Sheep Husbandry-Does it Pay?

Our answer to a correspondent is:

Second. Herders wages \$30 to \$35 per month and board,

Third. Cost per 1000 head, will dedend on (if land is owner) the interest on investment; or if leased, the rental. Mr. Atterbury's, on the 25th inst. If pastured on the vacant government lands found in the frontier counties, then the only items of expense would be the herders' wages, and possibly, a

hay crop cut on the plains. Fourth. Land improved, \$8 to \$40 per acre; unimproved, \$3 to \$8 per

acre; sheep ranges, \$3 to \$5 per acre. Fifth. The sheep of the Umpqua country are usually well graded. The predominating grades are Spanish merino and Cotswold. The mixed grades will average 6 pounds per head, the common unimproved sheep 3 to pounds, and the pure bred merino from 10 to 16 pounds-many bucks having flueces as heavy as 25 pounds.

Sixth. Price of wool varies -- some years as low as 22 cents for spring clip; at other times up to 35, and some years ago as high as 45 cents.

Owing to the uniformly equal temperature of the climate, the clean grassy hills and pure waters, and also the care taken in the improvement of flocks, the Umpqua wools rank first in quotations of Pacific coast wools.

MRS. MARY BROWN, widow of John Brown, of famous memory, died at San Francisco, on the 2d inst. Brown went from her home in Santa Clara county and took lodgings with her daughter in San Francisco. She secured treatment, and her health for a which the cougar had recently killed and time was thought to be improving, but was burying when the hunters ap- a few days since she began to fail rapidly, and her life terminated as stated. Mrs. Brown resided with other members of her family, on a small farm near

> Too Honest .- A prominent mercanwhom in all confidence, they imparted the secret of the trade mark. In an evil hour this individual was sorely tempted and he yielded. During the solemn hours of the night he rummaged and ransacked the store-taking down and examining and leaving in great confusion goods of much value. Fi nally his eyes rested upon a pair of brogans, value fifty cents, which he incontinently appropriated and took off on his feet. Suspicion rested upon him, he was pursued by the vigilant vengeance of the law; he was caught, brought back and arraigned for trial. Whereupon he was asked why he was content to, steal only the shoes, and with a deep, sad sigh he replied that he examined the mark on the goods and concluded that it would be quite unconscionable to offer the goods at the hope to find a purchaser. He was im-

mediately discharged with a present of \$25 and a chromo. Moral-honesty is

its own reward. ENTERTAINMENT.—The officers and members of the teacher's institute now in session at this place, have made arrangements to give a literary and musical entertainment at the court house to-night, (March 6) at which time cur citizens may expect a rare treat, as the best talent of this part of The old town school, under the man- the State will assist.
