GARDNER, SCOTTSBURG AND SMITH RIVER.

On August 21st, the Doctor, Gen. Calkin and your correspondent, with others, took seats in the four-horse stage at Drain for a visit to the Coast.

This route to Coos Bay is so popular that the stage was crowded, and I imagine that at a first every one of us felt very much like growling a little, but the company was so genial that we forgot our discomfort in the pleasure of social chat and general rivalry.

The Doctor had neglected to feed his tape-worm that morning, and therefore did not take a very active part in the conversation. I shall not endeavor to outline our talk, but may say that time sped so rapidly that we were surprised to find ourselves in front of Mr. McGuire's hotel at Elkton, just in time for an excellent dinner.

Dr. B. A. Cathy and wife attended the Conference. Mrs. Cathy left this city for her annual visit to the Willamette Tuesday morning. The Doctor returned to Canyonville Monday evening.

Go to H. C. Stanton's and you will find a new supply of school books of every grade. He will sell as cheap as possible. He has other goods and groceries for sale also as cheap as can be bought.

The Bishop's sermon on Sunday was a master piece of reasoning. His main points were pardon, power, and mans faith standing in the power of God. The points were overwhelmingly demonstrated.

The Annual Conference of the M. E. Church South meets at Albany, Thursday, Sept. 10th. Bishop R. K. Hargrove will preside. Dr. Morton, Secretary of church extension is also expected to be present.

Our railroad friend of former times, A. S. Whiting, but now Superintendent of the Mechanic's Fair to commence at Portland, October 8th, has placed us under obligations for a complimentary ticket to the same.

A select school will begin next Monday at my residence. Terms \$5.00 per quarter. I shall use my best endeavor to give entire satisfaction to all who may desire to patronize me. Miss F. J. HOWELL.

Thos. Hervey offers for sale a span of fine horses, three years old, at \$100 each. They are large well-made animals and this is a good chance for a bargain. Enquire at the REVIEW office or of Thomas Hervey, Clark's branch.

We are sorry to give up Bro. Webb and wife, who have labored with us so faithfully and acceptably for three continuous years. We commend them to the good people of Albany, and hope that they will have good treatment.

Read "Knight's" communication in this issue. We offer space in our columns to the people of Douglas county to discuss any of the leading questions of the day. The dead past with us is like that good old song, beginning, "The day is past and gone."

From this time forward I assume the agency of Douglas County for Gen. Grant's memorial book, vice H. S. Strange. All orders addressed to me at Glendale Douglas County Oregon, will receive prompt attention. Agents wanted. C. W. BROOKS.

The gloomy fears, desponding views, and weariness, that many complain of, would disappear were the blood made pure and healthy before reaching the delicate vessels of the brain. Ayer's Sarsaparilla purifies and vitalizes the blood; thus promoting health of body and sanity of mind.

Ayer's Aque Cure, when used according to directions, is warranted to eradicate from the system all malarial diseases such as Fever and Ague, Chills, Fever, Intermittent, Remittent, and Bilious Fevers, and disorders of the liver. Try it. The experiment will cost you nothing if a cure is not effected.

We have just received one of the best ironing stones through Mrs. Breckenridge of Roseburg. The stone is American marble, 2 inches thick 30 x 40 inches. It is a beautiful piece of work. Mrs. Breckenridge keeps on hand, or will fill any orders in the marble or tombstone line, and have them finished to order. Give her a call.

Novel way to keep fruit. Bacteria is the cause of decomposition. The heating of fruit kills bacteria. Fill your jars as usual, and while hot cover the tops with unglazed cotton batting and tie them well. The fibers of the cotton prevents the entrance of bacteria. It would be well to try it on one that has lost its cover. L. C. HOLL.

Resolutions of Thanks.

The following is a copy of the Resolutions of Thanks adopted by the Oregon Annual Conference of the M. E. Church at its recent session at Roseburg:

RESOLVED, That we cordially thank the O. & C. R. Co. and other parties of labor for reduced rates to the members of this body and visitors who have attended the session.

RESOLVED, That we hereby tender our sincere thanks to the trustees of the Presbyterian Church for their Christian courtesy and liberality in granting us the free use of their church edifice.

RESOLVED, That we thank the citizens of Roseburg, who have with such large hearted liberality welcomed us to their homes and catered to our wants with a princely generosity, which we have never seen excelled. We pray God to bless them and their families.

RESOLVED, That we tender our hearty thanks to the ladies of Oakland for their foresight and kindness in providing gratuitously an ample supper for about fifty members of our body on their journey hither.

RESOLVED, That we hereby tender to our presiding officer, Bishop John M. Walden, D. D., our heartfelt thanks for his services amongst us, and assure him of an interest in our prayers.

RESOLVED, That we heartily thank Rev. H. P. Webb, the pastor of this church for his uniform kindness and consideration for our welfare, during the session of our Conference.

A Great Discovery.

Mr. W. Thomas, of Newton, Ia., says "My wife has been seriously affected with a cough for twenty-five years, and this spring more severely than ever before."

FROM JOSEPHINE COUNTY.

What an Unprejudiced Temperer Has to Say About Grant's Pass.

EDITOR REVIEW:—As a citizen of Josephine county, I have taken some little interest in trying to find out the straight of this matter about selecting the site of county buildings.

