ROSEBURG REVIEW

FRIDAY, APRIL, 9, 1886.

REPLY TO "MAD PROHIBITIONIST" IN LAST WEEK'S PLAINDEALER.

A STATEMEMT OF FACTS UNDISGUISED.

Anyone with sufficient intelligence to comprehend the meaning of ordinary English, who may have heard any speech that we made at Myrtle Creek, or at any other time and place, or that any leader that we have written or have caused to be written and printed in THE REVIEW at any time in its history under the present management, that could so distort language or pervert facts is beyond our ken to understand. In our leader of March 26th on the subject of Prohibition we used these words; "Upon the matter of prohibition we have heretefore indicated our position. All that can be reasonably expected from the Democracy is the nomination of candidates for the Legislature who we know will favor the submission of this question to the people. This is right and therefore it is Democratic. For the present that is all that can be done. Two years hence the matter will be ripe for discussion. Our hearts beat warmly, deeply and earnestly for the cause of temperance, but we cannot cross a stream until we get to it and now is no time to swop horses. In due time the people can and will speak, meanwhile we shall address ourselves to the exigencies of the hour." What more would you expect us to say? Does "Mad Prohibitionist' expect us to play the treachery of "Iago," and leave the party wherein lies the only hope of the country whereby we are seeking redress from the very same traffic? "Mad Prohibitionist" seems to use party and issue interchangebly. We have always said that this temperance question was the supreme issue of the day, but we never said at Myrtle Creek or elsewhere, that the Prohibition, or "third party" was the supreme party of the country, neither do we think it ever will be. "Mad Prohibitionist" is so "mad" and yet so religious at the same time, that we are not able to discern the congruity of these opposite sentiments in the same mind at the same time, The leading Prohibitionists of Douglas county told us to our face, and many others up to a short time since, that "submission to a popular vote" was all that was desired. And some of them promised their support to either of the old parties that would resolve in favor of submission. Now what a change in so short a time. What does it mean? You "Mad Prohibitionist" Esq. now want the Democratic and Republican parties to declare for absolute prohibition on the spot. Pray tell us what is your *ultimatum?* Your inconsistency and seeming insincerity lead us to conclude that when you are unmasked your motto is like unto the old parties, "emoluments and office." Talk of "back down," "how the mighty has fallen" and "60000 souls going annually to premature graves," when the very hand that helped you to engender this same temperance sentiment, and stood by you in the thickest of the fight, and sacrificed the patronage of hundreds of dollars annually for what we believed to be right and believe it yet, and reposing our confidence in your supposed integrity, and now to receive an onslaught in the dark under the *nom de plume* of "prohibitionist," when your own name would have been far more honorable when you make a personal attack. "Oh consistency, thou art a jewel" only to be worn on the brow of virtue. "Oh ingratitude, thou art the basest and blackest of all crimes" to be practiced only by the usurper and betrayer of mens credulity.

Oh! shades of Benedict Arnold, why would you shame the ghost of "Claudius" or put to blush the veiled face of his Satanic majesty? The hands that made you were those that hold allegiance to the old parties, and now you smite them "hip and thigh" and will not even allow them a Christian burial simply because you differ from them as to method. Why sir, we were in this warfare when some of you were hilarious in your bachanalian revelry, and but a few moons have come and gone since you were dealing out your epithets against us that would have challenged a "Margaret" to equal. And now you would dictate to and disfranchise us. We are glad you have changed your mode of life but the scriptures say you "must be tried, and proved," before you are enthroned. Perhaps the greatest disappointment that could overtake you would be to say in convention that we as Democrats are in favor of the people speaking on this subject. And we will do so even against your desire, and then you will be "madder" than ever, because you have no "issue" left upon which to go before the people to ask their suffrages. The sentiment that framed platforms two years ago, are very different now. This question is rapidly approaching, and he who would not hear the majority of the voice of the people, ought not to be heard. Some are saying that the Democratic party will die next June, well, if it does we must have a funeral, and "all the friends of the deceased will be invited," but peradventure the Democrats survive, then in that case you will be at the funeral also; and while you will furnish the corpse we will agree to officiate without charge. Another thing that strikes us unreasonably is, we cannot adopt the National Prohibition Platform, for several reasons, some of which are, that, the "third party" favors woman suffrage, which is not a question of politics, and again we see Mrs. Duniway is opposing Prohibition with might and main. And again in that Platform we have this language, "that we repudiate as un-American and contrary to, and subversive of the principles of the Declaration of Independence, that any persons or people should be excluded from residence or citizenship who may desire the benefits which our institutions confer upon the oppressed of all nations." Now this is exactly what we are trying to remedy, to keep out the Chinese "who desire residence and benefits" that are to be found here. We want our door not so much ajar, the oppressed generally means Chinese serfs, and that platform encourages this kind of immigration. No; Temperance men, laboring men, and men of capital, you are all protected by this government of our fathers, and do not be decoyed into unknown seas. Reform is upon us, and we shall not let up with pen or tongue, but shall do all we can to reach the port at the earliest possible moment, and the means for its accomplishment will be found engrafted in the platforms of the Democratic party. Suggestions are at par at THE REVIEW office, but *dictation* is not worth ten cents on the dollar. Now in conclusion if we can speak "loud" enough to be heard, this is what we have always said, now say, and will say and advocate, that the Democracy of Douglas county and of the state of Oregon will favor and urge the submission of this question of Prohibition to the people of the state of Oregon for their vote either at a special or general election as the Legislature may see in their wisdom best. And we shall do all we can in our humble individual capacity when the time comes to vote, to induce the electors to exercise their suffrages in behalf of such law or laws as shall finally and absolutely overthrow this giant evil. Do you now understand us? We have spoken, and let others "mock on," while we shall pursue the even tenor of our way. For the benefit of some, we might say, that we had no assistance in writing this short statement.

