

COMMUNICATION.

WASHINGTON, Mar. 21, 1887. Last Friday, the 18th of March, was the golden anniversary of President Cleveland's birth.

When asked by Mr. Soteldo, the minister from Venezuela, why he was not celebrating the natal day, he is reported to have said, "vanity, vanity, it is all vanity."

Birthday cards in large numbers came from all parts of the country, and friends in Washington sent flowers accompanied by congratulations.

The visit of ex-Senator Thurman to this city furnished the political gossip with food for a whole day.

There is little occasion for the wide spread alarm as to the financial situation during the interval before Congress convenes.

That which is deemed chiefly unfavorable in the situation is the fact that only thirty millions of bonds remain subject to call, and that after three monthly calls this means of putting money into circulation will be cut off.

The old William and Mary College, in Virginia, which is dead in all but name, is keeping its privileges by a curious custom.

Bucklen's Arnica Salve. THE BEST SALVE in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required.

Many of the good things of this world are sorrowfully let alone on account of Dyspepsia. Acker's Dyspepsia Tablets will cure Dyspepsia, Indigestion and Constipation.

Babies that are fretful, peevish, cross, or troubled with Windy Colic, Teething Pains, or Stomach Disorders, can be relieved at once by using Acker's Baby Soothers.

Save the Children. They are especially liable to sudden Colds, Coughs, Whooping Cough, etc. We guarantee Acker's English Remedy a positive cure.

What's that? asked a gentleman from the country in a music store yesterday. "That? Oh that is used on violins. It is called a chin rest."

Twenty-five years ago there was not one professing Christian in the Chinese province of Shantung; now there are three hundred places where Christians meet regularly on the Sabbath.

Can't Sleep. Nights in the thousands suffering from Asthma, Consumption, Coughs, etc. Did you ever try Acker's English Remedy? It is the best preparation known for all Lung Troubles.

"DON'T YOU WORRY."

How Shrewd Business Men Have Solved a Great Problem.

"Is there a fatality among our prominent men?" is a question that we often ask. It is a question that perplexes our leading medical men, and they are at a loss to know how to answer it.

We sometimes think that if the physicians would give part of the energy to the consideration of this question that they give to combatting other schools of practice, it might be satisfactorily answered.

The flights of "isms" reminds us often of the quarrels of old Indian tribes, that were only happy when they were annihilating each other.

Fortunately for the people, the merit which these "isms" will not recognize, is recognized by the public, and this public recognition, taking the form of a demand upon the medical profession, eventually compels it to recognize it.

By a careful examination of insurance reports we find that there has been a sharp return with reference to examinations, (and that no man can now get any amount of insurance who has the least development of kidney disorder.)

The editor expressed surprise at the agent's faith, but the latter replied: "This point is a valuable one. Very many insurance agents all over the country, when they find a customer rejected for this cause, give similar advice, and eventually he gets the insurance."

What are we to infer from such circumstances? Have shrewd business men, as well as other shrewd business men, formed the correct answer to the inquiry? Is it possible that our columns have been proclaiming, in the form of advertisements, what has proved a blessing in disguise to millions, and yet many ignored as an advertisement?

Undoubtedly this article, which is simply dealing out justice, will be considered as an advertisement and be rejected by many as such.

We have not space at present to discuss the proposition that a poor thing could not succeed to the extent that this great remedy has succeeded, could not become so popular without merit even pushed by a Vanderbilt or an Astor.

Hence we take the liberty of telling our friends that it is a duty that they owe to themselves to investigate the matter and read carefully, for the statements published are subject to the refutation of the entire world. None have refuted them; on the contrary hundreds of thousands have believed them and proved them true, and in believing have found the highest measure of satisfaction, that which money cannot buy, and money cannot take away.

The old William and Mary College, in Virginia, which is dead in all but name, is keeping its privileges by a curious custom. Every morning the aged president rings the college-bell, though not one student responds, the college is opened, and its charter is not revoked.
