### TAX-PAYING JURORS.

The Evening Democrat has this to say about tax-paying persons. We fully coincide with the Democrat upon the position it has taken, and we hope that our next legislature will remedy this growing evil.

Judge Shattuck decided a few days ago that no one was qualified to sit on the jury if his name was not on the preceeding assessment roll. In this the judge but followed the plain letter of the statute, which, as found in Art. 921 of the Civil Code, is as follows:

The county court of such county shall at its first term of each year, or in the case of omission or neglect to do so, then at the following term, make from the last preceeding assessment roll of the county, a list, denominated the jury list, containing the names of persons to serve as grand and trial jurors until the following year, or new lists be made.

This is a very important provision of the law that has been largely ignored in the matter of tales jurors, and the sheriffs have been used to summoning a talesman without inquiry as to his qualification. It is said the law of France makes the juryman in that country an elective officer, with stringent qualifications, so that it is quite an honor to sit on the jury there. Here, that important duty of citizenship is very much shunned by many of the best and worthiest citizens. There, the office is vested with an importance due to the sacred functions of the juryman: functions almost equal to those of the judge. Here it is so often de based by political bosses, in stocking the jury box with their tools, that the office is considered only a burden, and not an honor. It has not been so much so, however, in the United States court, where the presiding magistrate is not amenable to the small bosses of politics. Judge Shattuck's course will soon elevate the standard in the state courts. Let the good work go on, and let the legislature add to the present grounds of challenge to a juryman the further ground, as to talesman, in the discretion of the court, that he has been summoned by the sheriff as a reward for political service, or by outside arrangements to have him ready in the way of the sheriff when talesmen are ordered. The Democrat is not prepared to say, however, that good men who happen not to be on the tax list on account of proverty ought, by the statue, to be excluded. For there are very many valuable men in the community who pay no taxes, and yet who would make the best jurymen. However, it might be difficult to draw the line of qualification safely or clearly on honesty and intelligence.

The Rev. Thomas P. Dudley, a Baptist minister who has jnst died, was the pastor of the Baptist Church at Bryant Station, near Lexington, Ky., from 1850 to ihe present time of his death. His father, Rev. Ambrose Dudley was pastor of the church from 1789, the date of its foundation, to the time when his son became pastor in 1820, making just 100 years of pastorate of the two, a record without precedent.

It is the general understanding that the Democrats will nominate Mr. Benton Killin for the legislative vacancy. Of the several Democratic candidates defeated at the late election, Mr. Killin received the most votes. He is well fitted for legislative work, and if nominated will have a large support among those who care less for party affiliations than for personal qualification. As yet there is no hint as to who the Republican nominee will be. —Oregonian.

### *Preparing for the Fight.*

A call has been issued for a national convention of distillers, brewers and wholesale and retail wine, spirits and beer dealers, to be held in Chicago on Monday, October 18th. The call says a convention is necessary to take some action to repel accusations and check the growth of a public sentiment hostile to the rights and business of the whiskey trade. It says the sentiment is no longer to be ignored, and therefore a convention is to be called.

THE citizens in and around Linkville and the Agency are much disturbed about the withdrawal of the troops from Fort Klamath, and the danger of an Indian war which seems possible at this time. The agent, Rev. Joseph Emery, will resign we learn if the troops are withdrawn. The troops should remain, and more sent to guard the country from Indian depredations.

There has not been a saloon for the sale of intoxicants in Hancock County, West Virginia, for over forty years, and it is also true that during the year 1885 the grand jury did not find a single indictment, and there was not a single prisoner in the county jail during that year.

### *Grants Pass Items.*

Health good at this place and the Doctors suffer thereby.

## THE BEST

Hair restorative in the world is HALL'S HAIR RENEWER. It cures all diseases of the scalp, and stimulates the hair glands to healthful action. It stops the falling of the hair; prevents its turning gray; cures baldness, and restores youthful color and freshness of appearance to heads already white with age. The following are a few illustrations of what is done by

**HALL'S**
Vegetable Sicilian
**HAIR RENEWER:**

☞ MRS. HUNSBERRY, *344 Franklin Ave., Brooklyn, N. Y.*, after a severe attack of Erysipelas in the head, found her hair—already gray—falling off so rapidly that she soon became quite bald. One bottle of HALL'S HAIR RENEWER brought it back as soft, brown and thick as when she was a girl.

☞ MR. KESLING, an old farmer, near *Warsaw, Ind.*, had scarcely any hair left, and what little there was of it had become nearly white. One bottle of HALL'S HAIR RENEWER stopped its falling out, and gave him a thick, luxuriant head of hair, as brown and fresh as he ever had.

☞ MRS. A. T. WALL, *Greenfield, Cheshire, Eng.*, writes: "I have found the greatest benefit from the use of HALL'S HAIR RENEWER, it having restored my hair, which was rapily falling off, and returned its original color."

☞ DR. EMIL SEPP, *Detroit, Mich.*, certifies that "HALL'S HAIR RENEWER is excellent for hair growing, and gives back the natural color to faded and gray hair."

☞ MRS. S. E. ELLIOTT, *Glenville, W. Va.*, says: "One bottle of HALL'S HAIR RENEWER restored my hair to its natural, youthful color."

No injurious substances enter into the composition of HALL'S HAIR RENEWER, and it is not a dye. Its vegetable ingredients render it in the highest degree beneficial to the scalp as a preventive of disease. Its effects are natural and lasting, and it does not make the hair dry and brashy, like the so-called restoratives compounded with alcohol.

**WHISKERS**

Is, in four respects, superior to all others.
1st—It will produce a rich, **natural** color, brown or black, as desired.
2d—The color so produced is permanent, cannot be washed off, and will not soil anything with which it comes in contact.
3d—It is a single preparation, and more convenient of application than any other hair or whisker dye.
4th—It contains no deleterious ingredients, as do many preparations offered for like use.

## TAKE SIMMONS LIVER REGULATOR

For all Diseases of the
**Liver, Kidneys, Stomach and Spleen.**

This purely vegetable preparation, now so celebrated as a Family Medicine, originated in the South in 1828. It acts gently on the Bowels and Kidneys and corrects the action of the Liver, and is, therefore, the best preparatory medicine, whatever the sickness may prove to be. In all common diseases it will, unassisted by any other medicine, effect a speedy cure.

The Regulator is safe to administer in any condition of the system, and under no circumstances can it do harm. It will invigorate like a glass of wine, but is no intoxicating beverage to lead to intemperance; will promote digestion, dissipate headache, and generally tone up the system. The dose is small, not unpleasant, and its virtues undoubted.

No loss of time, no interruption or stoppage of business while taking the Regulator.

Children complaining of Colic, Headache, or Sick Stomach, a teaspoonful or more will give relief.

If taken occasionally by patients exposed to MALARIA, will expel the poison and protect them from attack.

A PHYSICIAN'S OPINION.

I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system.
