Democrat and Chronicle of the 31st of December, a statement made by J. B. Henion, M. D., narrating how he had been cured of Bright's disease of the kidneys, almost in its last stages, by the use of Warner's Safe Cure. I was to try the remedy, which he did, and was cured. The statement of Dr. Henion is true, so far as it concerns myself, and I believe it to be true in all other respects. He was a parishioner of mine and I visited him in his sickness. I urged him to take the able for active service. medicine and would do the same again to any one who was troubled with a disease of the kidneys and liver.

A Bad Year for Weddings.

Weddings in India will be unlucky if annum celebrated during this year. Every twelve years in the Hindoo ealendar occurs a year during which it is held that no marriage must take place, and accordingly within the last few months the matrimonial market has been unusually lively. This custom will greatly affect the Government Registration Thus, in one village, a hus or abuse his wife; another bridegroom case a low-class Hindoo, who is the son of a second husband, binds himself not to occupy such seats at marriage ceremonies as are intended for those of his belonging to opposite factions under-took to enter into a certain religious dispute, the vanquished side to pay an indemnity and become the victor's disci-ple.—Boston Transcript. class who are sons by first husbands.

This medicine, combining Iron with pure vegetable tonics, quickly and completely Cures Dyspepsin, Indigestion, Weakness, Impure Bloed, Malaria, Chilis and Fevers, and Neuralgia. It is an unfailing remedy for Diseases of the Kidaeys and Liver. It is invaluable for Diseases peculiar to Women, and all who lead sedentary lives. It does not injure the teeth, cause headache, or produce constipation—other Iron medicines do. It enriches and purifies the blood, stimulates the appetite, aids the assimilation of food, re-lieves Heartburn and Belching, and strength-ens the muscles and nerves. For Intermittent Fevers, Lassitude, Lack of

WHAT IS CATARRH ?

Catarrh is a muco-purulent discharge caused by the Catarrh is a muco-puralent discharge caused by the presence and development of the vegetable parasite amoeba in the internal lining membrane of the nose. This parasite is only developed under favorable circum-stances, and these are: Morbid state of the blood, as the blighted corpuscle of tubercle, the germ poison of syphi-lis, mercury, toxomea, from the retention of the effete matter of the skin, suppressed perspiration, badly ven-tillated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irri-tation, ever ready for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces or back of throat, causing ulceration of the throat; up the eustachian tabes, causing deafness; bur-rowing in the vocal cords, causing hoarseness; usurping
