Mr. H. Gates informs us that on last Tuesday night the fisherman caught 10,000 salmon in the Siuslaw river. The prevalent opinion has been that the salmon run would be short, but we have now concluded that it will be about the same as usual only a little later.

HORNER.—To the wife of Prof. J. B. Horner in this city Oct. 2. 1887, a daughter, weight 10 pounds. All parties doing well.

TAKE NOTICE.—All persons having any business with this paper will always direct their communications to "ROSEBURG REVIEW," and not personally to any member of the firm. This observed, will prevent the delay of correspondence.

ACCIDENTIALLY SHOT.—Wednesday morning as Claude Cannon carrying a gun along Main street near the Methodist church, he accidentally dropped the weapon and it was discharged, several of the shot grazed the neck and face of a passer-by named Wm. S. Bucknell, of Eugene City, who was on the opposite side of the street, but did not injure him to any extent, fortunately.

CARELESS SHOOTING.—As Sam Whitsett and Henry Boltinghouse were coming into town from Deer Creek on Wednesday morning, a Roseburger out pigeon shooting, discharged his gun in the direction of the road, and filled the clothing of the two gentlemen mentioned with duck shot. Fortunately no injury was done, but we are informed that recipients of the warm reception intend to have the matter presented to the grand jury as they claim there is too much careless shooting going on at all times.

A NEW NAME.—Shades of "Joe" Lane, "Joe" Meek, and all the other pioneers defend us! Here comes along an advertising pamphlet, issued by the Southern Pacific Railway Co., called "Shasta," and on one of its pages, representing a topographical map of Oregon, we find winding through the canyons of Douglas county, the "Azalia river." Upon close inspection, we find this "river" with the æsthetic name to be none other than that stream the name of which is dear to the hearts of all Oregonians: Cow Creek—World.

QUARTERLY MEETING.—The first quarterly meeting of Roseburg charge for this conference year will be held in the Methodist Episcopal church on Saturday and Sunday, the 15th and 16th inst Services will begin by preaching by the P. E. Rev. S. P. Wilson at 2:30 Saturday, and quarterly conference immediately after. Preaching, Saturday evening and Sunday morning and evening. Lovefeast at 9:30 Sunday morning and communion at the close of morning service.

D. T. SUMMERVILLE, Pastor.

NOW OR NEVER.—"Don't let your best opportunities pass you like the sunbeams"—No, when you see the sample casket of Plated Silver Ware from the Standard Silver Ware Co. of Boston, Mass. with all statements about the ware printed by the aforesaid firm, or those interested in the growth of Methodism, see our fine Illustrated History of Methodism, or see the just merits of the Patent fence, carefully deliberate and quickly decide, if you can, and let M. E. Judkins take your order. Yours for honor.

M. E. Judkins.

THE BIG SLAUGHTER.

THE WONDERFUL RUSH AT SOL ABRAHAM'S GREAT CLOSING OUT SALE.

A reporter of this paper tried hard all day Wednesday to get an opportunity to speak a word to Sol Abraham concerning his grea closing out sale, but the rush of people to the mammoth store was such and Mr. Abraham was so busy in superintending his business that it was late in the afternoon before the interview was granted only for a few minutes. "You may assure the people" said Mr. Abraham "that while I intend to always make my home in Douglas county, where for over thirty years I have been in business, that I am positively retiring from the mercantile business and that cash or good credit will buy anything in my mammoth stock utterly regardless of cost. My sales since Monday are from $600 to $800 per day and my old customers and new ones are taking goods at their own prices. The amount of cash sales has proven that the hard times cannot interfere with the great sacrifice of goods at bargain prices never before offered in this section. Over thirty years business with the people of this county assure them that I mean just what I say." Here Mr. Abraham was called away by the great rush and the reporter left confident that the biggest bargains are offered at this bona fide closing out sale.

Messrs. Roney & Abrahams of Eugene this week paid their license as contracters to the city of Roseburg in consequence of the erection of the school house by them. At this time of the year a good many families have such quantities of ripened pears that they can neither eat nor profitably dispose of them. A lady who has tried it finds this an excellent use to make of them: Cut them in thick slices, stew them and then, in an open oven dry them, thoroughly, if it take two days. They come out all honeyed over with their own sweetness, and fig-like in their substance and consistency, at once suggesting both raisins and figs. And they are excellent eating, far finer than any one would believe without trying. They will keep, it is said, a year or two.—Ex.

BAPTIST ASSOCIATION NOTES.

The association of the Missionary Baptist convened at Oak creek last Thursday with a good attendance of ministers present.

Your correspondent arrived on the grounds Saturday morning for 11 o'clock services, and listened to an able sermon from Rev. Schofield, after the close of his sermon, every body was invited to the table, which was groaning under the weight of the good things thereon, which spoke volumes for the culinary ability of the fair sex of Oak creek and vicinity.

In the afternoon Rev. Wycliffe preached a very able sermon, which was listened to with rapt attention, by the attentive congregation.

At 7 o'clock services were held at father Tiptons by Rev. J. W. Osborne, also at church house, but your correspondent failed to learn by whom the people were addressed.

On Sunday at ten o'clock, Mrs. Wheeler addressed the Sunday school children, in a very earnest and able manner, and such instruction frequently given to the youth of our land we are sure would be fraught with good results.

At 11 o'clock Rev. G. J. Burchett preached to a crowded house, an able and eloquent sermon from the text "Go sell what thou hast and give to the poor." Dinner was served on the ground to the entire congregation which was quite large.

Rev. Robinson preached the closing surmon in a very able manner.

The association adjourned at 3 o'clock to meet next year with the Springfield church.

DIED.

