ITEMS IN BRIEF. From Saturday Daily. Mr. A. Sutton, of Portland, is in the city.

The snowy garb of winter covers the eighboring hills. A phonograph will be on exhibition at t Catholic fair next week.

The "flyer" arrives at this city at 10:30 east bound-and and at 2:40 A. M. west bound.

Snow fell at Dufor yesterday, and the ground is now covered with two or three rain and snow before Wasco county will nenes of the congealed element. It is earnestly hoped that to-night will not be dark and dismal by reason of lack of good fuel at the electric light works. The case of Peabody vs. O. R. & N. Co. was given to the jury yesterday, and a ver dict rendered for the plaintiff for \$4900. The editor of the W. W. Journal wants a urkey for Thanksgiving day. His delin quent suscribers should remember him. Mr. John D. Woodward, who has ided near the Cascades since 1852, was i the city to-day.

Old residents are hopeful of the signs o the coming winter. They way it is starting in old-fashioned style, and expect a great deal of snow and an abundance of moisture We have a copy of the Stayton Sun, pub lished at Stavton Marion county. It is a five-column folio, neatly printed and well

edited The arch and incandescent lights failed to

uminate last night. The reason assigned novement in aid of Jefferson Davis is was that the wood was green and wet, and attracting wide attention. It now looks it was impossible to get up sufficient steam is if the money will be easily raised. A etter was received from Senator Colquitt, We received two lithographic views to-

day of the city of Heppner. They are well taken, and display considerable artistic Atlanta will go to work at once through ability. our organization to raise all the money The ladies of the guild of St. Paul's Epis that is necessary, more too. Many of us

copal church will hold a grand holiday fair at the new Armory on Wednesday and Thursday, Dec. 4th and 5th, afternoon and evening.

We have received from Mr. R. S. Pague, ssistant director U. S. Signal Service the ixth monthly report of the State Weather ureau, for the month of September. This from full of interesting facts for our farmers. The dedication of the United Brethern untains to the seaboard, will come to hurch at Dufur, will take place Dec. 15th. Bishop Hott is to be present, and will officiate in the dedication service and look af-How much is needed, wire me, and write ter the interests of the church. Everybody promptly, you will greatly oblige yours are cordially invited.

Mr. W. J. Eshenbaugh, who for many years has occupied the position of night clerk at the Umatilla House in this city, left a few days ago for Portland. He will be missed yery much by his large circle of lowing particulars of the burning of the frienda. The defendant requested the court

submit to the jury the question whether the O. S. L. Co. was operating the railroad in without any further trouble. the amended complaint referred to, at the time the injury was received by Mr. Pea-

body, and a negative answer was given a the verdict.

Presbyterian services at their hall, the M. C. A. Hall, to-morrow at 11 A. M. and 7 P. M. Morning sermon on "Eterns Life Lost"-the ninth in the series on "Life." Evening sermon on "The Light of the Body, the Eye." The ladies will soon give a social in their hall.

of snow on the Tygh ridge when he left A fire broke out in Pocatello last Saturyesterday. This snow will soak into the ground, and will be moisture for next year's day, and the Republican, in describing how the family and neighbors rustled around to preyent any "serious" loss of furniture,

cropa. The jury in the case of Bennett vs. Taffe etc., cheerfully remarks: "But the fire was not of much account though one life brought in a scaled verdict yesterday and were discharged, and to-day it was opened. sacrificed in it. Mrs. Hargraves, an aged invalid was living in the house with a mar-ried daughter and was in bed at the time It was in tavor of the plaintiff, and awarded him \$100 damages.

of the fire in an addition to the main house, and the family had gone out leaving her Notwithstanding the precipitation this fail the wells and springs have not become replenished. It will take a great deal more

have her usual bountiful supply of water. The armiture of the arc dynamo at the electric light works has been burned out, and it will take two weeks to have it re-placed. This is a ioss of a thousand dollars

there alone with fire in the stove which was nite near the bed and in some way the bedding caught fire and so burned the in-valid about the head, shoulders, and other parts of the body, that she died in two hours after being removed to another room. The damage to house and furniture was slight, and all congratulated themselves on their narrow escape from what might have been a serious conflagration. The Russey Murder. Pendleton Tribune.

From behind the iron bars that hem in

there much longer, for ere many days he

will be summoned before the tribunal which

will either restore to him his liberty or send

him to the scaffold to explate an unpardon-

able crime. The witnesses who know any-

ago that it will, perhaps, not be out of place

to recapitulate the accompanying circum-

stances. Mrs. Russey, an aged woman who

wanted but a decade of the three score and

ten years allotted to life, resided on the

Umatilla reservations at a point about fif-

an unpretentions one, for she was not a

woman of means, and so was the residence

of her son, who, with his wife, dwelt in a

cottage about one hundred yards from her abode. It was a bright shining morning

last spring when her son rapped at the door

to awaken her and prepare for their custo-mary Sabbath visit to the church. He got no answer. He rapped again, and then im-patient or fearing that something had hap-pened, he opened the door and cutered the

coom. The spectacle before his eyes was

enough to unnerve any man, for his mother lay dead upon the floor, her head a crushed

and beaten mass, from which the blood slowly oozed and matted her disheveled

hair. Young Russey lost no time in giving a general alarm and when response came, the work of searching for a clue to the mur-
