Consequently we feel justified in taking the liberty of printing a few points from a private letter recently received from one of our largest patrons, as a sort of confession of faith to our readers. We quote:

"We have convinced ourselves that by telling what we know to be true, we have produced at last a permanent conviction in the public mind. Seven years ago we stated what the national disease of this country was, and that it was rapidly increasing. Three years ago we stated that a marked check had been given it.
