The census rolls have been completed and sent out to the various county assessors from the office of the Secretary of State. If faith fully taken as provided for the blanks furnished the census of 1885 will make a valuable showing. W. H. H. Grant special Agent of the "Traveler's Insurance Company," has been in town this week and has done considerable business in the Accidental insurance department. We believe this to be a good company to insure in.

Reports says that Sol Abrahams will build the proposed warehouse at Central Point and will also have a store with a large stock of goods at the same point. Sol never does things by halves and if he once starts in he may build us a railroad before he quits. The undersigned will sell at public auction April 8th 1885, all the personal property belonging to the estate of Philip Peters deceased, at the farm of the deceased, 6 miles east of Roseburg, on Deer Creek.

Insure in the companies represented by W. N. Moore. They are first-class and reliable. The immigration to Oregon this year will be the greatest ever known in the history of the state.

Prof. Fehnenman's dancing school is well attended and is giving much satisfaction to the pupils. Tom Farquar and J. Johns went on a prospecting tour to Olalla last Friday but returned Monday.

M. Tipton brought some fine horses to town this week and no doubt sold them at a good price. Several ugly characters have been seen in town recently. It would be well to keep a sharp lookout.

Roseburg is rapidly improving and many new buildings are in course of erection this delightful weather. Hon. Jas. Chenoweth, of Oakland, made Roseburg a flying visit Tuesday. We are always pleased to see him.

We received an interesting communication from Canyonville this week, but accidentally mislaid it, and our apologies are due the author. Write again.

Read the account of Miss Cleveland, the new mistress of the White House, published in another column. It was furnished us by our Oakland correspondent. Why do all the conductors and railroad men wear such neat fitting suits?—reason, because you see, they go to A. Roberts the Clothier in Portland and get them.

Do not forget the Yankee Doodle Band Minstrels at Slocum's Hall next Tuesday evening. The boys deserve a generous benefit. Secure a reserved seat at once. R. G. Scroggs, Jr., Roseburg's enterprising Real Estate Agent, has just placed several advertising signs around town. They were printed at the Review office, and are beauties.

The Methodist Sunday School will give a grand entertainment at Slocum's Hall this (Friday) evening. It will be well worth the price of admission to attend. Do not forget it and take all the little folks.

We learn that our genial express Agent, J. G. Fuller, is going to send for the Cardiff Giant to beat the eyeballs of the Yankee Doodle Band. And if what we saw in the instrument Mr. Fuller is right in doing so. The Central Pacific has negotiated for the loan of ten million dollars with which to complete the road to the Oregon terminus on the Siskiyon. We soon will have direct connection by rail to San Francisco which is a long felt want.

Leoni, a tight rope walker, who performed in this city, several years ago, met his death at Stockton, California, recently, by the breaking of one of the tackle ropes, which let him fall on his head, fracturing his skull. He was 34 years of age. Go to the New Hotel in Junction City and get first class accommodation. Specially made for drunks. We know the land lord and lady, and can vouch for your satisfaction. Don't forget that you read this local when you go to Junction City.

A large circle of friends will be bereaved because of her untimely death. Her name was Katie Butler previous to last marriage. A very few days in the country just now will convince anyone that the man who owns a well-kept farm, free from all incumbrances well supplied with comfortable building and implements and stock necessary to carry it on, is the most enviable, because the most independent of men.

Elisha Livingston died last Friday at his home in Coles Valley of Chronic Bronchitis aged 43 years. He came from Missouri in an early day, and has been identified with the interest of this country ever since. He was regarded as upright in his dealings, and leaves many near friends to mourn his departure, to that "bourne from which no traveler returns." John Carter of Looking Glass died at his home Wednesday 25 inst, of irritation and obstruction of the upper bowels. He leaves a wife and several children to mourn his loss. Deceased was born in 1830 and aged 55. He came across the plains from Missouri in 1850, and has lived in Oregon ever since. He was an old pioneer, and lived and died a respected citizen of Douglas County. Peace to his ashes.

Thus far the month of March has behaved nobly. According to the report of Mr. Naury, Signal officer of this place, we have had but 28-100 inches of rain so far this month. Peach trees have been in full bloom for two weeks, shade trees are clad in summer garb and grass has been plentiful during the entire winter. Stock is fat and every body correspondingly happy. Yea verily, "Who has not heard of the vale of Cashmere."

Wedding Notice.

The marriage rites between Freelin Cornutt of Riddle Douglas county, and Miss Lillian Caran of Benton county Oregon, were duly celebrated last Wednesday morning by the Rev. J. R. N. Bell at the bride's residence, the Occidental Hotel, in Corvallis. The wedding was rather private, but elegant. Mrs. James Hamilton and Miss Inez Hamilton of Roseburg were present. The groom is a young man of sterling integrity, and possessed of moral worth. He is the son of Nosh Cornutt, well known in Douglas county as one of her best citizens. And the bride is a "chip of the old block." Miss Caran is well known in our city as being a young lady of fine accomplishments, and well connected. Her father is the Proprietor of the best Hotel in Corvallis, and is doing a splendid business. Mr. and Mrs. Cornutt have many friends in Roseburg who wish them many years of prosperity. Mr. Cornutt is now engaged in the mercantile business in Riddle, and with the young lady possessing so many good business qualities, to assist him, without doubt, they will reach the goal of success. The REVIEW offers this laurel, may the bright blushing rose of happiness ever bloom in the garden of your destiny.

