ROSEBURG REVIEW.

FRIDAY, SEPT. 25, 1885.

MT. SCOTT NEWS.

Miss Martha Welker, who has been absent on South Deer creek for the past two months is among us again.

The roads were never in better condition than at present as we have had just rain enough to solidify the dust.

Alfred and Isaac Mathews were seen driving some fat cattle towards town this week, presumably for Isaac's shop.

W. R. Atterbury has returned from his trip to Jackson county and one of our fair one's countenance is beaming with smiles.

Miss Ella Ragon, of Roseburg, who taught the Mt. Scott school last year, was visiting her many friends of this place last week.

Butler Atterbury is one of our most enterprising young gentlemen, making a round trip from his place to Roseburg, with a four-horse team every day, hauling wheat.

Mrs. John Chapman's two brothers from the East are visiting her, whom they had not seen for over thirty years. We understand that they think of permanently locating in this country.

The singing school which is held on every Sabbath at Oak creek church, under the supervision and instruction of Perry Duncan is progressing nicely, and the pupils are learning rapidly.

We are sorry to learn that our old friend, Wm. Trask, of this place, started for Portland this morning to seek medical aid. He has been ailing since his return from the East last Summer and now he is troubled with a difficulty in breathing, having to walk some entire nights in order to obtain relief.

Dr. H. C. Davis of this place gave a private lecture to gentlemen only at Fall creek school house on last Sunday which was listened to with interest by an attentive audience. He will give a free and public lecture at Oak creek church next Sabbath on the origin of man.

The REVIEW is constantly improving

Lots of grouse pheasants and quails.

The late rains have started the fall grass.

Fall rains have begun and hunters are happy.

Frank Woodin of the Nineteen mile house has a fine bear dog for sale.

If you want a good meal for 25 cents try the Nineteen mile house.

Frank and Arthur W. are the boss hunters, killing four deer of a morning.

We had a pleasant call from H. P. Metcalf and W. H. Brownell of Empire City.

Mrs. Wm. Day has returned to Camas Valley from a visit to friends in Curry county.

Billy Shield, of Ten Mile, killed a fine fat elk weighing 800 lbs, and is happy but Ben is not.

John Kerley is sowing his summer fallow.

H. McNabb will take charge of J. H. Mires' place for the next year.

The party given at Shambrook's ferry proved a grand success and was largely attended.

Miss Looney, who has been visiting relatives for the past two weeks has returned to her home in Lane county.

Hon. T. Barnard and wife returned home on Wednesday evening from a visit of five weeks, looking hearty and well. NIMROD.

It is said that there is no kind of feed that will keep horses in health, give them a sleek appearance and make them lively and spirted like the seed of the sunflower, feeding half a pint night and morning. It is particularly recommended for giving a horse power of endurance, being fed half a pint night and morning with other feed. The stalks and heads, after the seed is worked out, also make good material for fires, and are especially convenient in summer, when a quick fire is desired and an enduring heat is not wanted. In their growth they make a showy appearance about dwelling and give an agreeable fragrance to the air. The latest direction in the line of utilization of the sunflower is the planting of a seed in a place at the proper distances, so that the stalks as they grow will serve as bean-poles.

The Grant's Pass Courier has the following concerning the exportation of sugar pine lumber from Miller & Co's mill near that place: Hon. H. B. Miller informs us that he has shipped a car load of sugar pine lumber to the sash and door factory at Walla Walla. Also that he has received an order from Los Angeles, Cal., for 30,000 ft. It is also an important fact that the Kamm building, Portland, costing $100,000, is finished with Grant's Pass sugar pine and red wood. The mill is now cutting about 200,000 feet per month, and orders are coming in from Medford and other points on the O. & C. road.

THE Ohio contest is warming up and Sherman, Foraker, Hoadly and Converse are on the stump.

ROBUST HEALTH

Is not always enjoyed by those who seem to possess it. The taint of corrupted blood may be secretly undermining the constitution. In time, the poison will certainly show its effects, and with all the more virulence the longer it has been allowed to permeate the system. Each pimple, sty, boil, skin disorder and sense of unnatural lassitude, or languor, is one of Nature's warnings of the consequences of neglect.

Ayer's Sarsaparilla

Is the only remedy that can be relied upon, in all cases, to eradicate the taint of hereditary disease and the special corruptions of the blood. It is the only alterative that is sufficiently powerful to thoroughly cleanse the system of **Scrofulous** and **Mercurial** impurities and the pollution of **Contagious Diseases.** It also neutralizes the poisons left by **Diphtheria** and **Scarlet Fever,** and enables rapid recuperation from the enfeeblement and debility caused by these diseases.

Myriads of Cures

Achieved by AYER'S SARSAPARILLA, in the past forty years, are attested, and there is no blood disease, at all possible of cure, that will not yield to it. Whatever the ailments of this class, and wherever found, from the scurvy of the Arctic circle to the "veldt-sores" of South Africa, this remedy has afforded health to the sufferers by whom it was employed. Druggists everywhere can cite numerous cases, within their personal knowledge, of remarkable cures wrought by it, where all other treatment had been unavailing. People will do well to

Trust Nothing Else

than AYER'S SARSAPARILLA. Numerous crude mixtures are offered to the public as "blood purifiers," which only allure the patient with the pretense of many cheap doses, and with which it is folly to experiment while disease is steadily becoming more deep-seated and difficult of cure. Some of these mixtures do much lasting harm. Bear in mind that the only medicine that can radically purify the vitiated blood is
