, 17th; monthly range bar., .484; highest temp., 93, 7th; lowest temp., 48.4, 24th; monthly range temp., 44.6; greatest daily range temp., 41.7, 5th; least daily range temp., 16.3, 27th; mean daily range temp., 30.2; mean daily dew point, 48.4; mean daily relative humidity, 55; prevailing direction of the wind, n.; total movement of wind, 2,564 miles; highest velocity of wind and direction, 24 miles S. W.; No. of foggy days, 0; No. of clear days, 29; No. of fair days, 2; No. of cloudy days, 6; No. of days on which rain fell, 2. Mean monthly bar., 30.029; mean monthly temp., 67.0; mean relative humidity, 55.0; total rainfall, .91 inch.

MARRIAGES.

WALKER-SUTHERLIN.—On the 9th inst. at the parlors of the Cosmopolitan hotel, by J. S. Fitzhugh, County Judge, Arthur Walker to Mrs. Eliza J. Sutherland.

They plainly know my heart's dear love is set On the fair daughter of rich Capulet: As mine on hers, so hers is set on mine; And all combined, by holy marriage. When, and where, and how, I will not tell; We must, we will, and make exchange of vows; If I tell these as we pass, but this I pray, That thou consent to marry us this day.—ROMEO AND JULIET.

NICHOLS—BLAINE.—August 9, at the residence of J. S. Fitzhugh in Roseburg, John Nichols to Miss Amelia Blaine, both of Canyonville precinct, Douglas county, Oregon.

The ceremony was performed by Judge Fitzhugh just as the shade of night was chasing away the orb of day. The happy couple went on their way rejoicing. May the morning sunlight of peace and happiness continue to illumine their pathway through life.

A CARD.

The dodo editor of the Plaine dealer and his associate from Shoestring has seen fit to inform the public that Roseburg is in need of a marble cutter. I would say to citizens of the aforesaid place that I am competent and ready to do any work in that line at moderate prices.

M. SULLIVAN.

FRIEDLANDER, Sec'y & S. R. & T. Co.

JONES' MINERAL WATER!

Testimonials From Prominent Citizens of Roseburg!

For the benefit of those suffering with catarrh I will state that I have been afflicted with that disease for the last three years and after using various remedies without any benefit, was finally induced to try the Eldorado Mineral Water, from the spring of Geo. W. Jones, which I will state has effected a cure, and I have no hesitation in recommending it to those suffering with a like complaint.

J. S. FITZHUGH, County Judge of Douglas county, April 13, 1883.

G. W. JONES, Sir: During last Summer I was suffering with constipated bowels and general ill health. I procured two bottles of mineral water and used it and am entirely cured. I have no hesitation in recommending the water to all who are suffering with like derangement of the bowels and general debility. HENRY BOWEN, City Marshal of Roseburg, April 13, 1883.

GEORGE W. JONES, Sir: Having used the Eldorado Mineral Water for some time, for dyspepsia and catarrh, I feel safe in recommending it to the public as a sure and reliable remedy in those afflictions. W. S. HUMPHRY, City Recorder, Roseburg, April 16, 1883.

This is to certify that during last Fall I was suffering seriously with congestive chills and fever, and was induced to try the Jones Mineral Water and am happy to state that one bottle cured me entirely and I have enjoyed good health ever since. W. G. CLEVELAND, Roseburg, May 5, 1883.

The Eldorado Mineral Water can be purchased at any time at the Drug Store of Dr. S. Hamilton, Roseburg, at 50 cents per quart.

TESTIMONIALS.—G. W. Jones, dear sir: Having been troubled with dyspepsia for many years I was advised by W. F. Johnson to use your mineral water. I did so and do unhesitatingly say it did me more good than anything I had ever used. It had an immediate effect. Yours, JOHN HOWARD, Roseburg, April 1, 1883.

This is to certify that I have used successfully the Umpqua mineral water for six months, for nervous dyspepsia and debility of the whole system and I have found great relief and I might say an entirely cured. I have no hesitation in believing this mineral water to be of great curative value. Respectfully, W. F. JOHNSON, Roseburg, April 2, 1883.

ELDORADO SPRINGS.

To all persons suffering with any nasal catarrh affection of the throat or stomach, I will state that last Fall that myself and members of my family were suffering with catarrh in the head and myself with an affection of the stomach. That I purchased a gallon of the mineral water taken from the spring on the South Umpqua, 3 miles west of Roseburg, of G. M. Jones, Dr. Hamilton agent, and can testify that both myself and family have received great benefits from its use. My son Andrew Willis was suffering very much from nasal catarrh and by the use of this water has entirely recovered and is now well. I can unhesitatingly recommend it as the best medicine I have used in my family for any of the above named complaints. Rev. W. A. WILLIS.
