FOR SEVEN YEARS.

Mr.L W. Blake, the subject of the above sketch, with the Evening Chronicle, St. Lonis, Mo., in answer to the inquiry of a reporter, said: "For seven years I had been alling with catarrh, and during that the hard head for the strength of the chronic for the said." that time have been treated by six eminent physicians, without success. Some doctors told me I had consumption. For the past three years I had a continual discharge of mucous droppings in the throat, a cough and pain across the forhead. Added to that was loss of memory, voice, appetite, roaring in the ears, and a general feeling of wretchedness. About five months ago I consulted Dr. Turner. To-day I am as well as ever, have gained twenty pounds, and don't detect a trace of my old trouble. Yes, sir, I would be pleased to answer, by letter, any person suffering from that dread disease."

Louis Turner, M. D., has offices at SiD Washington av., St. Louis, Mo., and has, in a private and hospital practice of thirty years, treated with wonderful success all curable cases. Treatment of deformities and surgery a speciality. Not Necessary to see Fatters. By my original system of consultation, I can treat patients by mail as successfully as in personal consultation. Patients can consult me by mail on all Diseases of the Blood, Stomach, Liver, Bowels, Heart, Nerves General Debulity, and all disease Peculiar to the sexes. No exhorbitant charges. Consultation at office and by mail one dollar. Send One Dollar for a full consultation by mail, on reof which I will thoroughly investigate your case. Medicines furnished free to patients. If you are stek or alling, write me. No letters answered unless accompanied by 4 cts. in stamps. Address all letters to Dr. Louis Turner, S19 Washington Ayenue, \$, Louis, Mo. \$

AGRICUTURAL PRODUCTS.

AGRICUTURAL PRODUCTS.

AGRICUTURAL PRODUCTS.

The staple crop of the county is wheat, although wool ranks almost, if not quite, equal to it. Corn is also grown to a very large extent, and is fully equal in quality to that produced in Jackson, bake the lead as the corn producing counties in the State; a sure and reliable crop, can always be depended upon. Oats of a superior weight and quality are here grown. Rye, barley and fiax do fully as well as in any other section. Hops also do well. Broom corn and sugar cane have never been tried to any great extent but would doubtless thrive. Potates and all vegetable crops produce abundantly and are of an excellent quality. In fact, green vegetables can be purchased almost the year round. Hay is an important product and commands a good price the year round.