From School District No. 10. School District, No. 10, March 22d. EDITOR REVIEW.—In justice to the taxpayers of Red Hill school district, I beg leave to reply to an article published in the Oregonian of March 6th. The writer seems to be a disappointed taxpayer and hides his name behind an alias. He starts out by saying that the majority of the voters of the district are non-taxpayers, an assertion which he knows to be false. There are 23 voters in the district and 16 are taxpayers. The writer says that the district has been controlled by non-taxpayers for years, which is another false assertion. At the last school meeting, which the writer takes so much objection to, there were only three non-taxpayers present to five taxpayers. Mr. Taxpayer further says that two of the directors are non-taxpayers and were elected by non-taxpayers. At the last election the chairman being a non-taxpayer did not vote and the present non-taxpayer director was unanimously elected receiving 6 votes, not voting 1. Now, I would like to have the writer of the article in the Oregonian to show the illegality of our school meeting and please confine himself to the truth. TAXPAYER.

From Clippolis. Grain looks fine. B. L. Barnard has the finest horse of the season. T. Barnard has on hands a fine lot of mutton sheep for sale. Willie Thompson a promising young man of Coles Valley is attending school this term. Rev. J. C. Richardson preached a fine sermon last Sabbath. After service there were three persons baptized. Miss Ida Clarke, who has been attending school at Roseburg, is visiting friends and relatives in this section. Prof. H. D. Thomas commenced school at this place Monday last with an attendance of about thirty pupils. Miss Amanda Kerley, a well known music teacher will soon take her departure for Portland. She will leave many warm friends who wish her a pleasant trip. President Cleveland has appointed Edward P. Phelps, of Vermont, Minister to England. He is 60 years of age, a staunch Democrat, an able lawyer and a cultured gentleman. He is endorsed by Tilden and Field, and although a dark horse, his nomination gives general satisfaction. Robert M. McLane, Governor of Maryland, has been appointed Minister to France. This is a most popular selection. Geo. H. Pendleton, of Ohio, has been appointed Minister to Germany, which is considered President Cleveland's best Ministerial nomination. H. R. Jackson, of Georgia, is the new Minister to Mexico. He was Minister to Austria from 1853 to 1858.

The Coast Mail, with its characteristic effrontery has a long attack on Col. John Lane, of this place, accusing him of seeking the office of Collector of Customs at Empire City and having a big petition to that effect sent to Washington. We interviewed Col. Lane upon the subject and he states that if such a petition has been sent to Washington he knew nothing of it and had not desired it. We know further that it would be very foolish in Col. Lane to give up his law practice in this city for the position named. Wanted.—An improved farm of about 100 acres of land, more or less, within four or five miles of Roseburg. Enquire of R. G. Scroggs, jr. Office with Lane & Lane.

Syrup of Figs.

Nature's own true Laxative. Pleasant to the Palate, acceptable to the Stomach, harmless in its nature, painless in its action. Cures habitual Constipation, Biliousness, Indigestion and kindred ills. Cleanses the system, purifies the blood, regulates the Liver and acts on the Bowels. Breaks up Colds, Chills and Fevers, etc. Strengthens the organs on which it acts. Better than bitter, mucous Liver medicines, pills, salts and draughts. Sample bottles free, and large bottles for sale by S. Hamilton.

Washed-Out Hair. There is a sort of pallid, chalky complexion which the novelists call a "washed-out complexion." It is ghastly enough, and no mistake. Washed-out, faded, discolored, or parti-colored hair is almost as repulsive and melancholy. Parker's Hair Balsam will restore your hair to its original color, whatever it was brown, auburn or black. Why wear moss on your head, when you may easily have lively, shining hair.

The Results. All persons feeling dull and depressed, or perhaps feverish, with no appetite, no energy, the system clogged, the liver torpid, the bowels inactive, who are wondering how to find relief, should purchase a fifty cent or one dollar bottle of Syrup of Figs, read the circular around the bottle, follow the directions, taking a few doses of this pleasant remedy and be restored to health and happiness. It may be had of S. Hamilton, Jackson St., Roseburg.

A Startling Discovery. Physicians are often startled by remarkable discoveries. The fact that Dr. King's New Discovery for Consumption and all Throat and Lung diseases is daily curing patients that they have given up to die, is startling them to realize their sense of duty, and examine into the merits of this wonderful discovery; resulting in our best Physicians using it in their practice. Trial Bottles free at S. Hamilton's Drug Store. Regular Size \$1.00.

Bucklen's Arnica Salve. THE BEST SALVE in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. No SENATOR YET.—What makes people when they want to buy anything go to Hogan's store? Well, we answer, inasmuch as Oregon has elected, nor appointed no senator yet, the people find it to their advantage to go where they can get the best bargains, hence the rush even these hard times.
