Operators are disposed to give quick dispatch to vessels, and the outlook is quite favorable for a good export movement within the next two or three months. BAGS AND BAGGING—The reapers have been in the wheat fields of California for a month, but little new wheat has been sacked, and consequently the actual consumptive demand for wheat bags has been light. The promised advance in those goods is yet to be fulfilled. Brewing maintains a pretty strong front. Buyers are in the market for prime lots, paying without objection $1.02@1.05 for the best in market, while less desirable offerings are placed within a limit of 95c @$1 ⅌ ctl. Sales were:

AT DEATH'S DOOR.

Rev. J. H. Richards, of South Haven, Mich., gives us, under date of June 14th, 1882, the following account of what Compound Oxygen did for an old lady, seventy years old, who, a year ago, was at death's door:

"Compound Oxygen has done a fine work here in the person of a lady near seventy. She had a pulmonary attack, coughed incessantly and became greatly reduced—in fact, was completely prostrated. *The physicians said that they could do no more for her, and that her end was at hand.* She used, after this, one Treatment, and was so much relieved that she could endure life. But in two or three months she *was again at death's door.* Her family were called in to say farewell, and she gave them her dying charge. But not really dying, one of the daughters asked if the Compound Oxygen had ceased to do her good. 'Oh! no,' she replied, 'but I have been without it for some time.' A Treatment was immediately procured. This was about one year ago. *Now she is doing work for her family and going out visiting* in her carriage for miles in the country."

Our "*Treatise on Compound Oxygen*," containing a history of the discovery and mode of action of this remarkable curative agent, and a large record of surprising cures in Consumption, Catarrh, Neuralgia, Bronchitis, Asthma, etc., and a wide range of chronic diseases, will be *sent free.* Address Drs. CANCER
The experience in the treatment of Cancer with Swift's Specific (S.S.S.) would seem to warrant us in saying that it will cure this much dreaded scourge. Persons so afflicted are invited to correspond with us.
I believe Swift's Specific has saved my life. I had virtually lost use of the upper part of my body and my arms from the poisonous effects of a large cancer on my neck, and from which I had suffered for twenty years. S. S. S. has relieved me of all soreness, and the poison is being forced out of my system. I will soon be well.
W. R. Robison, Davisboro, Ga.
Two months ago my attention was called to the case of a woman afflicted with a cancer on her shoulder at least five inches in circumference, angry, painful, and giving the patient no rest day or night for six months. I obtained a supply of Swift's Specific for her. She has taken 5 bottles and the ulcer is entirely healed up, only a very small scab remaining, and her health is better than for 5 years past; seems to be perfectly cured.
Rev. Jesse H. Campbell, Columbus, Ga.
I have seen remarkable results from use of Swift's Specific on a cancer. A young man here has been afflicted five years with the most angry-looking eating cancer I ever saw, and was nearly dead. The first bottle made a wonderful change, and after five bottles were taken, he is nearly or quite well. It is truly wonderful.

Vital Questions!!!!

Ask the most eminent physician
Of any school, what is the best thing in the world for quieting and allaying all irritation of the nerves, and curing all forms of nervous complaints, giving natural, childlike refreshing sleep always?
And they will tell you unhesitatingly
"*Some form of Hops!!!*"

CHAPTER I.

Ask any or all of the most eminent physicians
"What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs; such as Bright's disease, diabetes, retention, or inability to retain urine, and all the diseases and ailments peculiar to Women"—
"And they will tell you explicitly and emphatically "*Buchu!!!*"
Ask the same physicians
"What is the most reliable and surest cure for all liver diseases or dyspepsia; constipation, indigestion, biliousness, malaria, fever, ague, &c," and they will tell you:
Mandrake! or Dandelion!!!!"
Hence, when these remedies are combined with others equally valuable.
And compounded into Hop Bitters, such a wonderful and mysterious curative power is developed, which is so varied in its operations that no disease or ill health can possibly exist or resist its power, and yet it is
Harmless for the most frail woman, weakest invalid or smallest child to use.

PAPILLON
"A CINCINNATI DRUGGIST REPORTS."
Mr. Ferd. Zuenkeler, Druggist, No. 686 Vine St., Cincinnati, O., writes under date April 7th, 1884, I have obtained four additional verbal testimonials for "The Big Four" Peerless Papillon Remedies from my customers. Mr. Louis Grater says, "Papillon Blood Cure works like a charm." Geo. C. Hasenfels, of Bethlehem suburb, says: "Papillon Blood Cure is a great relief to him, and is glad that he has at last found something that will do him good." Miss C. E. Relshark, No. 302 McMicken Avenue, praises Papillon Skin Cure very highly. She has used three bottles. Mr. Adam Kiefer, cor. 3rd and Martin Sts., has used two bottles of Papillon Catarrh Cure, and says, "he is positive it will cure him if he keeps it up," which he says, "I will do." Mr. Reule, of whom I wrote in my last letter, said to me this evening that your "Papillon Catarrh Cure is a good remedy, because he has given it a fair trial and has obtained most excellent results therefrom."
"NOTHING LIKE IT FOR RHEUMATISM."
Mrs. Rilla Stevens, No. 3032 South Dearborn St., says that she used Papillon Skin Cure for Inflammatory Rheumatism, with the happiest results. It reduced the inflammation and swelling, and relieved the intense pain in less than two hours; she cordially recommends it to all rheumatic sufferers. It is applied by rubbing the joints and affected parts with the remedy for some moments, the pain ceased almost instantly.
