OUR COUNTY TICKET.

Every day convinces us more and more of the wisdom of the late Democratic county convention in selecting our county ticket. The candidates for the Legislature are not only of irreproachable character but of clear included minds.

We were surprised last week when we read the Drain Echo, and found that it was scarcely able to write a polite sentence about some of the opponents of its party. Take this for instance, "Any good honest farmer is preferable to that anti-Chinese agitator and mob breeder, Syl. Pennoyer."

Do not forget your good breeding, it would have been better for your side of the question to have said Hon. Sylvester Pennoyer. To say "Syl. Pennoyer" is quite as small as you would have made him appear. Also it seems as though you are a little tainted with monopoly, when we had supposed you were the poor man's friend.

The working man with blistered hands will not forget this hint on election day. "We know Charles Nickell well, and the reason the Democratic convention forced the nomination of State Printer upon him was because he was known to be more apt to win than any other man in his party."

When we say that the Jacksonville Times is one of the nearest, and probably the best paying weekly outside of Portland, no small compliment is paid his business ability, his intelligence as a writer, his fidelity to his friends, and his personal worth.

Portland Welcome, Independent." We endorse all of the above and can truthfully add, that a better State Printer could not be elected, for we know Mr. Nickell, and his facilities for printing, personally. An impression has been sought to be made by some Republican journals that Mr. Pennoyer is a very rich man.

motives, incapable of doing a wrong. John Hall was rewarded by election and renomination. As he was found faithful in the past so will he prove in the future. Wm. Thiel has been our surveyor for the past two years with whom no fault can be found, and the same can be said of Sackry for assessor. When the people have good servants why should they turn them aside for untried hands.

For the sake of the children of Douglas county we urge his election. Thos. Graham for coroner is adequate for the coming emergency. He can hold an autopsy over the bodies of the defeated candidates so skillfully as to cause them to rejoice that they had died. Voters examine our ticket and do a kind office for yourself by electing these men to the offices for which they have been selected.

What's the matter with candidates nowadays any way? No sooner did Hermann see fit to announce that he had stopped drinking or at all events declines wine on special occasions than up jumps Hon. Geo. W. Colvig and denies that he is keeping a saloon or has any interest in any whiskey mill whatever. We repeat what does all this mean? Do the lights "burn blue" with these men? Do restless consciences confront them or is it a rare and novel method of inviting attention to negative virtues?

There are many men that have not committed murder, arson, sold or drank whiskey that are not fitted to hold office. These denials in the absence of accusations are sufficiently strange to warrant suspicions. We were surprised last week when we read the Drain Echo, and found that it was scarcely able to write a polite sentence about some of the opponents of its party.

Take this for instance, "Any good honest farmer is preferable to that anti-Chinese agitator and mob breeder, Syl. Pennoyer." Do not forget your good breeding, it would have been better for your side of the question to have said Hon. Sylvester Pennoyer. To say "Syl. We endorse all of the above and can truthfully add, that a better State Printer could not be elected, for we know Mr. Nickell, and his facilities for printing, personally. An impression has been sought to be made by some Republican journals that Mr. Pennoyer is a very rich man. This is a mistake. He owns the block in the city on which he resides and is only a two-fifth owner of the milling establishment which he has for several years managed. As compared with the leading capitalists of Portland, Mr. Pennoyer is a man of only moderate means.—World.

SENSIBLE TALK. To the voters of Douglas county I appeal to your reason and better judgment. Let us reason together. Emotional sentiment is good to awaken thought, provoke discussion and examination of all subjects that may present themselves to us; but sober thought, calm reflection and unimpassioned judgment must direct us to the best means of accomplishing the desired end. Proper means must be used and at the proper time. It is necessary to plow, sow and reap, but each must be done at the proper season. To plow and sow out of season will not produce a good crop, and to reap before the crop has matured and ripened is destructive of the work of plowing and sowing.

Then reader I will allow you are desirous of prohibiting the manufacture and sale of spirituous liquors as a beverage; that you aim to benefit society by prohibiting a traffic that is fraught with only a burden upon society without any corresponding benefit. I admit all this. The question then is how to do away with it, how best proceed to effect the desired end. The proper means in a proper manner and at the proper time must be used. You have not the power of the Czar of Russia to issue your decrees at once. Our form of government is a government of the people, for the people, by the people. Each legal voter under present laws has a voice in this matter. You cannot drive them to vote down this course. You must earn votes by the logic of persuasion.

Children Cry for PITCHER'S CASTOR OIL. Health and Sleep without Morphine. X. Y. Z. We are glad to announce to the voters of Oregon that Prof. Napoleon Davis of Forest Grove has been nominated by the Democracy for the position of State Supt. of Public Instruction.

MASTON, the Republican candidate for state treasurer is a moving individual. In four years he has changed his residence six times, and he left Yamhill county as soon as he betrayed his trust. He is the ring candidate, as they know the kind of man they have to deal with.

THE Anti-Mitchell Republicans will make it tropical for Col. Tom Cornelius and Marston who are typical Mitchell men. They will gently knife them all along the line. What the Mitchell men will do as to Waldo remains to be seen. They claim that Waldo is incompetent.—Or. Register. VOTERS should examine the railroad record of Col. Cornelius. No railroad ringster should be Governor—such a Governor would probably veto all legislation which is distasteful to railroads. Vote for Pennoyer, the people's candidate. If you want a monopolist and railroad henchman for Governor vote for Cornelius. If you want an honest able Governor who cannot be made the tool of any man or ring, vote for the laboring man's friend, Sylvester Pennoyer. Voters be sure that your tickets comply with the requirements of the law. If there is any flaw in them your vote will be void. SHERIDY Cornelius should be beaten by ten thousand majority.

DECLINED. To the county central committee of the Prohibition party of Douglas county Oregon. Gentlemen: I respectfully decline the nomination of Representative to be made by your convention. While I favor the principles for which your party claims to be organized principally, I cannot endorse a third party as the most effective means of bringing about the desired result. G. W. GORRELL, OAKLAND, OR., May 18, 1886.

KING'S EVIL. Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that SCROFULA can only be cured by a thorough purification of the blood. If this is effected, the disease perpetuates its taint through generation after generation.

Ayer's Sarsaparilla. Is the most powerful and always reliable blood purifier. It is not only an alterative that it eradicates from the system Hereditary Scrofula, and all other diseases of contagion, syphilis, and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to vital organs and rejuvenating the entire system.

Regenerative Medicine. Is composed of the genuine Honduras Sarsaparilla, with Yellow Dock, Silt-lings, the Iodides of Potassium and Iron, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure. For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine in the world.

Ayer's Sarsaparilla. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. [Analytical Chemists.] Sold by all Druggists. Price \$1; Six bottles for \$5.

TAKE SIMMONS LIVER REGULATOR. For all Diseases of the Liver, Kidneys, Stomach and Spleen. This purely vegetable preparation, now so celebrated as a Family Medicine, originated in the South in 1827. It acts gently on the Liver and Kidneys and cures the most obstinate cases of Biliousness, indigestion, flatulency, and generally tones up the system. The dose is small, but its effects are speedy and sure.
