IMPORTANT MEETING.—The tax paying Citizens of Roseburg will hold a meeting at the Court House Saturday evening at 7 o'clock to nominate a ticket for Trustees to be submitted to the voters next Monday. Those interested should attend.

APPROACHING WEDDING.—Our local acknowledges the receipt of an invitation to attend the marriage of Charles L. Mosher and Miss Hattie Lount at Phoenix, Arizona, Monday evening, October 12th. It would give us great pleasure to attend but as the rainy season in Oregon is about to set in and tramping is not good we will forego the pleasure. Success, Charles and may your bright dreams of happiness be more than realized.

INDIAN VETERANS.—The Veterans of the Indian Wars of the North Pacific was organganized at the last State Fair by the election of T. B, Waite Grand Commander, and Judge Kelsay Vice Grand Commander. A post will be organieed in this county on Saturday Oct. 24th. All interested should not fail to attend as this is one of the most important steps taken by our pioneers. For further particulars address J. D. Burnett Roseburg, W. G. Hill Wilbur or I. B. Nichols, Riddle.

HOW TO PREPARE GRAPES FOR WINTER.—Cut the pods from the vine with a sharp knife place the end of the stem when cut in hot ceiling wax or common bees wax, wrap each pod separately in a piece of paper and carefully pack them in boxes and place them in a dry barn or out building where they wi'l be kept cool without freezing. Grapes carefully prepared in this way will keep as fresh and solid as when taken from the vine, for a great length of time without losing their flavor.

THE REFORM CLUB.—There was an overflow of attendance at the meeting of the "Roseburg Reform Club." After music by the Juvenile Band, singing by the choir, reading and approval of the minutes, Rev. J. R. N. Bell delivered the regular address, showing the universality of the impulse arising from the great question, the discovery of causes by the study of effects, and that in the impulse will be found a means by which the ideal of a people will become a fact. After recess quite an extended programme of entertainment was carried out. Hon. A. C. Jones was chosen to address the next meeting. SEC.

FINE SHEEP.—Those sheep sold by W. F. Owens for Frank Woolsey, and the large fleeces referred to by us last week, weighing from 17 to 26 lbs, our attention has been called this week to another important item by one of our leading sheep men, George H. Stephenson, of Oak Grove that those sheep were sheared last spring, and that the true yield of wool per head was about forty pounds per year. These are certainly the finest sheep ever brought to Douglas county. And while we are speaking on the sheep question, we would call attention to some extra fine bucks owned by Judge Smith and H. Conn. Persons will find it to their advantage to see any of those gentlemen refered to above. Douglas county must lead in the wool growing business.

NATIVE SONS OF THE GOLDEN WEST.—The history of the first year of existence of the California parlors will always be of great interest to the Native Sons of the Golden West. It was then weak and struggling for a foothold. It is now strong and is composed of 3,500 members. On "admission day," September 9th, the parlors met at Santa Rosa where a grand re-union took place and the parlors were addressed by Gov. Stoneman and Grand Lecturer, C. L. Weller Jr. The parlors were represented throughout the State, and it was proposed to extend the organization into Oregon where many members have removed among whom are Alex. S. Stevens, of Portland, and G. V. Beggs, of Drain, who will shortly institute steps to organize parlors throughout the State.

HYGIENIC PHYSOLOGY.—In accordance with an Act passed by the Legislature and a resolution passed by the State Board of Education and also in the consideration of the adoption of a text-book, the subject of hygienic physiology has been incorporated in the list of branches to be taught in all the public schools. The text-book adopted is Steele's Hygienic Physiology. In reference to hygiene instruction in primary, intermediate and mixed schools it is suggested that the teachers supply themselves with the text-book and prepare to teach it orally. With advanced grades in all schools the pupils themselves should use the text book. Instruction in hygienic physiology should be given in all public schools on and after Octover 1st, 1885. In order that no injustice may be done teachers, they will not be required to pass examination in the new branches until September 1886.