PRO BONO PUBLICO, in the last issue of the Drain Echo is eminently correct in his argument about reform and the "third party," and makes only this mistake, he says the Republican party is the real custodian of all reform measures, when in fact, that party has been the most recklessly extravagant party that ever ascended the throne. This country looks to the Democratic party alone for retrenchment and reform, we believe that it will not look in vain.

PROSECUTING Attorney Hamilton passed through Eugene last Monday on his way home from Corvallis, where he has been in attendance upon the Benton County Circuit Court. The Democrats propose renominating him, and the residents of the district, irrespective of party, will re elect him. —Eugene Guard.

We second the motion and of course it will carry without a dissenting voice.

T. R. SHERIDAN, Sec. J. W. HAMILTON. Chm. Com

PRESIDENT Grant made more removals of Republicans during his first year than Mr. Cleveland has done, but no question why? was ever asked him. President Hayes removed Republicans right and left, among others Collector Merritt, of New York, a gallant soldier and a good civil officer; but the Senate refused to sustain Senators Conkling and Platt in asking why he did it. President Arthur also removed Republican officers, and good ones; but the Senate did not send for documents to know his reasons for it. It was not until a Democratic President removed Republicans that the Senates virtue revolted. The hypocrisy of partisanship can go no farther than it is going in this battle with the President.

The late Gov. Seymore said; "I never yet made or procured an appointment for a young man for a clerkship which did not in the end prove to be a great injury to him."

A Pretty Woman's Secret.

Fear of discovery, when she resorts to false hair and dyes, is a source of constant anxiety to her. The very persons from whom she most desires to hide the waning of her charms are the ones most likely to make the discovery. But there is no reason why she should not regain and retain all the beauty of hair that was her pride in youth. Let her use AYER'S HAIR VIGOR, and ... cease to fall out, ... appear where the ... and locks that are ... actually grown wh... pristine freshness and ... AYER'S HAIR VIGOR cures

Hereditary B...

GEORGE MAYER, *Flatonia, ...*, was bald at 23 years of age, as his ancestors had been for several generations. One bottle of HAIR VIGOR started a growth of soft, downy hair all over his scalp, which soon became thick, long, and vigorous.

Ayer's Hair Vigor

is *not a dye*, but, by healthful stimulation of the roots and color glands, speedily restores to its original color hair that is

Turning Gray.

MRS. CATHERINE DEAMER, *Point of Rocks, Md.*, had her hair suddenly blanched by fright, during the late civil war. AYER'S HAIR VIGOR restored it to its natural color, and made it softer, glossier, and more abundant than it had been before.

Scalp Diseases

Which cause dryness, brittleness, and falling of the hair, dandruff, itching, and annoying sores, are all quickly cured by AYER'S HAIR VIGOR. It cured HERBERT BOYD, *Minneapolis, Minn.*, of intolerable **Itching of the Scalp;** J. N. CARTER, JR., *Occoquan, Va.*, of **Scald Head;** MRS. D. V. S. Mrs. Gen. ... Wilson, of parsons, Kansas, who was appointed by the State of Kansas lady commissioner to the World's Fair at New Orleans, in answer to the inquiry of a reporter, said: "I can not speak too highly of Dr. TURNER'S TREATMENT. My sufferings nearly distracted me. My stomach was deranged and my nervous system was completely broken. I suffered from partial paralysis, rheumatism and neuralgia. Added to the above symptoms were loss of memory, voice, appetite and lack of nerve force. My family physician did me no good and by the advice of a friend, I bought Dr. Turner's Treatment. Two packages completely cured me. I think the treatment is wonderful in its effects, and recommend it in all cases of general or nervous debility, and diseased condition of the stomach, kidneys, liver and blood."

It has been used successfully in thousands of cases by both men and women, and is the best medicine know for the repairment of the procreative powers and restoring vitality. We will guarantee that three packages will cure the worst case of debility, causing dimness of sight, defective memory, aversion to society, want of ambition, loss of power, &c.