In the first place, Grant's Pass was not a fair one and regularly conducted, and "Grant's Pass," not "the town of Grant's Pass," was the successful candidate. There is no candid man in Josephine county that will say that Bourne's, Willis', or any body else's addition or survey of said town was ever discussed before the election. The fact is, the plain, sensible men—not lawyers nor speculators—in speaking of Grant's Pass understood it to include all that settlement that grew up around and about the old stage station, including all the business houses within a range of a mile or so. Nobody voted for any particular place or spot in Kerbyville, Wilderville or Grant's Pass; let alone locating it on a particular block in a portion of Mr. Bourne's site, which otherwise would always be a keepsake in the hands of real estate agents. The selection of the ground for the court house and jail belongs entirely to the County Judge and Commissioners, and nobody but hair-splitting lawyers and mischief-making speculators have cheek enough to contend to the contrary. We have sense enough to know that children called twins are not born at exactly the same time, but they are twins all the same and generally belong to the same family. If any portion of this little community has any superiority over another it would be the old station, where there was a store, hotel, blacksmith shop, post office, (called Grant's Pass long ago, before Oregon ever knew a railroad, and perhaps before the British lion ever found out that Johnathan Bourne, Jr., was one of its cubs, or before the Courier crowd ever thought that Sol. Abraham was sharp enough to capture a whole county court.) I repeat I have tried to find out the merits in this matter and find that there "ain't any merits" about it. The county court was compelled to have done as it did, or its officers would have been false to their oaths. I have read Mr. Bourne's letter to the County Board, wherein he offers a block of land and \$500 if they would locate the buildings upon his part of Grant's Pass. In this he did not claim that his survey was the only one to be considered. Then he cajoled, afterwards resorted to threats and followed it all up with a law-suit, to be succeeded with a grand finale of a fizzle. Mr. Abraham's offer was four times as munificent, and as a mere matter of sound business policy, was accepted. In this connection we cannot but suggest that Mr. "Fair Play" has been wretchedly imposed upon as Mr. Abraham's responsibility—probably for the purpose of identifying him. His representations upon this point is contradicted by the records of Josephine county. Mr. Abraham did not deal in mere paper, but in cash—gold—money that jingles; and in solemn deeds of conveyances that speak in no uncertain words. It has taken your correspondent one day to find this all out, and as it is a matter of official record, I will give "Fair Play" and "Justice" and the Courier from now on until the crack of doom to refute it. Before doing so they will take a trip to that "Bourne" whence no traveler returns. So, then, I say, ta-ta, vale. TAX-PAYER.

ALTHOUSE, Aug. 30, 1885.

The Sanctity of the Sabbath.

TO THE MEMBERS OF THE OREGON CONFERENCE. DEAR BRETHREN:—Your committee on the sanctity of the Sabbath, beg leave to submit the following report.

The Sabbath is a divinely appointed and holy institution, designed first, to commemorate the rest of God from his labor after a finished creation.

Second, as a gracious and merciful provision both to man and beast. The sanctity of his holy day has been stamped with Divine Authority, not only in the example of the Almighty Creator, resting from his labor, but by positive statutory enactment in the giving of the law upon Sinai. It was there amid that smoke and thunders and lightning of that grand and awful occasion, that the Lord Jehovah uttered forth the mighty words, "Remember the Sabbath day to keep it holy."

From that time forth it was to be observed as an everlasting statute in Israel, or down to the coming of the Prince of Peace. For the law having a shadow of good things to come, and not the very image of the things, gave place to the new and more perfect form.

Here it was amidst the fading shadows of sacrificial offering and Jewish ritualism that the original seventh-day or Jewish Sabbath passed over, or was merged into the new and perfect Christian Sabbath, which stands forth as the ever-enduring memorial of Christ's grand triumph over death and resurrection from the tomb. Hence all down the ages the church in her ever recurring Sabbath convocations has been permitted with a glad heart to retrospect the past, and to forecast the future. The one serves as a rallying point of our faith, the other as a sure anchor of our hope. And just in proportion as this holy institution is remembered and faithfully observed, will the nation be exalted, and the church of God have power to prevail. The Almighty Father seems to give special emphasis to this subject; "And these words which I command thee this day shall be in thine heart; and thou shalt teach them diligently to thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up." We are to know God's words and our children are to know them; "And thou shalt find them for a sign upon our hand, and they shall be as frontlets between thine eyes, and thou shalt write them upon the posts of thine house and on thy gates."

Such was the importance and sanctity with which Deity, in the glory of his loveableness, has ever regarded this holy day of sacred rest, therefore resolved

1st, that we, as a Conference and a church, deeply deplore any desecration of the Sabbath day.

2d, that we do all within our power, both by precept and example, to bring the masses up to a higher standard in the observance of the Lord's day, the holy Sabbath.

Respectfully submitted.

A Card of Thanks.

EDITOR REVIEW:—Permit me through your paper to extend my thanks to the citizens of Roseburg, for the kind and hospitable manner in which they opened their houses and purses, furnishing cheerful and happy homes to the members of the Oregon Annual Conference of the M. E. Church; which will long be held in grateful remembrance by the members and visitors attending, and especially by the pastor for the courtoous will, and right royal manner in which it was done.

And now I desire to extend my sincere thanks to the citizens of Roseburg and Roseburg Circuit for the heartfelt cordiality which I have received at your hands, and in your homes, for the generous manner in which you have contributed in a substantial way to the support of myself and family and the many tokens of friendship we have received, and especially in your contributions to the benevolent objects of the M. E. church for the past three years. And may the Lord of all bless you in the future a thousand fold more and increase your usefulness.

And in parting with you, my greatest regret is that I have not labored more faithfully and accomplished more in the salvation of souls, for the sake of him who "loved the world that he gave his only begotten son that whosoever believeth in him should not perish but have everlasting life. For God sent not his son into the world to condemn the world but that the world through him might be saved."

Remember us at the throne of grace and may the Lord Jehovah bless you, save and keep you in the riches of his grace.

Cure for Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has affection of the kidneys or neighboring organs.