Rudolph Abraham formerly of this city has been on an extended tour through Nevada, California and other places, returned to Roseburg last Saturday. Greeting we extend, and hope that he will find it to his advantage to remain with us.

"My daughter has taken the medicine faithfully, according to directions, and her health and spirits are now perfect. The humor is all gone from her face, I wish every anxious mother might know what a blessing Ayer's Sarsaparilla is in such cases."

Asher Marks was the recipient of a basket full of the nicest apples that have been brought to town this year from Mrs. W. T. Wright. The REVIEW office attaches, Billy, have a few teeth that they could set in a few toothsome apples, and don't you forget it.

Owing to the publication of the Rules and Regulations of our Public School, the sermon of Rev. E. T. Lockard, of Oakland, is postponed for a while. Our friends will force us to enlarge shortly. So be it. Look out for continual improvement in the REVIEW.

Lawrence the Carpenter in the employ of David Linn of Jacksonville suicided last Tuesday night, by blowing out his brains with a pistol. The cause is unknown. This is certainly a shocking affair. No further particulars has reached us as we go to press.

Sufferers from the effects of quinine, used as a remedy for chills and fever, should try Ayer's Ague Cure, a powerful tonic bitter, wholly vegetable, without a particle of any noxious drug. It acts promptly. breaking the chill, curing the fever, and expelling the poison, yet leaving no harmful effect upon the patient.

James P. Duncan on Shakespere Jones ranch killed a large black bear last Friday with his gun and dogs. Bruin's weight net, was 300lbs. He had been eating the sheep in that section. But now we ate him and the meat was of fine flavor, and by the old maxim, "the proof of the pudding is eating it" is how we know.

The Rev. Octavius Parker held divine service in the Episcopal Church, this city, Sunday and Monday evenins. He has made appointments for Roseburg of the entire week commencing on Monday after the fourth Sunday in October. He is an earnest and eloquent pastor and is laboring hard in the vineyard of the Lord.

A gray mare 15 years old belonging to Charles Lapoint of this County had a rock taken from her jaw as large as a small teacup. The formation is peculiar. Mr. Cam Cox showed us the mass yesterday and left the rock at this office to be seen upon inquiry at any time. This mal-formation is a curiosity and should be examined.

Gen. T. G. Reams Grand Master of Masons, stopped a few hours in Roseburg last Saturday on his way home. He has been officially visiting all the lodges on the coast and in this section for the last three weeks. The Craft has certainly treated him well judging from his looks and listening to his reports. He says peace and harmony prevail.

Wm. Hinkle and wife relatives of Mrs. Samuel Moore of our town are visiting among us this week. Wm. Hinkle is of the firm of Hinkle & Bell in Corvallis. These friends we knew with much pleasure while we lived in their city, and we hope they will conclude to live in this section, as they are also traveling for health, and in mild climate and healthful regions we think we surpass.

Hon Charles Walker recently Probate Judge of Miles city Montana, and 33 years ago kept a trading post at Althouse Josephine County in Southern Oregon, stopped over in our city last Saturday to visit his old friend Hon. F. P. Hogan of our town, and went South to Jackson County last Monday evening Where he will make his home. He is a man of sterling qualities and undoubted integrity.

There will be a basket picnic at Fall Creek school house on the 10th day of October next at which time and place Dr. E. A. McAllister of Albany Oregon will deliver a temperance lecture and also a lecture on the "Origin of Man." The temperance lecture to be at 11 o'clock A. M. and the lecture on the "Origin of Man" at 2 o'clock P. M. Every body invited. Bring your baskets full of grub and your hearts full of love.

B. F. Rider on Roberts mountain died yesterday morning 5 minutes to 1 o'clock of quick consumption. He was born in New York 1830—Married Elizabeth Chase in Illinois in 1849. Came to Oregon in 1877. He leaves a devoted wife and 6 living children to mourn his untimely death. Mr. Rider was respected by all who knew him. The funeral services will be held to-day at the Dillard Cemetery. He died in great peace and many will feel this heavy loss.

