SUDDEN DEATH.—Orme Otis, well known in this community as the very efficient assistant in the Roseburg post-office, died very suddenly on the morning of the 17th inst., at the residence of H. C. Stanton, in this city. Orme was 17 years old and was born in Iowa, but prior to coming to Roseburg resided with his parents at Cresswell, Lane county, this State. The immediate cause of his death was a congestive chill, induced by drinking too much cold water, while suffering from inflammation of the stomach. He was universally respected and his early demise is generally regretted. The remains were taken yesterday to Cresswell for interment.

Eldorado Mineral Water.

CHEMICAL ANALYSIS. CHEMICAL LABORATORY, ASSAY OFFICE, DELAWARE ROOMS AND ONE ROOM, SACRAMENTO STREET, SAN FRANCISCO, NOV. 23, 1883.

Messrs. Holbrook, Merrill and Sitton, Gentlemen, have submitted to qualitative analysis the sample of Eldorado water handed me for examination and find it to consist of the following substances: Carbonic Acid, Sulphuric Acid, Iron, Alumina, Lime, Magnesia, Soda and organic matter.

THOMAS FRICK, Eldorado.

Gaily bedight, a gallant knight, In sunshine and in shadow, Had journeyed long, singing a song, In search of Eldorado.

But he grew old, this knight so bold, And o'er his heart a shadow Fell as he found no spot of ground That looked like Eldorado.

And as his strength failed him at length He met a pilgrim shadow, "Shadow," said he, "where can it be, This spring of Eldorado?"

Quoth the shadow, "For the benefit of suffering humanity I will state that the Eldorado spring is situated three miles west from Roseburg, and a supply of the water is kept constantly on hand and for sale by Dr. S. Hamilton, agent, Roseburg, Oregon."

Julian Joseph, of the well known firm of Hoffman and Joseph, of Albany, bears the following testimony: ALBANY, OGN., December 20, 1883.

Geo. W. Jones, Dear Sir: I would here state to you that a year ago I suffered untold agonies on account of piles (hemoids) and went to Portland to get relief from doctors there. I met Mr. Apple of Roseburg, who advised me before seeing the doctors to try your Eldorado Mineral Water. I did so and had one dozen bottles sent to me by A. E. Champagne. I used one-half bottle before every meal, one small glass full. I not only was relieved, but am certainly cured by what I used, and thank you for it, because I suffered more than I can express. I would advise any one suffering from this disease to try your Mineral Water. It is a sure cure. I am at liberty on my account. I think this is the case I can do for you, as I was cured by it. Respectfully yours, JULIAN JOSEPH.

ROSEBURG, Dec. 3, 1883. GEO. W. JONES: Dear Sir: From short curiosity I was induced to try Eldorado Water and was not only surprised but highly gratified with the result. I have for many years been a sufferer from dyspepsia and have tried every kind of regimen known to pharmacy and without result. The contrary was my experience from the use of your mineral water. Taken according to directions it produced immediate relief and in a short time, if continued, would secure permanent cure. To any who will visit Roseburg to have for many years been a sufferer from dyspepsia and have tried every kind of regimen known to pharmacy and without result.
