SAN FRANCISCO, CAL.-The Chronicle publishes in substance the following mar-vel: Captain W. F. Swasey, the oldest pioneer of the coast, makes a statement of the intense suffering of his friend Colonel D. J. Williamson, an army officer of tinction and an ex-United States C who was attacked in the winter of 1861-2 with violent rheumatism. So great was his agony in after years, he became a help-less cripple, and after trying numberless remedies, the baths of other countries and spending a fortune of \$20,000, the disease eemed to assume a more virulent type. Finally, he was persuaded to try St. Jacobs Oil, the great conqueror of pain. It worked a miracle of cure. In a letter to the Chronicle he confirms Captain Swasey's statement and adds: "I cheerfully give my unqualified lattestation to the truthfulness of the statement, because I feel perfectly certain that a knowledge of my cure by St. Jacobs Oil will prove the means of relieving hundreds of sufferers."

TORPID BOWELS

DISORDERED LIVER, and MALARIA. From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: Loss of the diseases of the human race. These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Bots before the eyes, highly colored Urine, CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. AsaLiver medicine TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. TUTT'S PILLS cause no nausea or griping nor interfere with daily work and are a perfect

ANTIDOTE TO MALARIA.

Iodide of Potassium is one of the strongest of the minerals use in medicine, and has produced much suffering in the world. Taken for a long time and in large doses, it dries up the gastric juices, impairs digestion, the stomach refuses food, and the patient declines in health and weight. Persons with Blood or Skin Discases should be careful how they take these mineral poisons, as in most instances the effect of them is to almost permanently impair the constitution. To take the place of these poisons we offer you a safe, sure, prompt, and permanent relief from your troubles. Swift's Specific is entirely a vegetable preparation, and it is easy to convince you of its merit.

I have cured permanently Blood Taint in the third generation by the use of Swife's Specific, after I had most signally failed with Mercury and Potash. F. A. TOOMER. M. D., Perry, Ga. A young man requests me to thank you for his cure of Blood Poison by the use of your Specific after all other