From California.

We take the liberty to print the following letter from our old friend Thos. Burnett, and it explains itself:

REV. J. R. BELL, DEAR SIR; I have just received from home a copy of the REVIEW, which is the first I knew of your being an editor, so I think I will subscribe. I am always glad to hear the news about Douglas county. I am well and happy to inform you that I am driving one of the best six horse teams that leaves this town. I have only thirty miles to drive. I like this country well but times are very dull and we are hving in hopes of better days. I think Oregon is a better country than this, still I suppose it is dull up there. I wish you were here to take a ride with me. It would make you think of old times to see the six bays swinging around the curves. My love to all my old friends and send me the REVIEW.

T. B. BURNETT.

Cloverdale, Cal.

A Captain's Fortunate Discovery.

Capt. Coleman, schr. Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Discovery for Consumption. It not only gave him instant relief, but allayed the extreme soreness in his breast. His children were similarly affected and a single dose had the same happy effect. Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner.

Harry DeGroot the well known Photographer of Eugene will visit this place about Oct. 6th. Then will be your show to have your picture taken as he does fine work.

Hubbard Wilson and wife will leave here shortly for Mt. Idaho where Mr. Wilson will engage himself in the harness business while Mrs. Wilson will run a milliner's shop. Success be with you both.

M. Fickle on his trip went only to Pocatello Idaho at which place he had a position on the Union Pacific R. R. but as wages were small and board and lodging were so very high he concluded to return again to his old stamping ground. Wonder why?

The Band of Hope held its centennial celebration in the Baptist church in Oakland Saturday evening Sept. 20th, 1885. The exercises were quite interesting indeed, and altogether creditable to the ladies having in charge this institution. Rev. Octavius Parker delivered a most excellent address to the children. His remarks were very appropriate, pleaing and impressive. He spoke a whole volumn of truth when he said "that prohibition must be reached by educating the children under proper moral influence, and that prohibition could not be brought about by fanaticism or by political influence." When a friendly and an advisary criticism is offered it should be kindly accepted and there is no better evidence of the correctness of a criticism than that of its being received unkindly. OBSERVER.

Cure for Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanco's Pile remedy, which acts directly upon the parts effected, absorbing the tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address, The Dr. Bosanco Medicine Co., Piqua, O. Sold by Dr. S. Hamilton.

HELENA, MON.

ED. REVIEW:—

Have had a splendid time thus far. Passed two fine lakes yesterday. Also, Sprague, Cheney and Spokane; larger cities than I expected to see. Everything denoted thrift.

This city is a mile from the Railroad. Look like a pretty town. Most of the buildings are brick. All hearty Thursday morning.

Sept 18, 1885. B. T. SHARP.

Tired And Languid Women.

How many women there are of whom these words are true: 'they feel languid and tired, hardly able to bear their weight on their feet, the bloom all gone from their cheeks, irritable and cross without meaning to be, nervs all upset, worried the with children, fretted over little things, a burden to themselves, and yet with no acute disease." What a pity it is. But a few bottles of Parker's Tonic will drive all this away, and relive the troubles peculiar to their sex.

Parties having Real Estate for sale or those wishing to purchase will find it to their interest to call at my office in Marks building, Roseburg Or. J, C. Fullerton.

DRAIN ITEMS.

The Doctor suggests that I ought to mention the fact that January has moved into his new and palatial residence.

Six new students entered the Normal School this week, among whom we notice Miss Ida Clark of Umpqua Ferry. The school is rapidly filling up, and the outlook is for the most prosperous year the school has ever known.

The Commercial College under Prof. Booth is noteworthy from the fact that among its students are found some of the live, wide-awake business men of our town. The faculty of the school are arranging for a lecture course, during the coming winter, for the benefit of the students; among those who are expected to lecture, we find the names of Bro. Bell of the REVIEW, and Prof. D T. Stanley of Monmouth, and other prominent platform speakers. Great good is to be derived from these lectures by students, and it is a valuable feature too much neglected by other schools.

