Boxing, \$5.00 extra. STUDEBAKER & BROS. Agents. - - San Francisco. Cal. HUMOR. SKIN

My baby, six months old, broke out with some kind of skin humor, and after being treated five months by my family physiciou was given up to die. The druggist recommended Swift's Specific, and the effect was as gratifying as it was miraculous. My child soon got well, all traces of the disease is gone, and he is as fat as a pig.

J. J. KIRKLAND, Minden, Rusk Councy, Texas.

I have suffered for many years from ulcers on my legs, often very large and painful, during which time I used almost everything to effect a cure, but in vain. I took Swift's Specific by advice of a friend, and in a short time was cured sound and well. EDWIN J. MILLER.

I have been afflicted with Scrofula for twelve years and have had sores on me as large as a man's hand for that length of time. Last summer I was so bad off that I could not wear clothing. I had spent hundreds of dollars in the effort to be cured, but all to no purpose, and had injured myself with Mercury and Petash. Your Swift's Specific cured me prometly and permanently, and I hope every like sufferer will take it.