CALLAHAN.—Mrs. Geo. J. Callahan of French Settlement died Oct. 2nd 1887. Her maiden name was Miss Sophronia Rachel Homer and she was born in Carrol Co. Tenn., Jan. 3rd, 1830.

She removed with her parents in 1836 to Benton Co. Ark., where she was married to Mr. George Callahan, Nov. 29th, 1853. They crossed the plains to Oregon in 1864 with their family and settled in this county where they have since resided. She was the youngest of thirteen children, two of whom died in their infancy. The others all grew to man and womanhood, which were six brothers and five sisters, all of whom had families each of their own. All have preceded her to the grave, excepting her three youngest brothers who were next in age to her and who are all now living in Sonoma county, California. She was the mother of eleven children, two of whom died in infancy. Her husband and her remaining nine children were with her during her last sickness and together mourn her loss. She was a member of the Presbyterian church, and the funeral services were conducted at the school house in French settlement, by the Rev. W. A. Smick assisted by the Rev. Mr. Miller which were attended by the entire community. She was a woman of strong religious convictions and endeavored to rear her family not only to respect but to adhere to the religion of Jesus Christ. Her last words when told that all of her children were at her bedside were "all is well."

How blessed to live for Christ the Lord;
And die in hope with Him to dwell,
They rest their faith upon His word;
And know at last that "all is well."

"Home at last" on heavenly mountains
Heard the "Come and enter in;"
Saved by life's fair flowing fountains,
Saved from earthly taint and sin.
Free at last from all temptation,
No more need of watchful care;
Joyful in complete salvation,
Given the victor's crown to wear
Saved to greet on hills of glory,
Dear one we have loved so long;
Saved to tell the victor's story,
Saved to sing redemption's song.
Welcomed at the pearly portal,
Evermore a welcomed guest;
Welcomed to the life immortal,
In the mansions of the blest.

The following letter to the commission explains itself:

CORVALLIS. Oregon, Sept. 19, 1887.

Hon. J. R. N. Bell, Clerk R. R. Commission, Salem—Dear Sir:—Referring to your favor of the 7th inst., notifying this company that upon examination of our tariffs the board of commissioners decided that the short haul rates were unreasonable, and that a reduction should be made, the basis of which, in the commissioners' opinion, is stated in your letter.

I desire to inform the board that this company have now in the hands of the printer new tariffs covering business handled between Albany and Yaquina City. Said tariffs will provide a rate on grain, flour, mill stuff, of for distances from five miles, and not exceeding ten, 4 cents per 100 pounds; and ten miles, not exceeding twenty miles, 6 cents per 100 pounds, based on the minimum weight of 20,000 lbs to the car, which is carrying out exactly the recommendations made by the board. Very Truly Yours,

WM. M. HOAG,
General manager.

WILL NOT DIVIDE.

GEN. APPLEGATE REFUSES TO MEET A PROHIBITIONIST IN DEBATE.

Gen. E. L. Applegate, of Jackson county, who has commenced his campaign of Oregon against the pending constitutional amendment abolishing the liquor traffic was telegraphed to from this place by Hon. James Chenoweth, member of the State League, asking if he would divide time with a prohibitionist. The telegram reached the General at Grants Pass and he curtly answered "No." We understand that it would have been the object of the friends of the amendment to secure the Rev. I. D. Driver, of East Portland, as the champion of the cause, and certainly a debate between these gentlemen would have attracted great attention, but Gen. Applegate is doubtless aware of the weakness of his cause and hence his refusal.

Useful and Hurtful Medicines.

There is a certain class of remedies for constipation absolutely useless. These are boluses and potions made in great part of podophyllin, aloes, rhubarb, gamboge, and other worthless ingredients. The damage they do to the stomachs of those who use them is incalculable. They evacuate the bowels, it is true, but always do so violently and profusely, and besides, gripe the bowels. Their effect is to weaken both them and the stomach. Better far to use the agreeable and salutary aperient, Hostetter's Stomach Bitters, the laxative effect of which is never preceded by pain, or accompanied by a convulsive, violent action of the bowels. On the contrary, it invigorates those organs, the stomach and the entire system. As a means of curing and preventing malarial fevers, no medicine can compare with it, and it remedies nervous debility, rheumatism, kidney and bladder inactivity, and other inorganic ailments.

Free Trade.

The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has largely benefited the consumers as well as relieving the burden of home manufactories. Especially is this the case with Green's August Flower and Boschee's German Syrup, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The August Flower for Dyspepsia and Liver Complaint, and the German Syrup for Coughs and Lung troubles, have prehaps, the largest sale of any medicine in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Sample bottles for 10 cents remain the same size.

Cure for Piles.

Piles are frequently precededby a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanco's Pile remedy, which acts directly upon the parts effected, absorbing the tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address, The Dr. Bosanco Medicine Co., Piqua, O. Sold by Dr. S. Hamilton.

A Captain's Fortunate Discovery.

Capt. Coleman, schr. Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King New Discovery for Consumption. It not only gave him instant relief, but allayed the extreme soreness in his breast. His children were similarly affected and a single dose had the same happy effect. Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner. Free Trial Bottles of this Standard Remedy A. C. Marsters Drug Store.

Renews Her Youth.

Mrs. Phœbe Chesley, Peterson, Clay Co., Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 63 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all desease and pain." Try a bottle, only 50c, at Marters & Cos. drug store.

Now Has Faith.

I had been troubled all winter with cold and pain in the chest and got no relief from remedies reccommended by druggists and physicians. At the same time I was advertising Dr. Bosanko's Cough and Lung Syrup. I had little faith, but thought to try it as a last resort, now I believe even more than they tell me of its curative qualities.
