Notwithstanding the inclemency of the weather a number of new buildings are being erected in Roseburg. Mrs. S. Thornton went to Looking Glass this week and will spend the holidays with her parents.

For the largest stock of fine, fancy and mixed candies for Christmas, W. C. Gaddis takes the lead. Jacksonville will celebrate the completion of her court house Christmas eve by a grand ball. Claus Sprackles has bought up the entire Hawaiian sugar crop and will control the coast market, as heretofore. Leo Knott this week sold his race horse "Jim Renwick," for \$4,000, in Sacramento, California, to parties.

Joe L. Clough, the old stage driver, is in town on a visit. He is as jolly as ever and everybody is pleased to see him again. About 75 men have been discharged from the railroad shops at the Dalles, and the time has been cut down to eight working hours. George Finch, the stage driver who murdered Myron Berry in cold blood, at Redding, California, a few months ago, has been acquitted.

It is announced that the ghost of Jewell, the murderer who was recently hanged at San Jose, Cal., walks the streets of that town every night. George Crocker, son of the railroad magnate of that name, is half owner in the ticket that drew the \$30,000 prize in the Louisville (Ky.) lottery. W. C. Gaddis keeps constantly on hand a fine, fresh stock of oranges, lemons and lemons and is disposing of them at reasonable rates.

Pete Chayner, a boy that was driven away from his home in Jackson county recently, started out with a surveying party for the brushy wilds of the Coquille, this week. Frank Bybee passed through town this week, on his way home from the State university. Frank is a son of ex-Sheriff Bybee of Jackson county, and will spend the holidays at home. B. B. Beekman, son of Hon. C. C. Beekman of Jacksonville, passed south on Wednesday evening's train, on his way home from the State University to spend the holidays.

The Democratic Era, published at East Portland, by John W. Kelly, has been changed from a tri-weekly to a weekly inside weekly. It is very pleasant. Col. Thomas Beall of Coos bay, who has been visiting his son-in-law Ed. Labree, of Garden bottom, for several days past, returned to the bay Wednesday morning. Billy Carl, of the C. & O. stage company, will soon start on a visit to his old home in Illinois. He left there a number of years ago and this will be his first trip back.

Miscellaneous News.

Merry Christmas. Settle with the printer. Villard stocks are steadily on the decline. Look out for counterfeit silver dollars. Everybody is going to the Christmas ball. Babbitt-metal, in quantities to suit, for sale at this office. Wolf Creek and Glendale no longer have express offices. Considerable vacant land is being taken up in Klamath county. There will be a shooting match at Oakland Christmas for a "turnover."

M. J. Green is the railroad agent at Grants Pass, having moved his headquarters from Glendale. L. Samu I, editor of the West Shore, will leave next week for a visit to Germany. Steamers leave Portland for San Francisco every five days. Instead of twice a week as heretofore. The success of the School Journal, published at Marshfield, is assured, and it will hereafter appear every month. J. N. Swift of Tenille, called this week and informed us that the farmers of that section are busy putting in crops. Klamath county is receiving considerable accessions to her population and much improvement is going on in that section. The contractors on the Siskiyou tunnel advanced 334 feet during November. At the present rate the tunnel will be finished by next August.

Herman and Louis Schell of Yreka, California, spent several days in Roseburg last week and returned south Saturday. The editor of the Jacksonville Times approached the subject of circulation again this week, but did not get "off" as bad as usual. A neat railing was built around the depot platform this week and the danger of passengers stepping off is thereby avoided. The Portland Mercury of last Sunday gives the reason why Harvey W. Scott of the Oregonian, was dismissed from the position of collector of customs. J. W. Curran went to Portland last week and his brother T. Curran, has been pulling the passenger train to Grants Pass with engine No. 13, during the past week. James McDonough and wife and Wm. Kahler and wife, of Jackson county, returned last week from their trip east with the pioneers and report having had a pleasant time. A new addition has been laid out to the town of Ashland, called Coolidge's addition. The people of Ashland expect to see great improvements in their town during the coming year. Mrs. A. A. Fink and daughter of this place, who have been spending the summer in Oakland, California, arrived at Portland last week and are the guests of Mrs. P. Newcomb. A man named Harrison will be tried in Umatilla county, at the next term of court, for setting fire to prairie grass. This is the first case of that nature ever in the courts of Oregon. Heavy frosts have fallen south of here during the past week, and in consequence it has been more difficult than usual to pull trains over the heavy grades. The C. and O. stage company now makes connection with the O. and C. R. R. company at Grant's Pass, satisfactory arrangements having been made whereby the railroad company delivers the mail at that place. W. L. Record, the enterprising marble man, went to Eugene Saturday to put some work at that place. He also put up one of the finest pieces of work over the grave of the late Dr. Venable, at Oakland, this week. We learn that more men have been put on the section between this place and Grants Pass and that the roadbed is being considerably improved. The road is in a much better condition than it was a few weeks ago. A copy of the Normal Teacher, a school journal published at Oregon City, was received this week. If its head and make-up are any indicators, we would say that it is a failure. Its last page of reading matter is on the first page of the paper and everything else accordingly.

