TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER, and MALARIA.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "**scavengers of the system,**" producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work and are a perfect

Durham is historic. It was neutral ground during the armistice between Sherman and Johnson. Soldiers of both armies filled their pouches with the tobacco stored there, and, after the surrender, marched homeward. Soon orders came from East, West, North and South, for "more of that elegant tobacco." Then, ten men ran an unknown factory. Now it employs 800 men, uses the pink and pick of the Golden Belt, and the Durham Bull is the trade-mark of this, the best tobacco in the world. Blackwell's Bull Durham Smoking Tobacco has the largest sale of any smoking tobacco in the world. Why? Simply because it is the *best.* All dealers have it. Trade-mark of the Bull.

SKIN HUMOR.

My baby, six months old, broke out with some kind of skin humor, and after being treated five months by my family physician was given up to die. The druggist recommended Swift's Specific, and the effect was as gratifying as it was miraculous. My child soon got well, all traces of the disease is gone, and he is as fat as a pig. J. J. KIRKLAND, Minden, Rusk County, Texas.

I have suffered for many years from ulcers on my legs, often very large and painful, during which time I used almost everything to effect a cure, but in vain. I took Swift's Specific by advice of a friend, and in a short time was cured sound and well. EDWIN J. MILLER. Beaumont, Texas.

I have been afflicted with Scrofula for twelve years, and have had sores on me as large as a man's hand for that length of time. Last summer I was so bad off that I could not wear clothing. I had spent hundreds of dollars in the effort to be cured, but all to no purpose, and had injured myself with Mercury and Potash. Your Swift's Specific cured me promptly and permanently, and I hope every like sufferer will take it. R. H. HIGH, Lakonl, Ark.
