SAN FRANCISCO MARKETS.

RECEIPTS—Wheat, 143,000 ctls.; flour 95,000 qr. sks.; oats, 10,500 ctls.; potatoes, 5,500 sks.; eggs, 16,500 doz.

BAGS AND BAGGING—The wheat bag market continues stagnant. It is found that the supply is in excess of the demand, as has been the case for many years. We quote best quality Calcutta wheat bags, standard size and weight, at 5⅛@6c for spot lots; San Quentin factory make, 5½; California Jute Mill make, 6¼@7c; potato gunnies, 11@12c; wool bags, 37½@42½c apiece; Burlap cloth, 6⅜c for 40 inch.

FLOUR—Prices remain uniform. We quote: San Francisco extra, best, at $4.25@4.80; medium, $3.50@4.00; shipping superfine, $2.50@3.50.

EGGS—℔ doz., 40@41c.

POULTRY—Live turkeys, gobblers, 21@24c, do, hens, 21@24c, do, dressed, —@—c; roosters, $5.50@6.00 for old, and $5.50@7.50 for young; hens $6.00@8.50; broilers, $4.00@4.50, according to size; ducks, $6.50@8.00 ℔ doz.; geese $2.25@2.75 ℔ pair.

BARLEY—The vagaries of call trading sadly upset values in the sample market. Holders of Feed are anxious to realize the full figure of the day, and as $1.03 ℔ ctl was bid at the call session for any part of a thousand tons, seller 1884 delivery, it would seem reasonable to suppose that, if wholesale lots were worth such a price, certainly retail parcels as exhibited on the tables ought to bring at least $1 ℔ ctl. Yet dealers quote No. 1 Feed at 92½@95c, claiming that buyers will not give more. Brewing is moderately active and steady at a range of 95c@$1.10 ℔ ctl. In Chevalier there is no movement of consequence, while prices are undisturbed, ranging from $1.15 to $1.50 ℔ ctl, according to quality. Sales were:

No. 1 Feed—	Bid.	Asked.
Spot	$1 02½	$ ——
Buyer season	1 13⅜	$1 13⅞
Seller season	1 01⅜	1 01½
Buyer 1884	1 07¼	1 08
Seller 1884	1 03	1 03¼

SEEDS—Brown mustard, $2.50@3.00; yellow, $2.00@2.25; canary, 4@5c; hemp, 3½@3¾c; rape, 2½@3c; timothy, 5½@6c, alfalfa, 7½@8c ℔ ℔.; flax, $2.75@3 ℔ ctl.

APPLES—℔ bx., 30@50c.

MELONS—Cantaloupes, 25@50c ℔ crate; watermelons, $3@6 ℔ 100.

GROUND BARLEY—Quotable at $20@22.50 ℔ ton.

BUCKWHEAT—Quotable at $2.10@2.25 ℔ ctl.

WHEAT—The situation does not look well for sellers. It was not expected that the month of October would pass through without some change for the better at foreign centers, but this hope has not been realized. In fact, the spot market at Liverpool was reported lower last week than at any time previously this year, and the present season has been a pretty low one for values. Shippers are not disposed to pay more than $1.22½ ℔ ctl for the best No. 1 grades, though perhaps a fancy lot might bring $1.23¾. Millers will pay $1.25@1.27½, but beyond the latter figures they decline to purchase. Closing prices were:

No. 1 White—	Bid.	Asked.
Buyer season	$1 38½	$1 38⅞
Buyer season, city	1 40	1 40½
Buyer 1884	1 28½	1 30
Seller 1884	1 24	1 24½
Buyer 1884, city	1 31½	1 32

OATS—The market is steady at our quotations. Late arrivals of Washington Territory have been placed at from $1.05 to $1.16½. The best lot of these Oats would class as No. 1 grade, but they cannot pass official inspection on account of damp condition.

We quote: Surprise and milling, $1.40@1.45; No. 1, $1.25@1.35; No. 2, $1.10@1.15; black, $1.00@1.10 ℔ ctl; new Salinas feed, $1.10@1.25.

BRAN—The spot market is quotable at $17.50@18.50 per ton.

Loss and Gain.

CHAPTER I.

"I was taken sick a year ago
With bilious fever."

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides, and I got so bad I
Could not move!
I shrunk!
From 228 lbs. to 120! I had been doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magic, and after using several bottles, I am not only as sound as a sovereign, but weigh more than I did before. To Hop Bitters I owe my life." R. FITZPATRICK.
Dublin, June 6, '81.

CHAPTER II.

"Malden, Mass., Feb. 1, 1880. Gentlemen—I suffered with attacks of sick headache,"

Neuralgia, female trouble, for years in the most terrible and excruciating manner.
No medicine or doctor could give me relief or cure, until I used Hop Bitters,
"The first bottle
Nearly cured me;"
The second made me as well and strong as when a child,
"And I have been so to this day."
My husband was an invalid for twenty years with a serious
"Kidney, liver and urinary complaint,
"Pronounced by Boston's best physicians—
"Incurable!"
Seven bottles of your Bitters cured him and I know of the
"Lives of eight persons"
In my neighborhood that have been saved by your bitters,
And many more are using them with great benefit.
"They almost
Do miracles?" —*Mrs. E. D. Slack.*

CANCER

The experience in the treatment of Cancer with Swift's Specific (S.S.S.) would seem to warrant us in saying that it will cure this much dreaded scourge. Persons so afflicted are invited to correspond with us.

I believe Swift's Specific has saved my life. I had virtually lost use of the upper part of my body and my arms from the poisonous effects of a large cancer on my neck, and from which I had suffered for twenty years. S. S. S. has relieved me of all soreness, and the poison is being forced out of my system. I will soon be well. W. R. ROBISON, Davisboro, Ga.

Two months ago my attention was called to the case of a woman afflicted with a cancer on her shoulder at least five inches in circumference, angry, painful, and giving the patient no rest day or night for six months. I obtained a supply of Swift's Specific for her. She has taken 5 bottles and the ulcer is entirely healed up, only a very small scab remaining, and her health is better than for 5 years past; seems to be perfectly cured. REV. JESSE H. CAMPBELL, Columbus, Ga.

I have seen remarkable results from use of Swift's Specific on a cancer. A young man here has been afflicted five years with the most angry-looking eating cancer I ever saw, and was nearly dead. The first bottle made a wonderful change, and after five bottles were taken, he is nearly or quite well. It is truly wonderful. M. F. CRUMLEY, M. D., Oglethorpe, Ga.