The chief topic of conversation in our village this week, is the campmeeting conducted by the Evangelists, Revs. Sails and Jones. A wonderful work in the religious line has been wrought. Many have professed sanctification and many more have been converted. These ministers contemplate the begining of a simiar meeting at Cleveland, on the 8th of next month. We bespeak for them a cordial rereception by Christian people of that neighborhood, for they are earnest, honest, successful Christian soldiers and cannot fail to do great good.

A. W. Hart is on the street again, after an absence of several months, and seems as cheerful and neighborly as ever.

Will Headrick was obliged to leave school this week, temporarily, on account of illness. We hope to see him back again soon, wiih renewed health for we miss him.

Mrs. Rose is quite ill, at the residence of Mr. Amos.

Rev. E. Gittens the methodist Pastor of this circuit has been in attendance at the camp meeting, and has done good work in the pulpit and at the altar. CASARALTAN.

From Riddle.

Riddle's is exceedingly quiet since the dance monday evening which wound up with a general row.

Mrs. S, S. Catching is visiting relatives in Grant's Pass.

We were pleased to see W. F. Owens in our little town one day this week.

Wm. McCurdy Section foreman at this place will move to Alamadan where he will take another section.

Noah Cornutt will ship two car loads of wheat by the next freight to Portland.

M. Dean had quite a lot of fence and wood burned one day last week by fire supposed to have caught from some burning brush on Geo. Riddle's place.

Noah Cornutt has just ordered a new stock of goods which will make his stock the most complete of any store in Douglas county south of Roseburg.

F. Cornutt has been appointed post master at this place I, D. Johnson having resigned.

What Will Surely Do It.

One's hair begins to fall out from many causes. The imbortant question is: What is sure to make it grow in again? According to the testimony of thousand, Parker's Hair Balsam will do it. It quickly covers bald spots restores the original color when the hair is grey or faded eradicates dandruff, and causes the scalp to feel cool and well. It is not a dye, not greasy highly perfumed, safe. Never disappoints those who require a nice reliable dressing.

A Safeguard.

The fatal rapidity with which slight **Colds and Coughs** frequently develop into the gravest maladies of the throat and lungs, is a consideration which should impel every prudent person to keep at hand, as a household remedy, a bottle of AYER'S CHERRY PECTORAL.

Nothing else gives such immediate relief and works so sure a cure in all affections of this class. That eminent physician, Prof. F. Sweetzer, of the Maine Medical School, Brunswick, Me., says:—

"Medical science has produced no other anodyne expectorant so good as AYER'S CHERRY PECTORAL. It is invaluable for diseases of the throat and lungs."

The same opinion is expressed by the well-known Dr. L. J. Addison, of Chicago, Ill., who says:—

"I have never found, in thirty-five years of continuous study and practice of medicine, any preparation of so great value as AYER'S CHERRY PECTORAL, for treatment of diseases of the throat and lungs. It not only breaks up colds and cures severe coughs, but is more effective than anything else in relieving even the most serious **bronchial and pulmonary affections.**"

AYER'S Cherry Pectoral

Is not a new claimant for popular confidence, but a medicine which is to-day saving the lives of the third generation who have come into being since it was first offered to the public.

There is not a household in which this invaluable remedy has once been introduced where its use has ever been abandoned, and there is not a person who has ever given it a proper trial for any throat or lung disease susceptible of cure, who has not been made well by it.

AYER'S CHERRY PECTORAL has, in numberless instances, cured obstinate cases of chronic **Bronchitis, Laryngitis,** and even acute **Pneumonia,** and has saved many patients in the earlier stages of **Pulmonary Consumption.** It is a medicine that only requires to be taken in small doses, is pleasant to the taste, and is needed in every house where there are children, as there is nothing so good as AYER'S CHERRY PECTORAL for treatment of **Croup and Whooping Cough.**

These are all plain facts, which can be verified by anybody, and should be remembered by everybody.