Sam Downing and family, formerly of northern California, were registered at the Metropolitan hotel this week. Mr. Downing was steward of camp 9, on the O. & C. extension, and gave good satisfaction. He will accept a similar position on the Oregon Short Line. Tramps should "shy aron!" Ashland hereafter. At last meeting of the town trustees an ordinance was passed providing for the arrest of vagrants, who will be compelled, upon conviction of vagrancy, to work upon the streets for the improvement of the town. Yreka is destined to become the largest town between Sacramento and Portland on the California and Oregon railroad, it being about half way, and a central point for a vast extent of country, extending down into Humboldt county on the west, Del Norte on the west and the Klamath Lake country of Klamath and Lake counties in Southern Oregon, all these sections being naturally contiguous. [Yreka Journal. The "vastness" of that country is what gives it away. If there was less of it and of better quality then there might be some hopes for Yreka "city." But as it is we are afraid Yreka will get left.

Business Locals. Magic Lanterns at J. Jasulek's. Musical Albums at J. Jasulek's. Boys Tool Chests at J. Jasulek's. Ladies' Work Boxes at J. Jasulek's. Go to the new bakery for your tea, coffee and chocolate. The only genuine Henry Clay cigar in the city, at Morgan's. Try some of those bit cigars at Morgan's, up expressly for the fancy trade. Five loaves fresh bread for 25 cents, at J. A. Smith's bakery. A lot of records just received at J. Jasulek's, 100c lower than ever. All who purchase beautiful styles and reasonable prices, must fail to see the grand display of holiday goods at Jasulek's, the jeweler. At T. W. Morgan's you will find the finest assortment of holiday goods in the city, such as dolls, toys, tops, autograph albums, ladies purses, picture books, picture frames, and fancy ware of every description.

Santa Claus headquarters is at J. Jasulek's where you can find a large and splendid stock of useful, desirable and appropriate Christmas gifts. Just what everybody wants. Popular prices.

Christmas Festivities.

At a meeting of members of the Methodist and Presbyterian Sabbath schools of this place, at the Methodist church, Wednesday night, it was decided to hold an entertainment on Christmas eve, at the Presbyterian church, consisting of a Christmas tree, music and literary exercises. TO ADVERTISERS.—The INDEPENDENT has a larger circulation in Douglas county than any newspaper ever published here. If advertisers desire to get the worth of their money, this is an important point that they cannot lose sight of. If they advertise purely as an advantage to their business, this element in a paper is indispensable. RELIGIOUS ITEMS.—Rev. H. P. Webb will hold services at Canyonville Sunday, at 11 A. M., and at Days creek at 7 o'clock in the evening. Rev. J. W. Craig preaches at Myrtle Creek Sunday, at the usual morning hour. Rev. W. A. Smick holds services at the Presbyterian church in this place Sunday, both morning and evening. ELECTION.—The election of officers in the chapter of Royal Arch Masons Tuesday night last, resulted as follows: H. P., J. C. Fullerton; K., D. W. Stearns; S., J. T. Cooper; C. of H., N. P. Bunnell; R. A. C., John East; P. S., Rev. H. P. Webb; G. M., J. V. B. Hermann; G. M., J. P. P. Danca; G. M. 1st V., N. Larout; Secretary, W. I. Friedman; Treasurer, George Jones; Sentinel, John Lehner. An installation at Chapter hall and supper at Metropolitan hotel; concluded the proceedings. MAIL EXTENSION.—Wm. Carl, division agent of the C. O. stage company, passed through town on the train this week from Portland, where he had been making arrangements with the railroad company for carrying the mail to Grants Pass. Satisfactory arrangements were made Monday and connection was made the first time with the stages at Grants Pass Wednesday. Barb Backway went out to Glendale Tuesday night and will act as mail agent from that place to Grants Pass, until the government service is extended to the latter place. THE O. & C. EXTENSION.—Track-laying on the O. & C. extension south of Grants Pass, is progressing rapidly. The track-layers are about thirty miles south of that place and are expected to reach Phoenix by the first of next month. A station will be established there and no more track will be laid until the grade is finished to Ashland. Grants Pass will, however, probably be as far as passenger trains will run this winter. There is considerable heavy grading to be done just south of Ashland, which will not be finished until some time in February. COMPLIMENTARY NOTICE.—The attention of our readers is respectfully called to the advertisement, in another column, of D. M. Berry & Co., Detroit, Mich., the celebrated seedsmen. They do the largest business in their line in the United States; raise the bulk of their seed on their own farms, by the most approved methods, and have obtained a world-wide reputation for the quality and variety of the seed they put upon the market, and their integrity in filling all orders entrusted to them. Their beautiful Seed Annual for 1884, sent free to all who apply for it, will be found of practical value to all who desire to purchase seeds true to name. OREGON'S STANDING.—It is with considerable pride that we notice the fact that Oregon stands eighth among the States in the matter of those who are able to read and write, there being only 4.1 per cent unable to read, 5.7 per cent unable to write. It is ahead of New York and Massachusetts, with all their boasted advantages. We receive a great many questions on this subject from those talking of settling here. If they would take the trouble to hunt up the statistics, they would be surprised at the advancement of this country. TO OUR PATRONS.—It has been some time since we called on our patrons for what was due us, and now that we intend making some extensive improvements to the INDEPENDENT, we hope that they will come forward and settle immediately. We dislike very much to dun a person for two or three dollars, but unless the amount due us is paid we will have to call personally on every subscriber. There is considerable money outstanding on our books and comparatively few patrons owe us over two dollars and fifty cents. We will send out statements in a few days and hope all will respond. ATTENTION, TRAMPS.—The town board of trustees, at their last meeting, passed a vagrant ordinance. The following described persons are considered vagrants: All persons who have no visible means of living or lawful occupation by which to earn a living; all healthy persons who shall be found begging the means of support; all persons who habitually roam about the streets, without any lawful business; all idle or dissolute persons who live in or about houses of ill fame; all persons having no occupation or business, who shall be found wandering during about the streets after the hour of ten o'clock P. M., shall be deemed vagrants and upon conviction thereof shall be punished by imprisonment in the city jail for a term of not less than two nor more than ten days. They will also be required to work on the streets, under the supervision of the Marshal.

