have gone into their possession.

Where is it? Have they built any homes, school houses, or churches here? Where is the money? It has all gone to China, and, so far as we are concerned, it might as well have been dumped into the sea. Now, suppose the Chinese had not been here at all! Suppose that all this money had been paid to white men! They would have hold in Portland, and which the Re- married here, they would have bought lots and built homes and cleared lands. The whole amount would have been expended here, and in all human probability, Portland instead of being a bankrupted and stagnated city of 25-000 inhabitants, would have been a prosperous city of 50,000 to 75,000 inhabitants. The extent of the material and moral curse of this Chinese main such for the remainder of our slave labor on the Pacific coast can lives. All that we both have made not be fully computed in figures nor was made and is now invested in Port- amply portrayed in words. You and land, and we both ought, therefore, I, both of us, through our own exerupon every question affecting Portland tions, and by the blessing of God, have and Oregon to advise that policy which secured enough so that we are not we think to be the best policy. If, compelled to work at manual labor however, we should happen to differ for our living. We have a little some-(as we very often do) it is no reason thing to leave to our children, but we why I should abuse you or you should all know that riches are very uncertain. abuse me. We ought, in discussing They very often take to themselves questions affecting public interest to wings and fly away. It may be postreat each other respectfully and sible that our children may some day fairly. I have carefully read what you have to work at manual labor for their have said to day on this Chinese ques- daily bread. Do you want to leave tion and although I have very materi- your children in a country where, if ally differed with you on every points that contingency comes, they will have ance with, and an enforcement of, the coolie slaves? No, never. We, both law, I have held my peace, until now. of us, if we positively knew such a fate But now when you have come boldly was in store for our children, no matout and have demanded, as I read it, ter how much we love them, had rather in plain and unmistakable terms the bear them to their graves and see the formation of a vigilance committee, earth close over them forever. And which is nothing else in the world but feeling so, must we not, both of us, a measure of outlawry, it is high time have some sympathy with the laboring that I and every other law-abiding men who are now among us, with nitizen of Portland should most sol- nothing in the world but their hands emnly protest against it. Why should to depend upon for a living and some a vigilance committee be formed! of them with families to feed, and who Are the courts of justice obstructrd? now and here, have to compete with Has the sheriff been resisted? The these same coolie slaves for their daily courts are unobstructed, and the officers bread? And is there one single man of the law have not, in one single in- in this community, who has to employ stance, met with resistance. Then labor, that would turn a deaf ear to why this appeal to mob law, for a vig-free men of his own blood and race for ilance committee is nothing else in the the sake of a mere saving of a small world than a well organized mob? Is difference in wages hire these alien it for the purpose of hanging two or slaves? If there be such men they

three men without judge or jury, for should hide their heads for very shame, the sake of intimidating others? This The people of Portland have now would be simply murder, and nothing become divided into two distinct parelse. The condition of affairs that ties-the anti-Chinese and the pronow exist in and about Portland is Chinese. The people of Oregon, like deplorable, indeed. Bands of lawless the people of California, should be a midnight marauders are abroad, and unit on this Chinese question. There it is deliberately proposed to organize should be no rest until this curse is another lawless band to oppose them. removed. But it should be removed This is a sad state of affairs. How by and through the law. There is an much better they manage things in irrepressible conflict between free labor California. There last week a state and slave labor that never will and convention was held, composed in part never ought to cease. This Pacific of the best citizens of the state, and a coast cannot remain peaceable half united resolve was made to use every white and half Chinese. The Chinese lawful effort toward the removal of must go, and they ought to go. But the Chinese from the state, and one of no methods but lawful methods ought the means employed was boycotting of to be employed. The states of Calithe Chinese. This measure is perfect- fornia and Oregon, in their state capacly lawful, expedient, practical, justifia- ity; have never done towards the reble and effective. Why do not the moval of the Chinese what they might people of Portland and of Oregon per- have done, and ought to have done, by sue the same policy? Why are they the lawful exercise of their plenary not acting unitedly on this question, as reserved police powers. The Chinese are the people of California? In that should be evicted by law, and not in state the leading men joined the anti defiance of law, and until we have coolie movements, and the leading pa- such legal remedies our only resourse pers espoused its cause. But both is to refuse to give them employment. men and papers there purused the In this we should all agree. And if same course that John Myers and the all classes of our community should News have endeavored to pursue here. agree to this, there is no doubt that THE THREE LEADING VARIE. They used influence in keeping the the anti-coolie associations would join movement within the bounds of the with us in ferreting out and punishing law. If the Oregonian had also pur- all persons who would resort to lawless sued the same course we undoubtedly methods. By such a course peace inwould have had united action in this stead of discord would reign in our state the same as has been had in Cal- midst. As I probably will not be presifornia, and the organization could ent at the meeting called for tomorrow now be doing effective work in a law- I will suggest here the resolutions ful way removing the curse of Chinese which I think ought to be adopted by

slavery from the soil of Oregon. But that meeting: the Oregonian saw fit to oppose the 1st. That the existence of Chinese movement from the start, and to be- slave labor is an unmixed and unmitlittle those who engage in it. This igated evil and we pledge ourselves has embittered some and has had a singly and unitedly, to do all in our tendency to drive them to extreme power, by all peaceful and lawful means measures, and the result has been the to get rid of these alien serfs, and that engendering of feeling between neigh to that end we will not give employment in any capacity to any of these emboldening of the Chinese and carry- coolie slaves.

ing of weapens by both parties, and 2nd. That we respectfully entreat by the Chinese also, so that with the our fellow citizens of the anti-Coolie bad blood that is aroused, and the Association of this city, to unite with carrying of weapons, we are really us in preserving peace and in disc standing on the verge of a volcano tenancing all lawless methods and J. M. G. v that is liable to burst forth at any mo- processes for the eviction of the Chiment. Let us both endeavor to pour nese, believing as we do, that by water instead of oil upon the rising refusing to give employment to them, and by counseling others so to do, they You and I must agree to the fact will be compelled to leave through

that the presence of the Chinese here lack of employment. in Oregon is an unmitigated evil. Put-3rd. That, inasmuch as the courts ting the average of the number of of this county and state are entirely the Chinese in Portland at the low fig unobstructed, and the officers of the Meals after 9 o'clock P. M. 50cts. at ure of 4000, and putting the money law are amply empowered to enforce they have earned at 75 cents a day, and the law, we are inflexibly opposed to Second door north of Marks Brick in the last twenty years they have ac- the organization of a vigilance comon Jackson Street.

Cumulated \$18,780,000. The probability really is that between \$20,000,

Mrs. Harry Lambert.

Out of a vigitance committee, which in itself is as lawless a body as those against which it proposes to organize itself.
