A Social Event From Saturday's Daily.

Speaking of a "Social Session" by th Postage Stamp Co. and the Black Hussan Band, it was nothing, simply nothing, com with the dance given by the Social Club last evening at the Old Armory hall. This is the fourth dance of the club and the nembers of the string band are to be com dimented on the elegant music rendered on this occasion, which could not but please

he most critical lover of the "light fantas The dresses of the ladies were som hing-well something not to be described

y your humble servant, who is but a voice n that line, but as brevity is said to be the soul of wit (?) he will have to sat sfy the subscribers of the TIMES-MOUNTAINEER by saying they were superb. In point of numbers the dance was also a success, for taking into consideration the good coasting and tobogganing, the elite, youth and beauty of the city turned out in goodly numbers. Aproposelite, youth and beauty, a young lady informed one of the boys in that day, and was tired and did not feel very active, but at his urgent request she let go at him. When his friends went to pick him up, he said he thought he would die casier lying down. He had lost al recollection of having any lung«, but the young woman consoled him by admitting the course of a conversation "that the gentlemen might consider themselves the

'chite,' but the ladies were undoubtedly 'the youth and beauty." We admit the latter, but when they put the boys down as "the ehite" they compliment us; they know us better than we do ourselves. I wonder that she did not hit him as hard as she might have done, because she rather liked him. The mill is said to have run short-handed for a week. what name they will call us next. But leaving all joking aside the next social will be held on Jan. 31st unless notice is given

to the contrary. Keep it uppermost your mind thus will be the last of the soc series. Young ladies get out your fine dresses again in two weeks and come along Don't forget to curl your hair all the-well, we'll wait until the next social and see what "nice names" the youth and beaut will call us and then we will be "able" t who was there, if we don't ge 'caned" for what we have already said
