# Regulation of Railroads.

CANYONVILLE, Jan. 22, 1884.

MR. EDITOR: There is a question which we of this section of the county deem of great unportance and upon which we want to be advised before the June election.

various lines of railway? That they \$3,224.44. have a right to do so is undisputed. that it should in justice be done. Does either of the two political parties fear the influence of these gigantic corporations so much that they will decline to act in the matter? If so it is time they would show their hands. The people who are directly interested want to be informed on this question. If both the old parties should decline to act on this question there are enough independent voters in this county who will support no candidate for the Legislature on either ticket who is not outspoken and known to be honest upon this question, to secure the defeat of every aspirant

Notice.—All parties knowing them selves indebted to the estate of the late W. E. Palmer, of Drain, will please come and settle at once, by cash or