FROM OAKLAND. Business is quiet. We are enjoying a pleasant rain. Quietude and peace once more prevails. The holidays are near at hand and all are preparing for a glorious time. A. Williams, who has been absent for several months, is expected home in a few days. C. G. Durland and wife, who have been east for several months, arrived at home this week, satisfied that there is no place like their western home. M. Fickle, who has been in the employ of the railroad company at this place for some time, has been summoned to some other point. Mr. Fickle will be greatly missed by a large number of friends. Our matrimonial market is booming at present and may continue in an exciting condition for some time to come. We will be able to report a double wedding next week. Can't account for this unexpected rush, unless this peculiar season has made a change in the natural order of things. A little pugilistic exercise was engaged in here a few days since, by some of our young boys, but owing to the interference of the Marshal peace and quietude was again restored. Only a small amount of blood and carnage was the result of the encounter. Our nocturnal artist and bill-sticker is at his post again and has made some startling revelations. He fixed up our rope-walk good shape and quietly invited him to perform new scenes, where his worth would be more appreciated. A certain party residing in this town has become somewhat infatuated with a hotel business in Glendale and is making frequent visits to that secluded place, and may in a short time permanently locate there. There are many allurement which have a tendency to cause the party to seek such a rendezvous, and there, among the tall pines, where the brooklets gully murmur in their downward course to the sea, peace and quietude attended by other requisites, will always be hers. X. X. X. Benton Kent was adjudged insane yesterday and taken to the asylum. NEW TAILOR SHOP.—B. Rosenthal has opened a first-class tailor shop, one door east of A. C. Marks' cigar store. Mr. Rosenthal is an excellent workman and is deserving of patronage. COVER D'ALENE MINES.—The appended items are late arrivals from the new mines: The new trail to the Couer d'Alene from Heron siding is finished. It is reported almost impassable. There is but one mile in the Couer d'Alene country and the owner of the animal demands \$15 a day for him. Quartz prospecting has ceased. Every foot of ground in Pritchard gulch is taken up. Eagle city is being built at a lively rate. There are five saloons and a stud horse game in each one of them. Many men are going into the new camp daily, and almost as many leaving. Such is the location of Eagle City that the sun disappears from sight at noon daily. [Spokane Falls Review. EXTENSIVE ARRANGEMENTS have been completed by which we are enabled to supply the Compound Oxygen for home use to any extent, and to all parts of the country, giving at the same time the right of free consultation by letter during the time a patient may be using the treatment. Every case submitted to us will be carefully considered. Our Treatise on Compound Oxygen, its nature, action and results, with reports of cases and full information, sent free. Dr. Starkey & Palen, 1109 and 1111 Girard street, Philadelphia, Pennsylvania. All orders for the Compound Oxygen Home Treatment directed to H. E. Matthews, 606 Montgomery street, San Francisco, will be filled on the same terms as if sent directly to us in Philadelphia.
